(57) **CLAIM**

The ornamental design for the foam/sponge hair roller cover,
as shown and described.

DESCRIPTION

The FIGURE shown is a top, front perspective view of the
foam/sponge hair roller cover according to the invention.
The bottom, rear perspective view is a mirror image thereof.
The diagonal lines along the top and bottom of the cover
represent machine stitches and form a part of the claimed
design. All other broken lines are shown for illustrative
purposes only and form no part of the claimed design.
