(57) **CLAIM**

The ornamental design for a low level order picker lift truck, as shown.

DESCRIPTION

FIG. 1 is a perspective view of a low level order picker lift truck as seen from the top, back and left sides showing our new design;

FIG. 2 is a perspective view of a low level order picker lift truck as seen from the top, front and right sides;

FIG. 3 is a top plan view thereof;

FIG. 4 is a left side elevational view thereof, the right side elevational view being a mirror image;

FIG. 5 is a rear elevational view thereof; and,

FIG. 6 is a front elevational view thereof.

The broken line showings in the figures are for illustrative purposes only and form no part of the claimed design.
