The ornamental design for a sectional overhead door, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a sectional overhead door according to our new design; and,

FIG. 2 is a front elevation view of a sectional overhead door comprising the design of FIG. 1 and showing an additional door portion in broken lines.

The views of the sectional overhead door not shown form no part of the claimed design.

The broken lines depicting various ornamental and functional elements of the door and door sections represent environmental elements only and form no part of the claimed design.
