(57) **CLAIM**

The ornamental design for key cover with RFID payment  
device, as shown and described.

# DESCRIPTION

FIG. 1 is a plan view of the RFID payment device used in  
the key cover;

FIG. 2 is a plan view of the RFID payment device used in  
the key cover with the device top material removed to  
expose chip and antenna circuits internal to RFID payment  
device;

FIG. 3 is a plan view of the key cover with RFID payment  
device in open position with a key placed in one leaf of the  
key cover;

FIG. 4 is a perspective view of the key cover with RFID  
payment device in closed position without a key; and,

FIG. 5 is a perspective view of the key cover with RFID  
payment device in closed position enclosing a key.
