DESCRIPTION

FIG. 1 is a top plan view of an extruder plate for generally triangular shaped extruder inserts showing my new design; and,

FIG. 2 is a cross-sectional view along line 2—2 of FIG. 1. The broken line showing of the extruder plate for generally triangular shaped extruder inserts is included for the purpose of illustrating portions of the extruder plate for generally triangular shaped extruder inserts and forms no part of the claimed design. The broken diagonal lines indicate the section portion.
