(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

DESCRIPTION

The FIGURE is a front view of a user interface for a portion of a display screen showing my new design.

The disclaimed broken line text in the shaded region is for illustrative purposes only and forms no part of the claimed design. The broken line bounding two sides of the shaded region represents an unclaimed boundary of the design. The broken line showing of various regions and the unshaded areas there within form no part of the claimed design. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.
