(57) **CLAIM**

The ornamental design for a transaction card, as shown and described.

DESCRIPTION

The transaction card shown herein may be used in credit card transactions, debit card transactions, pre-paid card transactions, stored-value card transactions, data acquisition transactions, and the like.

FIG. 1 is a perspective view of the transaction card showing my new design;

FIG. 2 is a top plan view, the bottom plan view being identical thereto;

FIG. 3 is a front elevational view, the rear elevational view being identical thereto; and,

FIG. 4 is a side elevational view, the opposite side elevational view being identical thereto.
