(57) **CLAIM**

The ornamental design for the telephone with video display, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of a telephone with video display;

FIG. 2 is a front view of the telephone with video display of FIG. 1;

FIG. 3 is a top plan view of the telephone with video display of FIG. 1;

FIG. 4 is an enlarged partial front view thereof; and,

FIG. 5 is an enlarged partial front view of a second embodiment of the telephone with video display, the only difference being that FIG. 5 shows a morning screen, whereas FIG. 4 shows an evening screen, it being understood that all other aspects are the same as those of the first embodiment.

The broken line showing of the telephone is included for the purpose of illustrating portions of the article and forms no part of the claimed design.
