(57)**CLAIM**

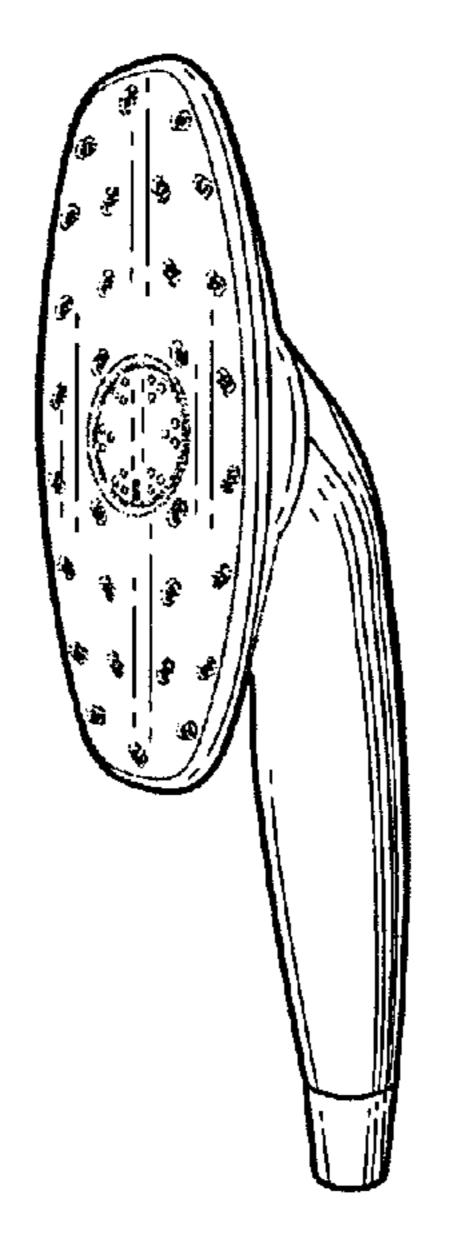

The ornamental design for a shower handpiece, as shown and described.

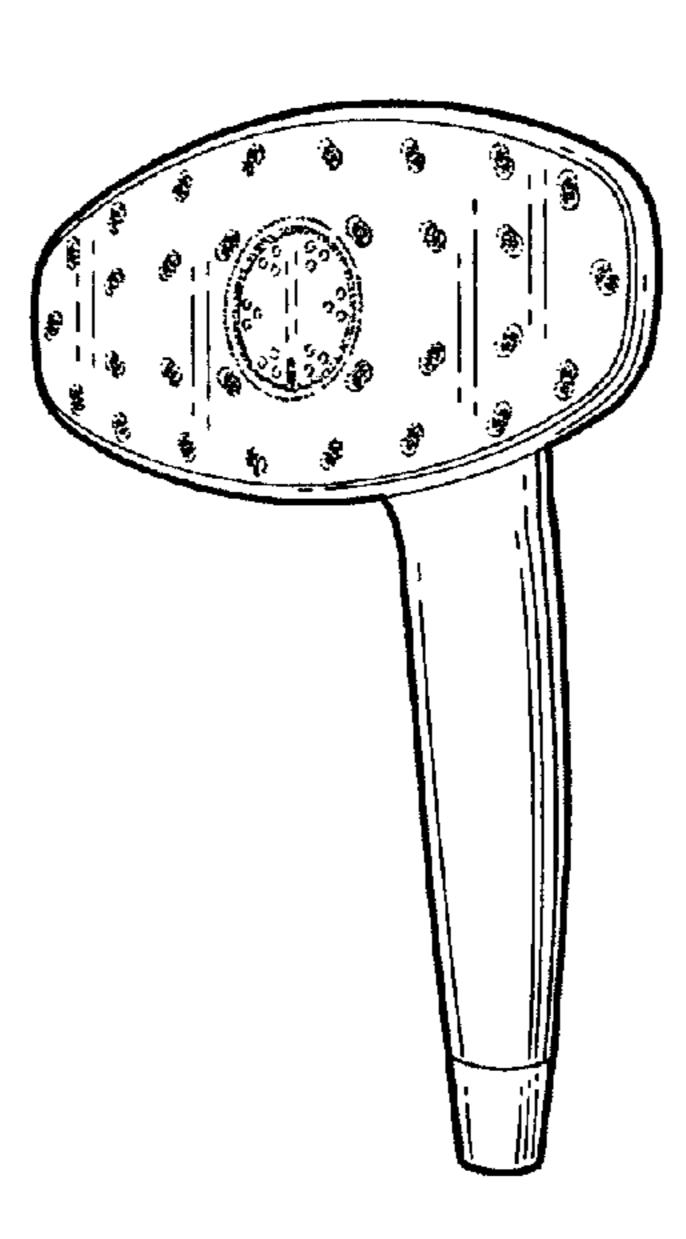

DESCRIPTION

- FIG. 1 is a top view of a shower handpiece with a movable head in a first position;
- FIG. 2 is a rear view with the head in a first position;
- FIG. 3 is a front view with the head in a first position;
- FIG. 4 is a view from one side with the head in a first position, which is a mirror image of a view of the other side of the head in the first position;
- FIG. 5 is a bottom view with the head in a first position;
- FIG. 6 is a rear perspective view with the head in a first position;
- FIG. 7 is a front perspective view with the head in a first position;
- FIG. 8 is a top view of the shower handpiece with the movable head in a second position;
- FIG. 9 is a rear view with the head in a second position;
- FIG. 10 is a front view with the head in a second position;
- FIG. 11 is a view from one side with the head in a second position, which is a mirror image of a view of the other side of the head in the second position;
- FIG. 12 is a bottom view with the head in a second position;
- FIG. 13 is a rear perspective view with the head in a second position; and,
- FIG. 14 is a front perspective view with the head in a second position.

The broken lines showing nozzles and showing a pivot surface and interface between the pivot surface and the movable head are for illustrative purposes only and form no part of the claimed design.
