(57) **CLAIM**

I claim the ornamental design for a combined handheld vacuum and base, as shown and described.

DESCRIPTION

FIG. 1 is a front isometric view of a combined handheld vacuum and base showing the claimed design.

FIG. 2 is a front elevational view of the combined handheld vacuum and base.

FIG. 3 is a rear elevational view of the combined handheld vacuum and base.

FIG. 4 is a right elevational view of the combined handheld vacuum and base, the left elevational view being a mirror image of the right elevational view.

FIG. 5 is a top plan view of the combined handheld vacuum and base; and,

FIG. 6 is a bottom plan view of the combined handheld vacuum and base.

The details shown in broken lines form no part of the claimed design.
