(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

DESCRIPTION

The FIGURE is a front view of a user interface for a portion of a display screen showing our new design.

The broken line drawing of a circle and the right edge are for illustrative purposes only and form no part of the claimed design. The area within the broken line circle is not part of the claimed design. The broken line showing of the display screen is for illustrative purposes only and forms no part of the claimed design.
