(57) **CLAIM**

The ornamental design for a puck light, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a first embodiment of my new ornamental design for a puck light;

FIG. 2 is a perspective view from the opposite end of the puck light of FIG. 1;

FIG. 3 is a bottom plan view of the puck light shown in FIG. 1;

FIG. 4 is a side elevational view of the puck light taken along lines 4—4 in FIG. 3;

FIG. 5 is a side elevational view of the puck light taken along lines 5—5 in FIG. 3;

FIG. 6 is a top plan view of the puck light shown in FIG. 1; and,

FIG. 7 is a top plan view of a second embodiment of my puck light, the only difference being the size of the puck light and, consequentially, the number of light emitting diodes, it being understood that all of the other surfaces are the same as those of the first embodiment, just smaller in size.
