See application file for complete search history.

DESCRIPTION

FIG. 1 is an isometric view of the insulated holder of the
present invention, showing the bottom of the holder with its
base member inserted therein.

FIG. 2 is an isometric view of the insulated holder of the
present invention, showing the top of the holder with its base
member inserted therein.

FIG. 3 is the bottom view of the insulated holder of the
present invention.

FIG. 4 is the top view of the insulated holder of the present
invention.

FIG. 5 is an elevation view of the insulated holder of the
present invention with its base member inserted therein; and,

FIG. 6 is an isometric view of the insulated holder of the
present invention with its components separated.

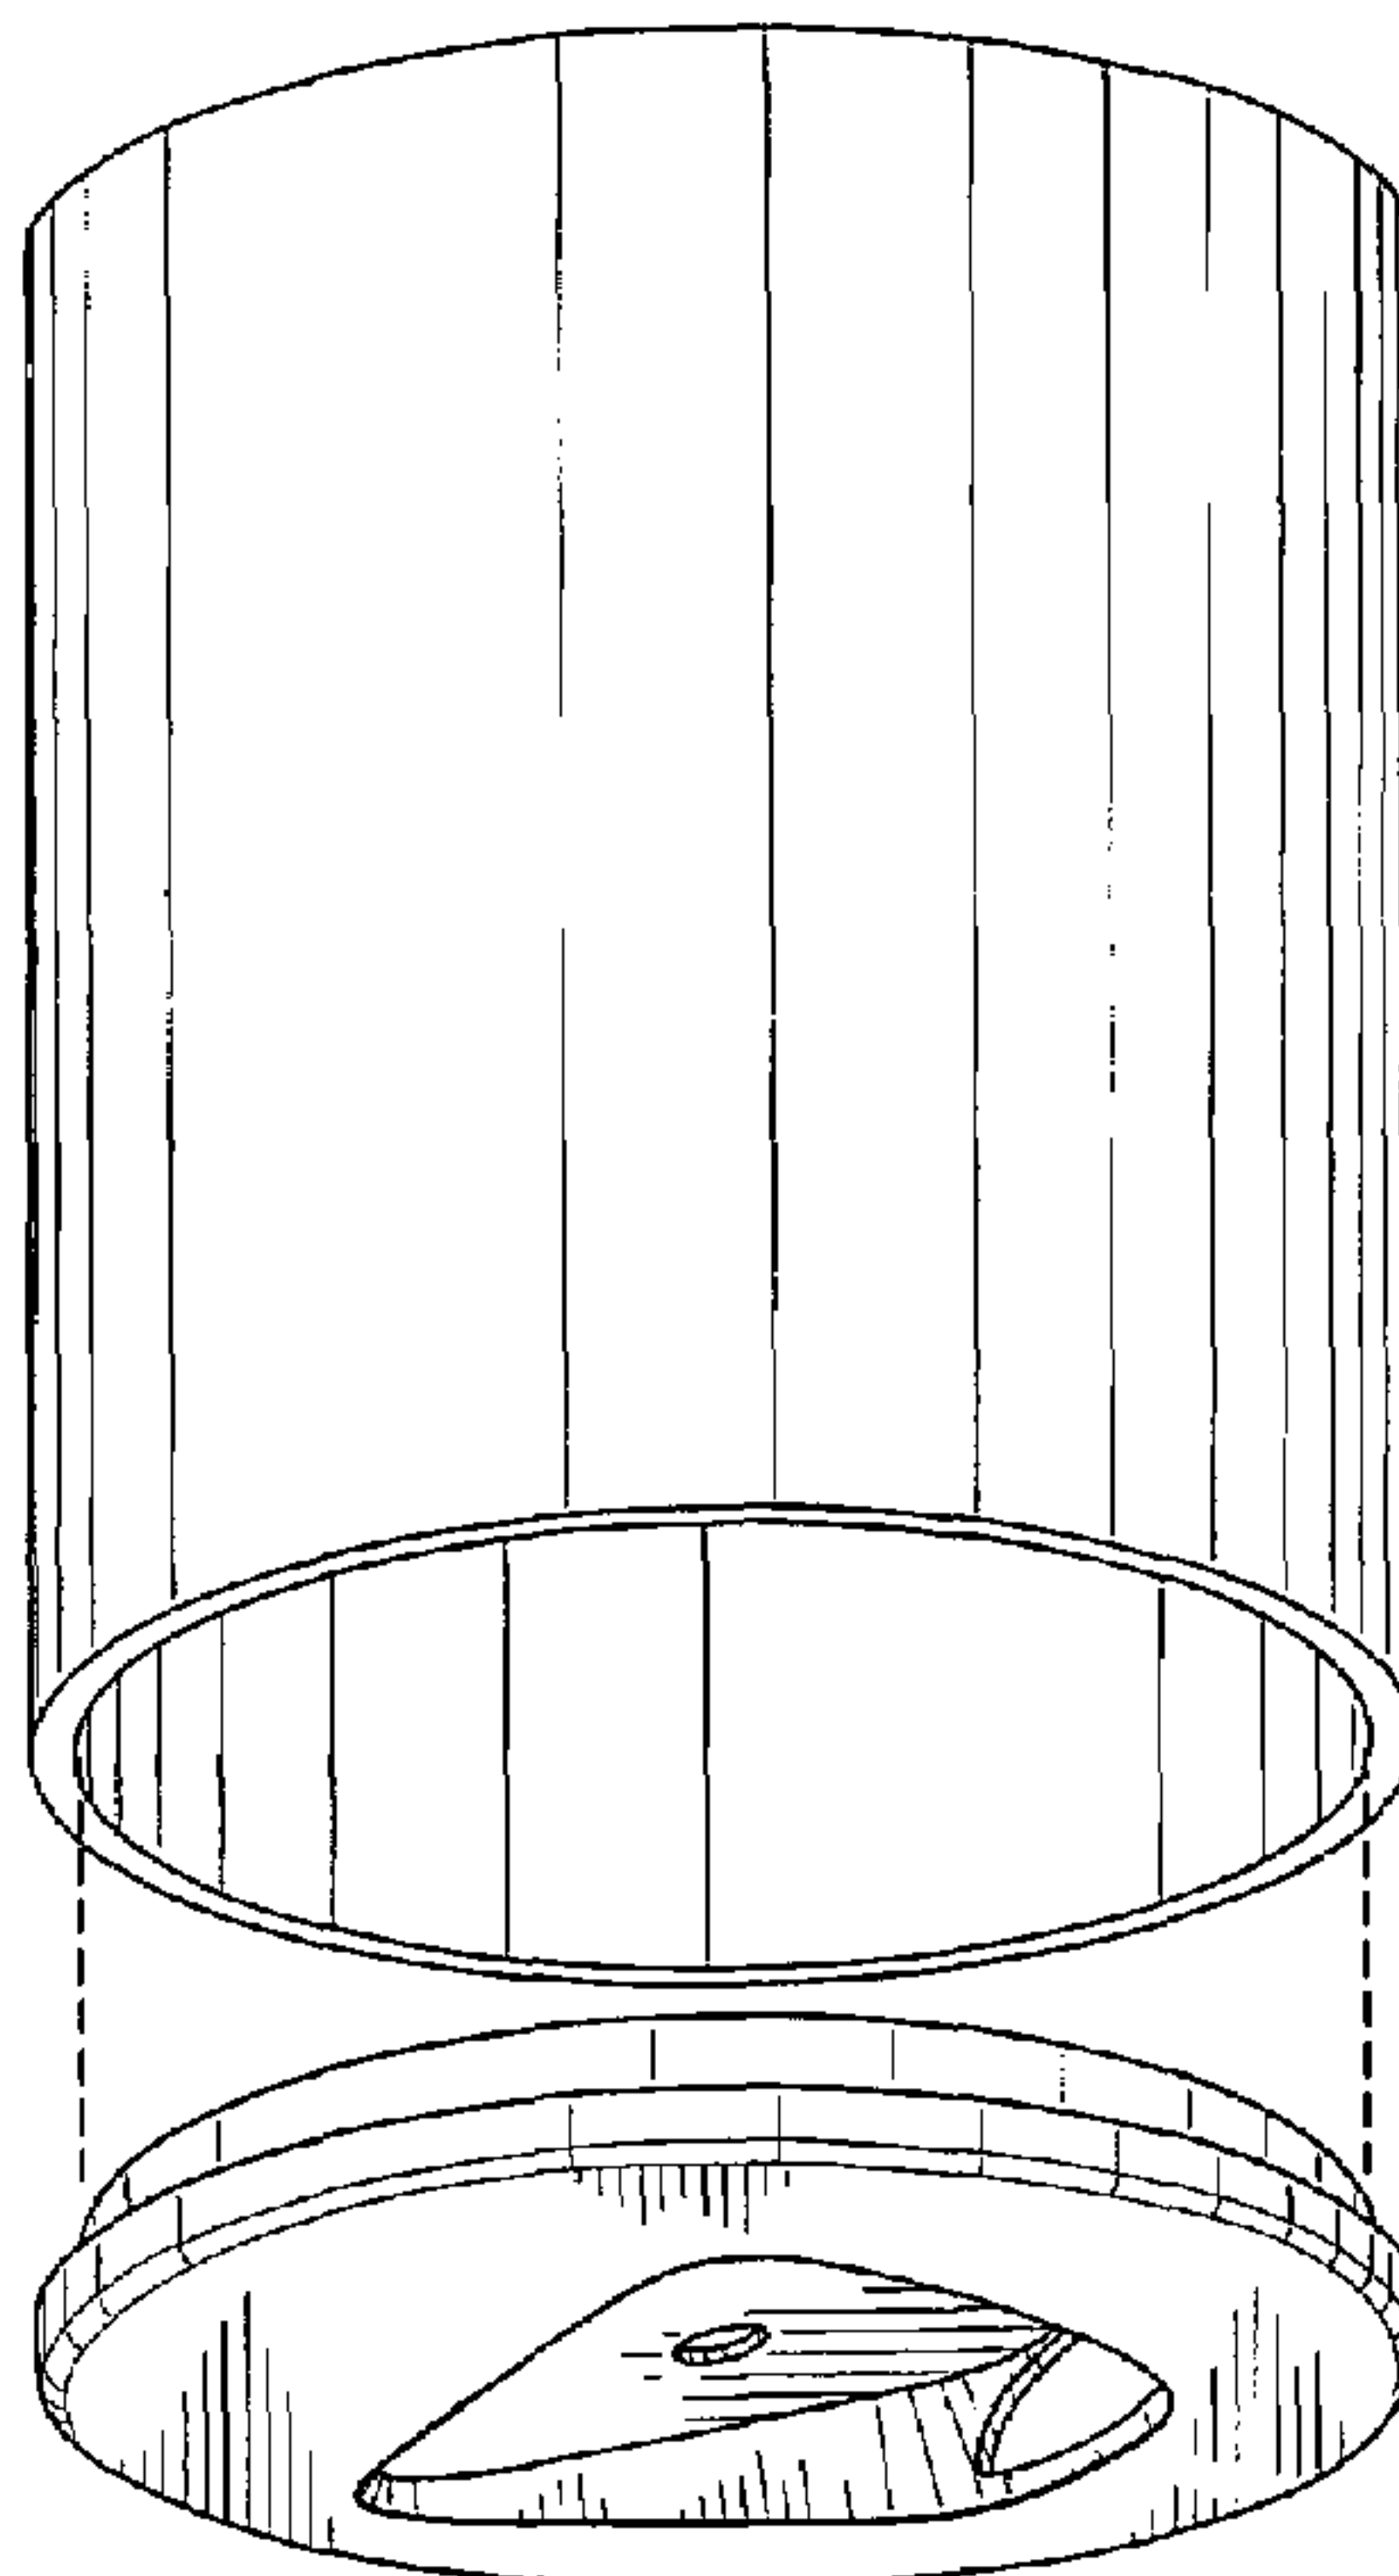

The broken lines are for illustrative purposes only and form
no part of the claimed design.
