(57) **CLAIM**

I claim the ornamental design for adhesive sheet-like dust removal implement, as shown and described.

**DESCRIPTION**

FIG. 1 is a front view of the adhesive sheet-like dust removal implement, showing my new design;

FIG. 2 is a rear view thereof;

FIG. 3 is a right side view thereof;

FIG. 4 is a left side view thereof;

FIG. 5 is a top view thereof;

FIG. 6 is a bottom view thereof;

FIG. 7 is a front view of the adhesive sheet-like dust removal implement in the open position;

FIG. 8 is a rear view thereof;

FIG. 9 is a right side view thereof;

FIG. 10 is a left side view thereof;

FIG. 11 is a top view thereof;

FIG. 12 is a bottom view thereof;

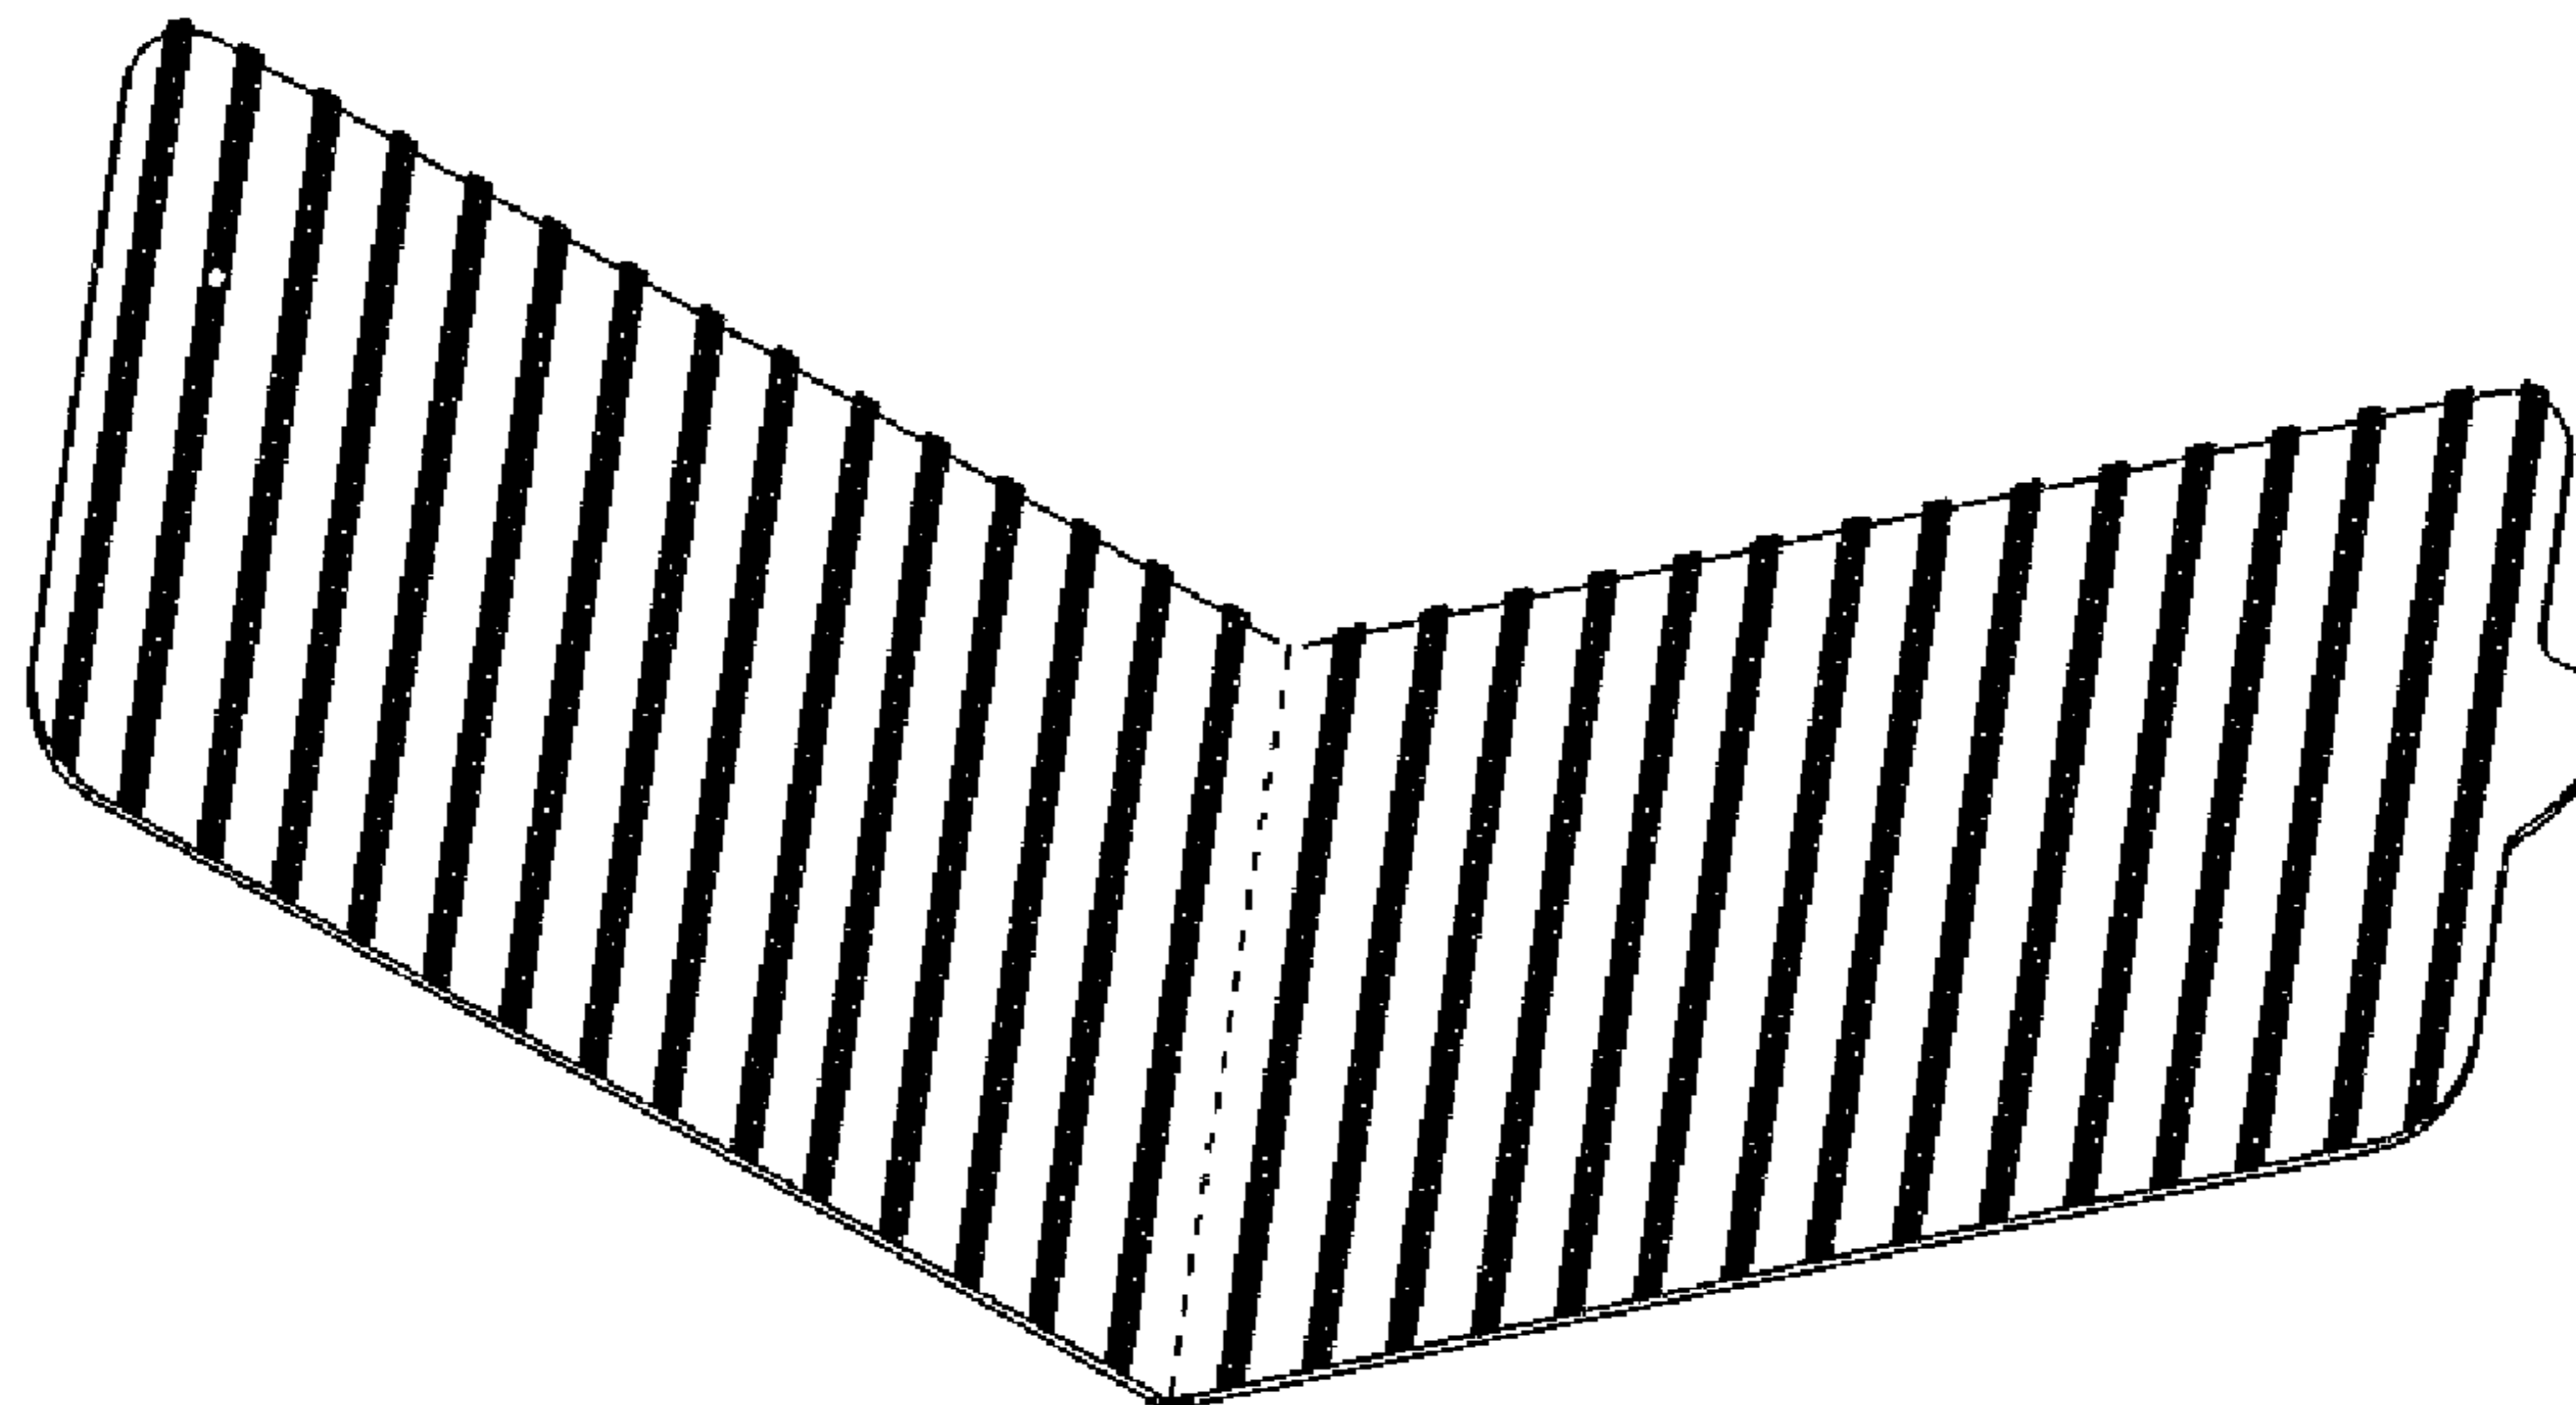

FIG. 13 is a perspective view of the adhesive sheet-like dust removal implement showing the product in use; and,

FIG. 14 is a perspective view of the adhesive sheet-like dust removal implement in a partially opened position.

With respect to the figures, the parts shown in black depict the adhesive areas and the parts shown in white depict the backing areas.

The broken line showing on FIGS. 7, 8, 13 and 14 on the dust removal implement is included for the purpose of depicting a fold or perforation. The broken line showing of a hand on FIG. 13 depicts environmental subject matter and forms no part of the claim.

**1 Claim, 5 Drawing Sheets**
