(57) **CLAIM**

The ornamental design for a lens for light emitting diode, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a lens for light emitting diode showing the new design.

FIG. 2 is a rear view thereof.

FIG. 3 is a right side view thereof, wherein the left side view being a mirror image of the right side view.

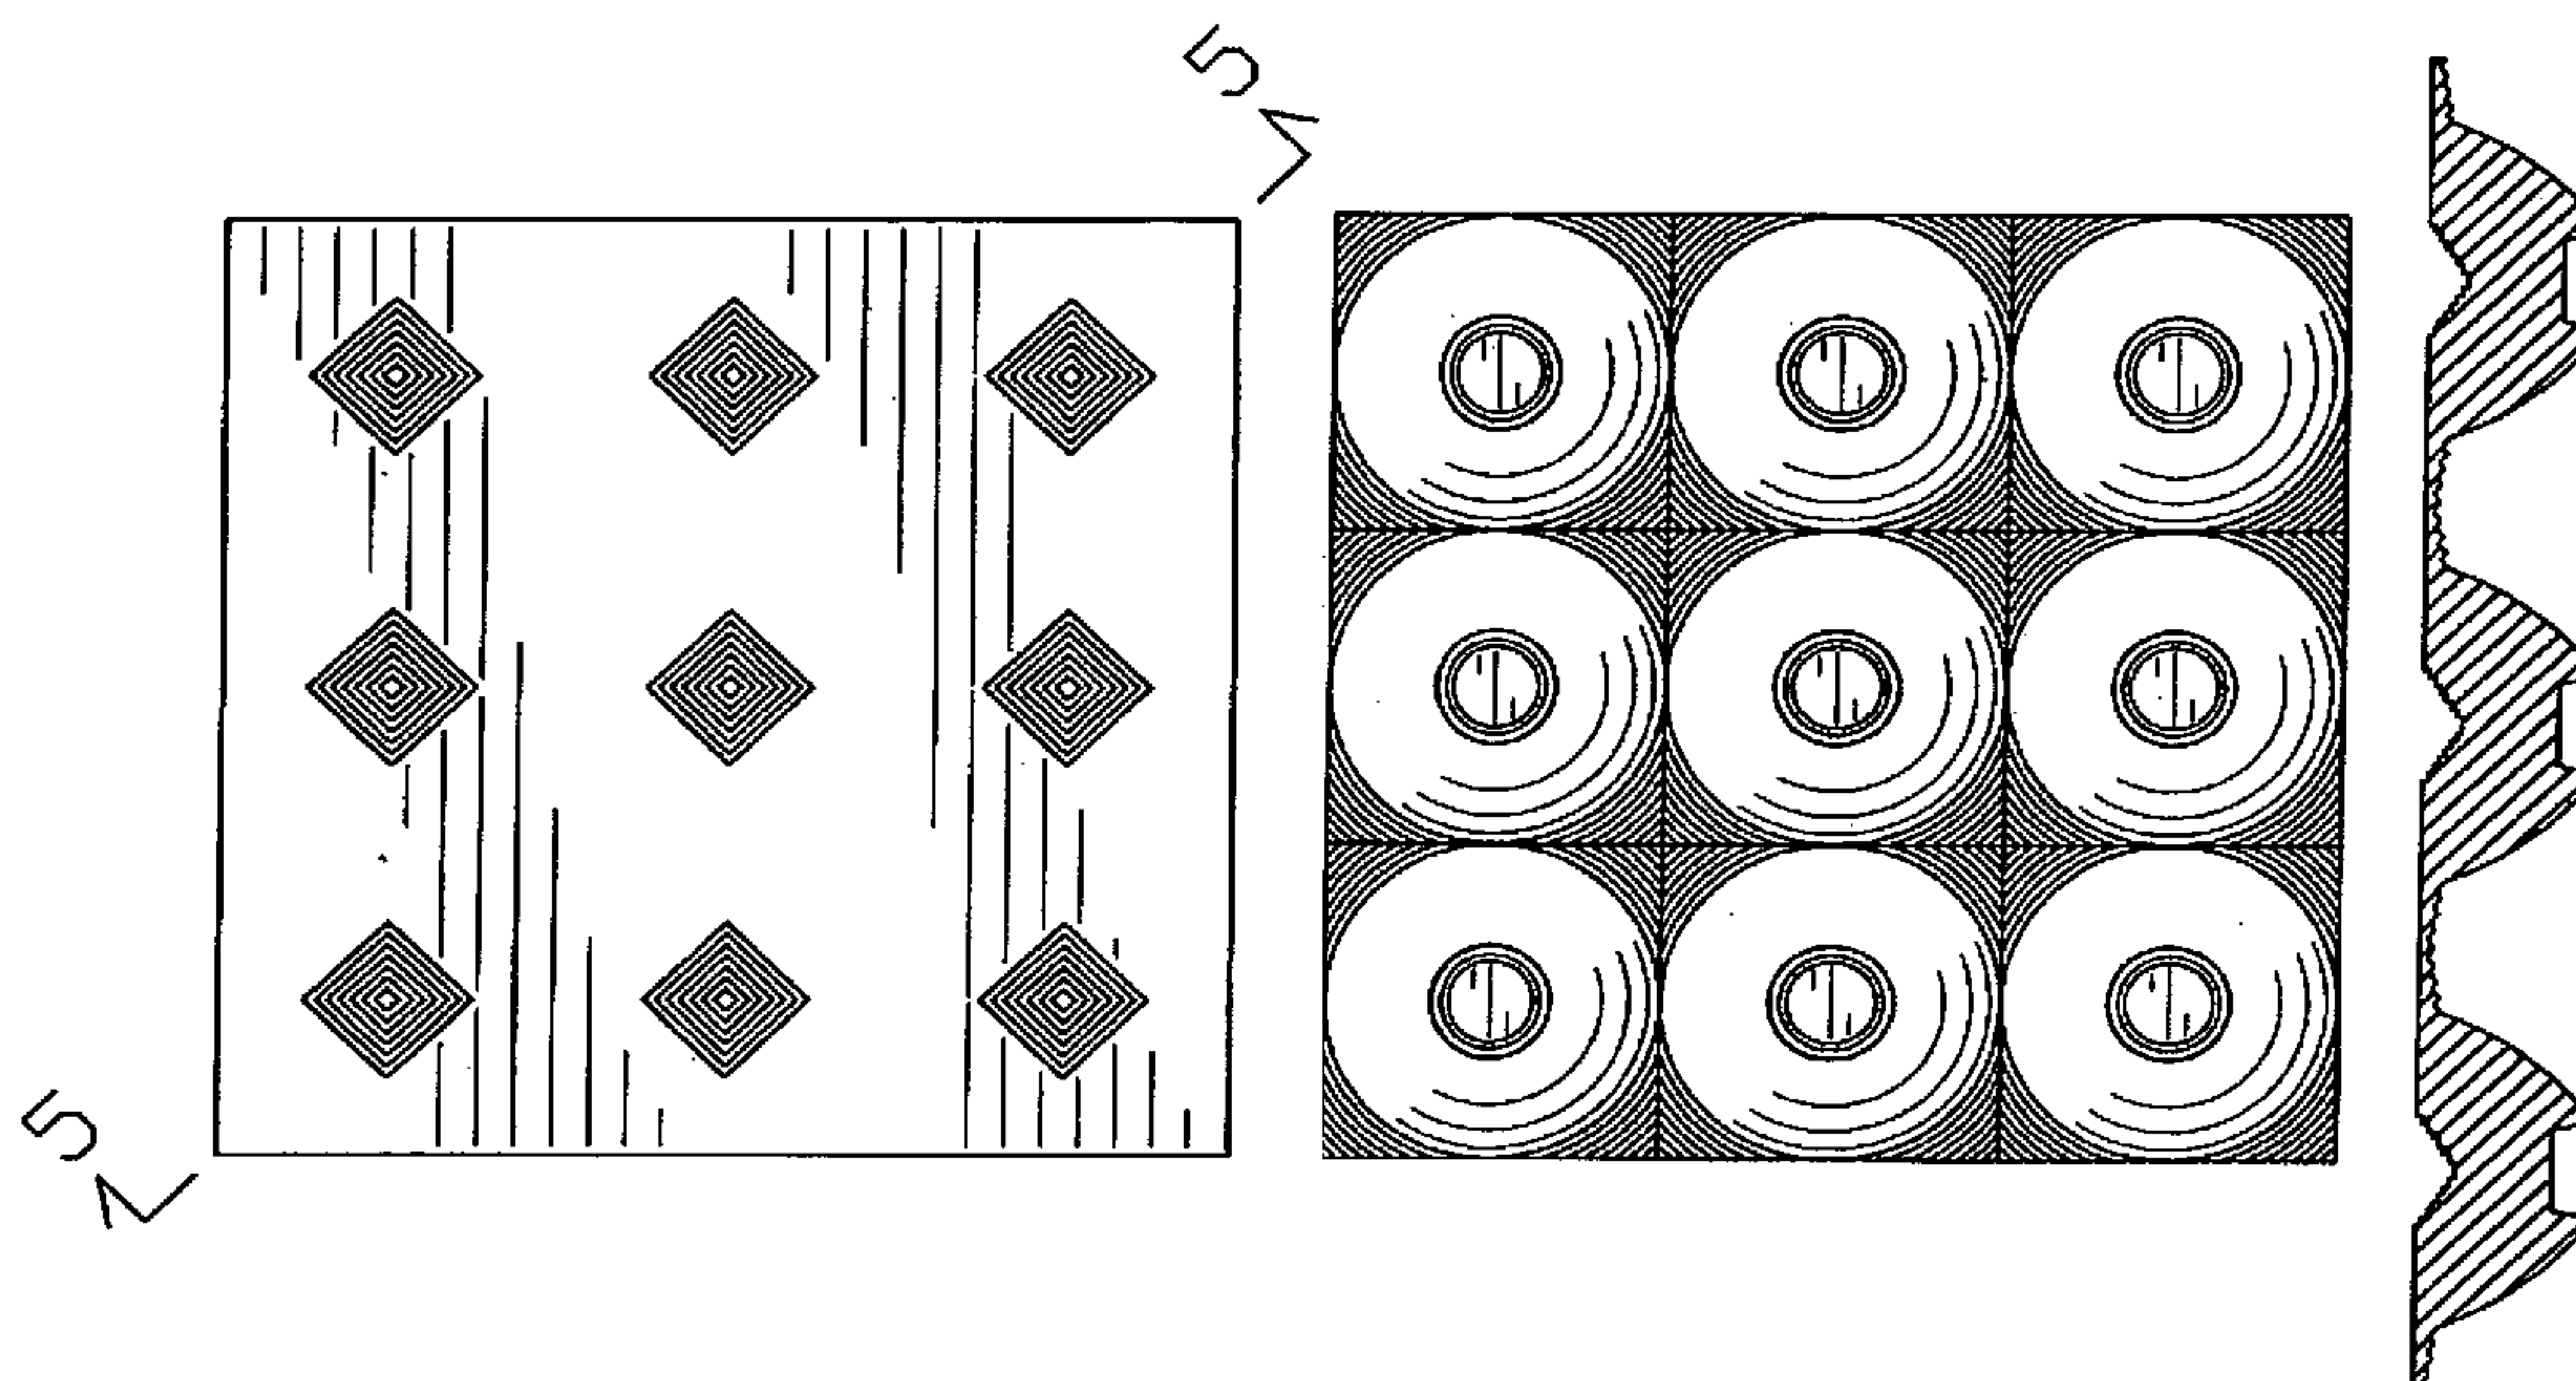

FIG. 4 is a top plan view thereof, wherein the bottom plan view being a mirror image of the top plan view.

FIG. 5 is an enlarged end elevational view in section taken along line 5—5 in FIG. 1; and,

FIG. 6 is a reference view thereof when the design, lens for light emitting diode, is disposed on light emitting diodes, wherein the portions shown with broken lines are light emitting diodes.

The broken lines shown in the drawings form no part of the claimed design.
