(57) **CLAIM**

The ornamental design for cable connector having interchangeable color bands, as shown and described.

DESCRIPTION

FIG. 1 is an elevation view of a cable connector having interchangeable color bands showing my new design;

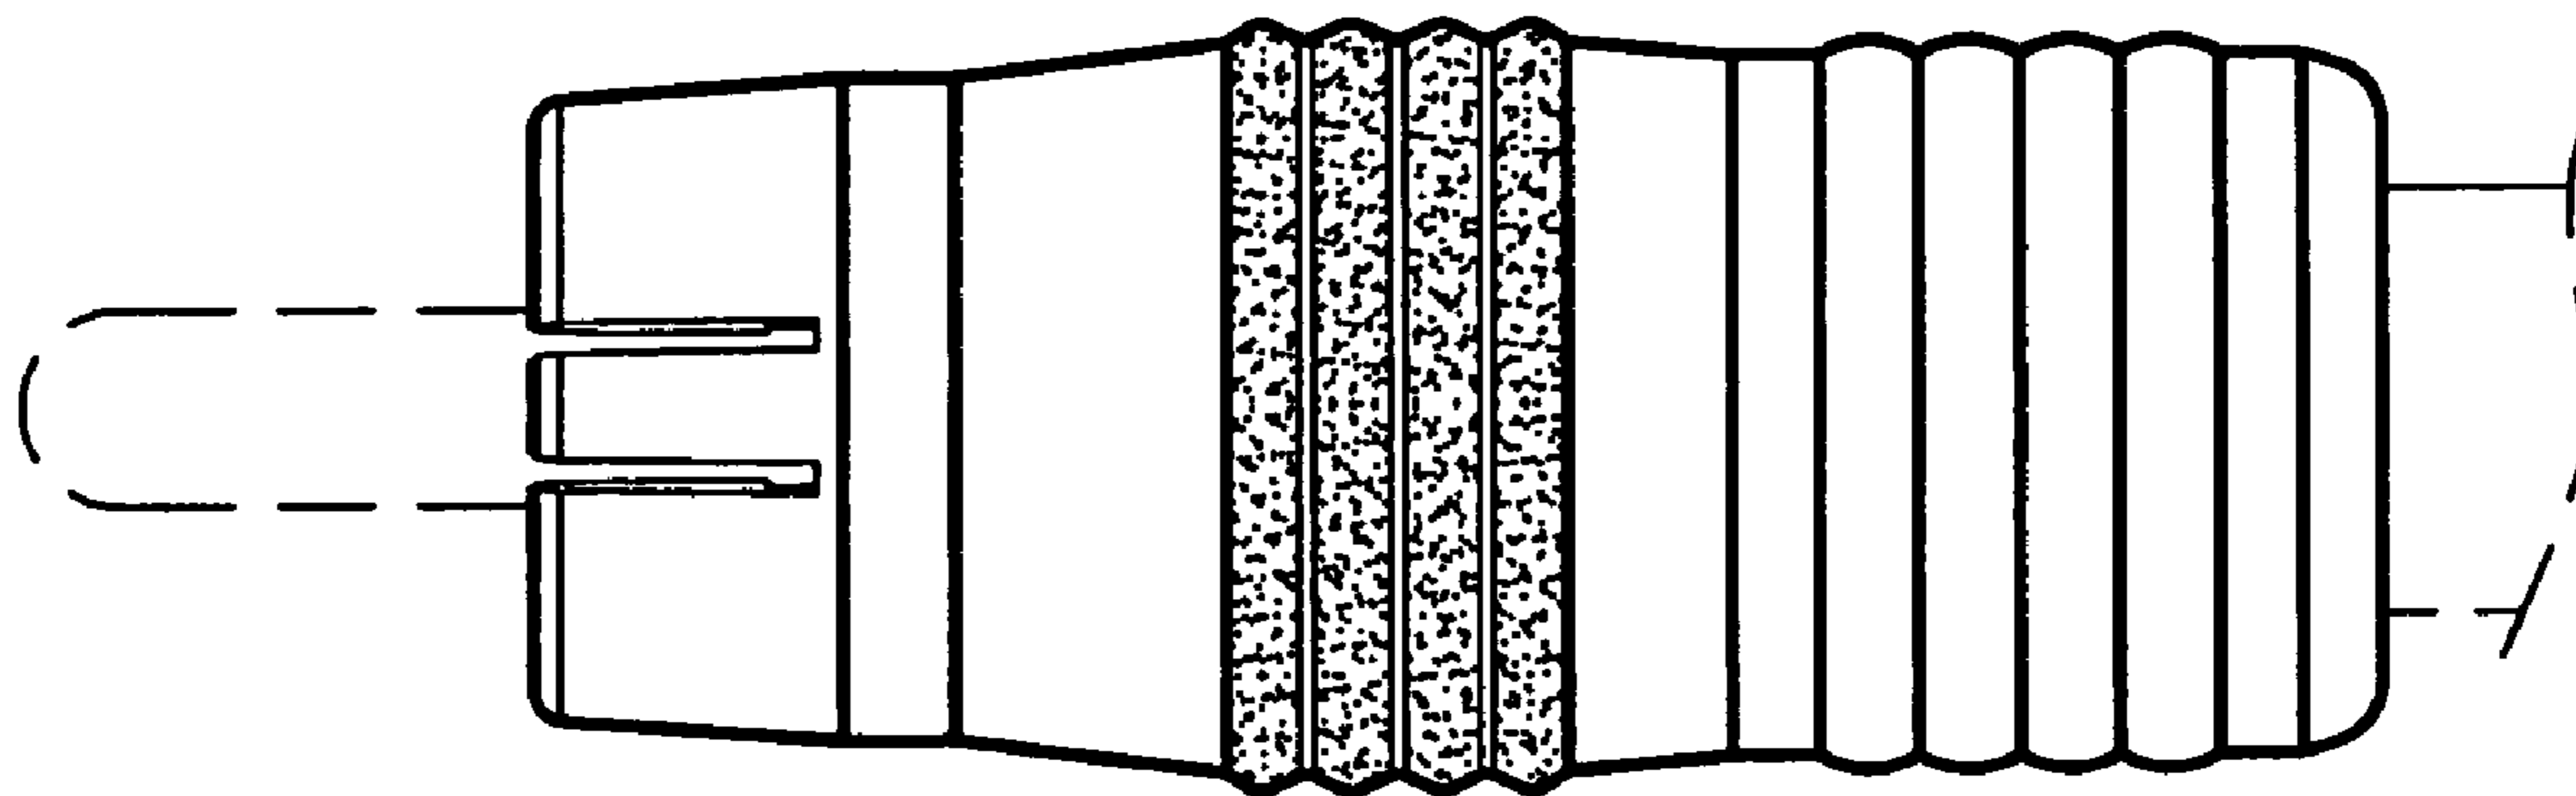

FIG. 2 is an end elevation view thereof; and,

FIG. 3 is another end elevation view thereof.

The stippled portions shown in FIGS. 1 to 3 represent different selected colors.

The broken line showing of the environment is for illustrative purposes only and forms no part of the claimed design.
