(57) **CLAIM**

The ornamental design for a decorative shield, as shown and
described.

DESCRIPTION

The decorative shield in which the design is embodied is
intended for use by police, military personnel, and other
governmental employees during both work and ceremonial
functions.

FIG. 1 is a back, perspective view of a decorative shield
showing my new design and is drawn at a scale of 0.87 the
size of FIG. 2;

FIG. 2 is a front view thereof;

FIG. 3 is a top view thereof and is drawn at a scale of 2.02
the size of FIG. 2;

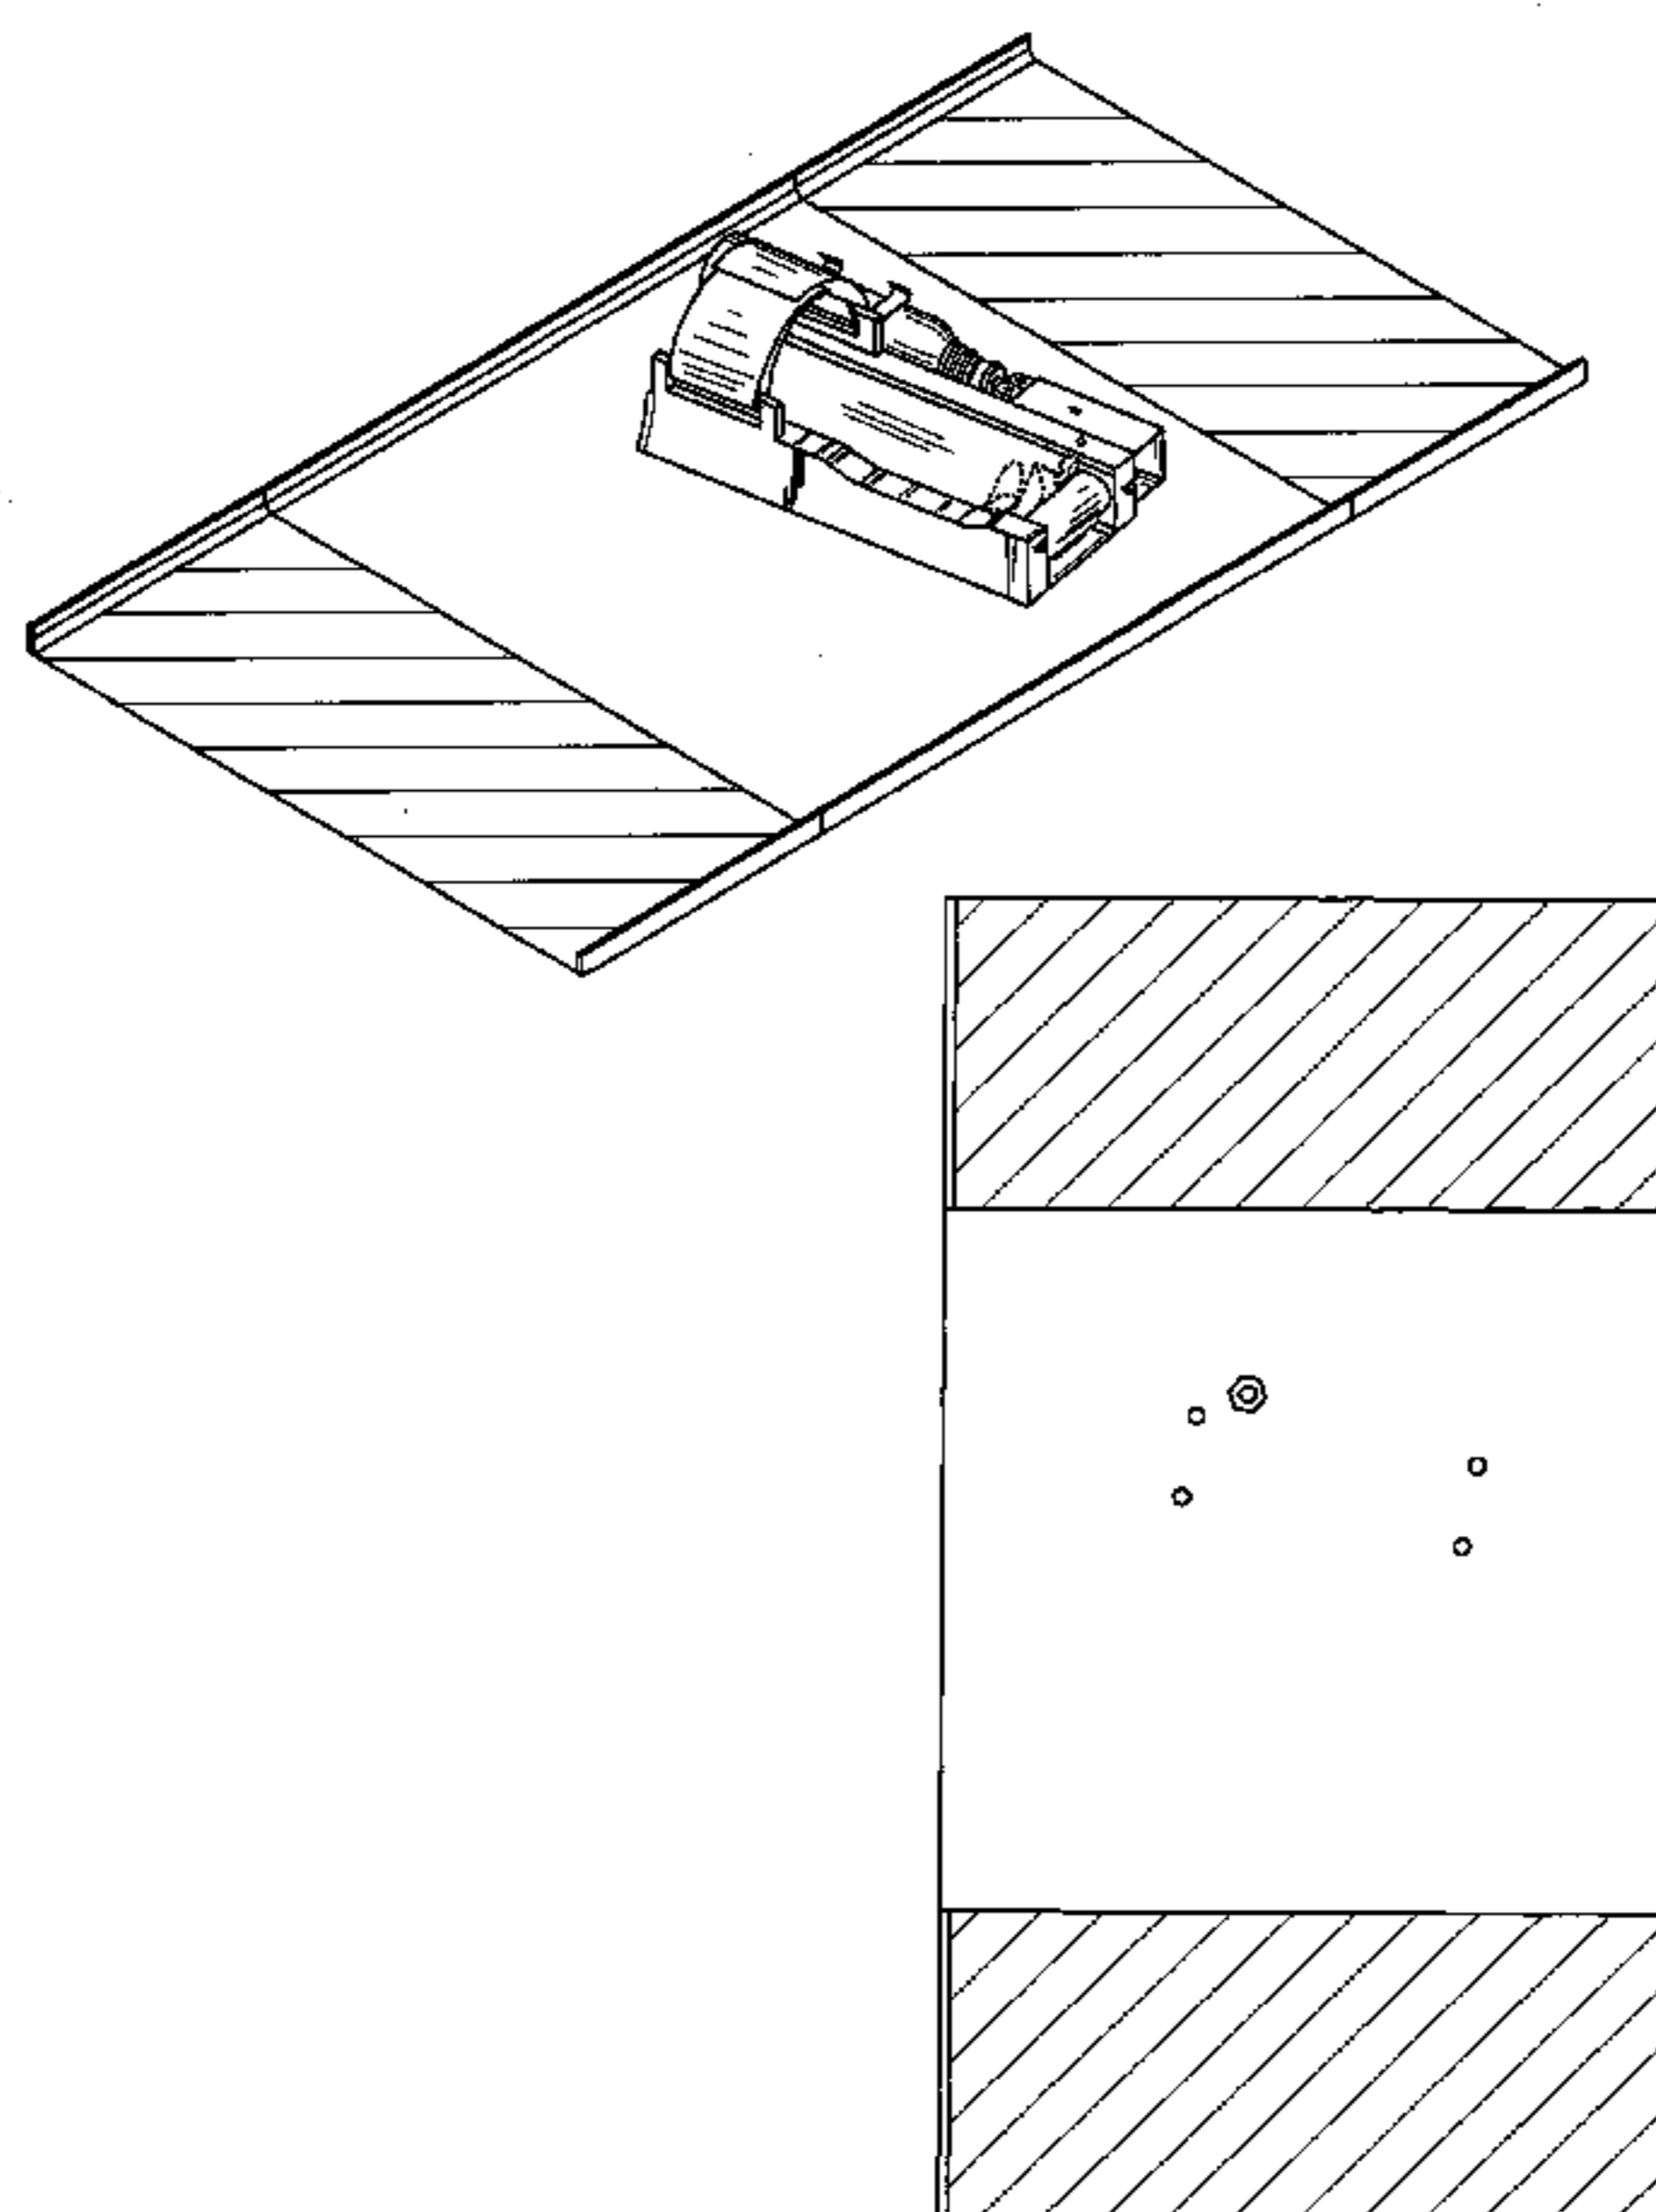

FIG. 4 is a bottom view thereof and is drawn at a scale of
1.79 the size of FIG. 2; and,

FIG. 5 is a left side view thereof and is drawn at a scale of
0.99 the size of FIG. 2.

The design includes a rectangular sheet of metal having
zones of color contrasting with the middle of the shield as
seen in FIG. 1, an arm retaining structure with encircling
band and handgrip; and a piston with piston driving structure
adjacent to the upper side of the arm retaining structure.

The broken lines are included for the purpose of illustrating
portions of the shield that form no part of the claimed design.
