See application file for complete search history.

**DESCRIPTION**

FIG. 1 is a perspective view of my new receptacle design in fully assembled configuration.

FIG. 2 is a perspective side view of the receptacle of FIG. 1; and,

FIG. 3 is side view of the receptacle of FIG. 1 showing.

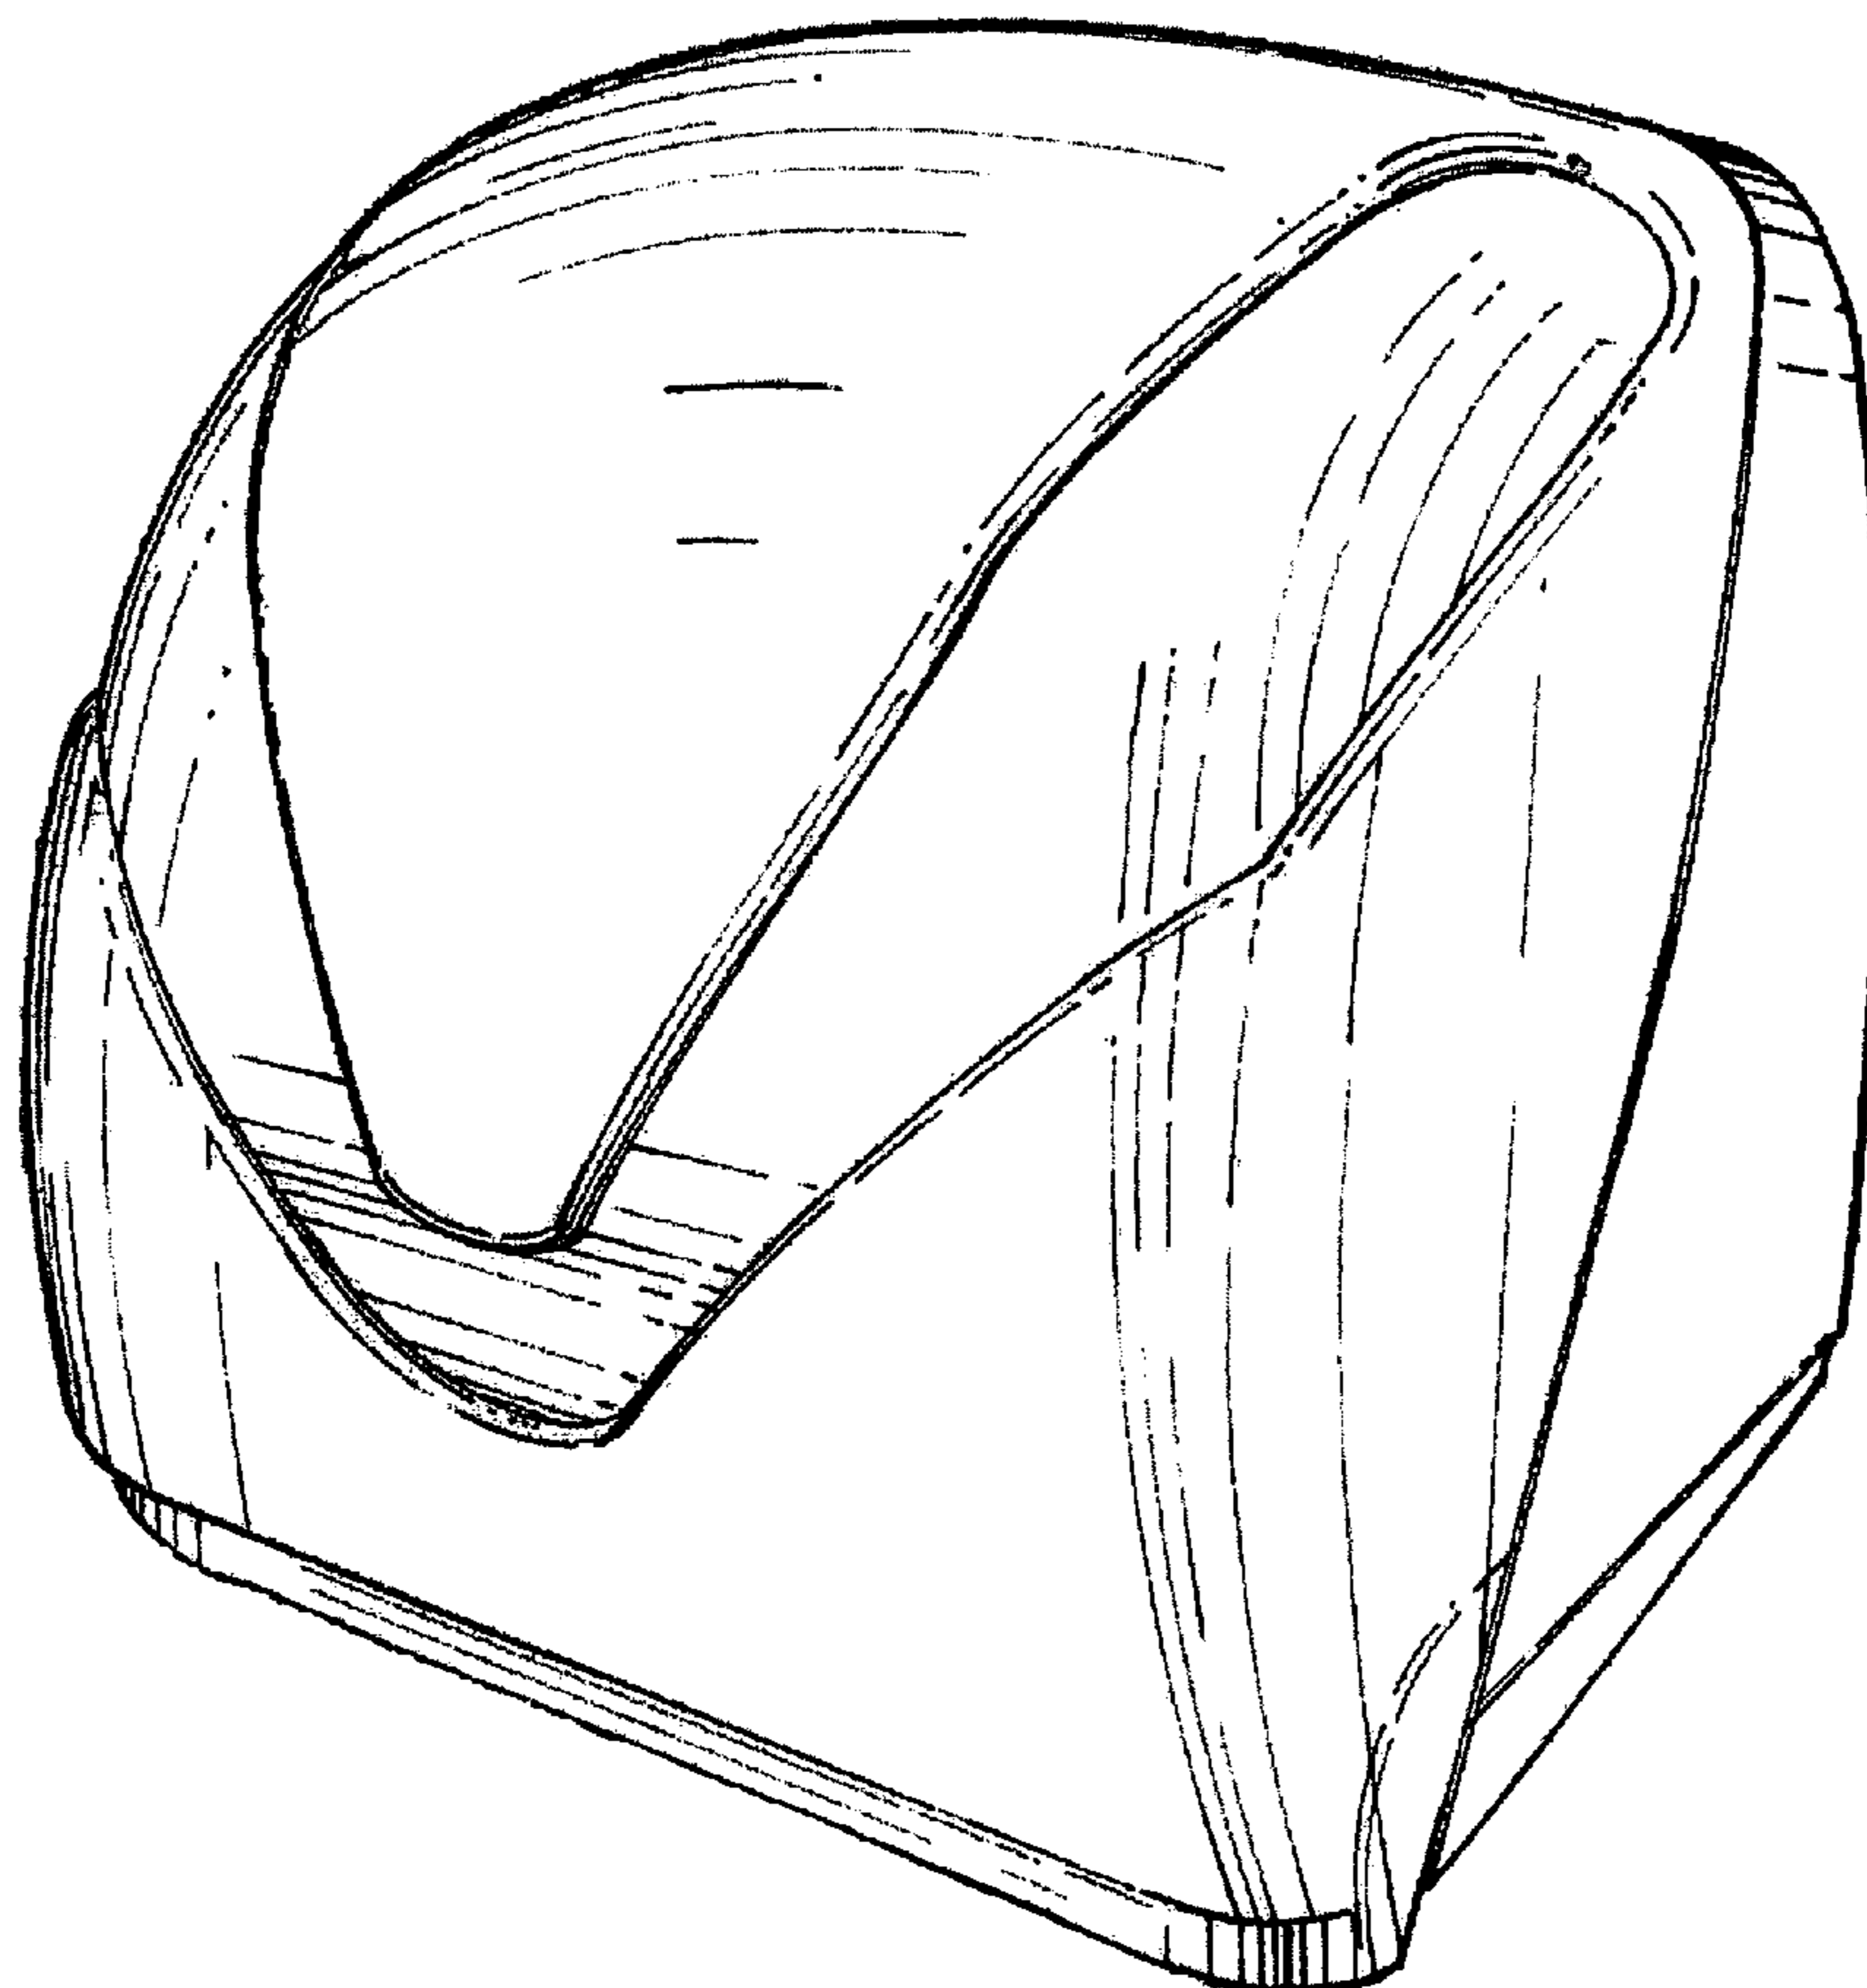

The constitution and particular disposition of the characteristic details of the present design have been clearly defined. Furthermore, its substantial ornamental feature, in a combination with distinctive aspects, makes it novel and easily different from other known receptacles.
