(57) **CLAIM**

The ornamental design for a utility lighter, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the utility lighter according to the present invention;

FIG. 2 is a front elevation view of the utility lighter according to the present invention;

FIG. 3 is a right side elevation view of the utility lighter according to the present invention;

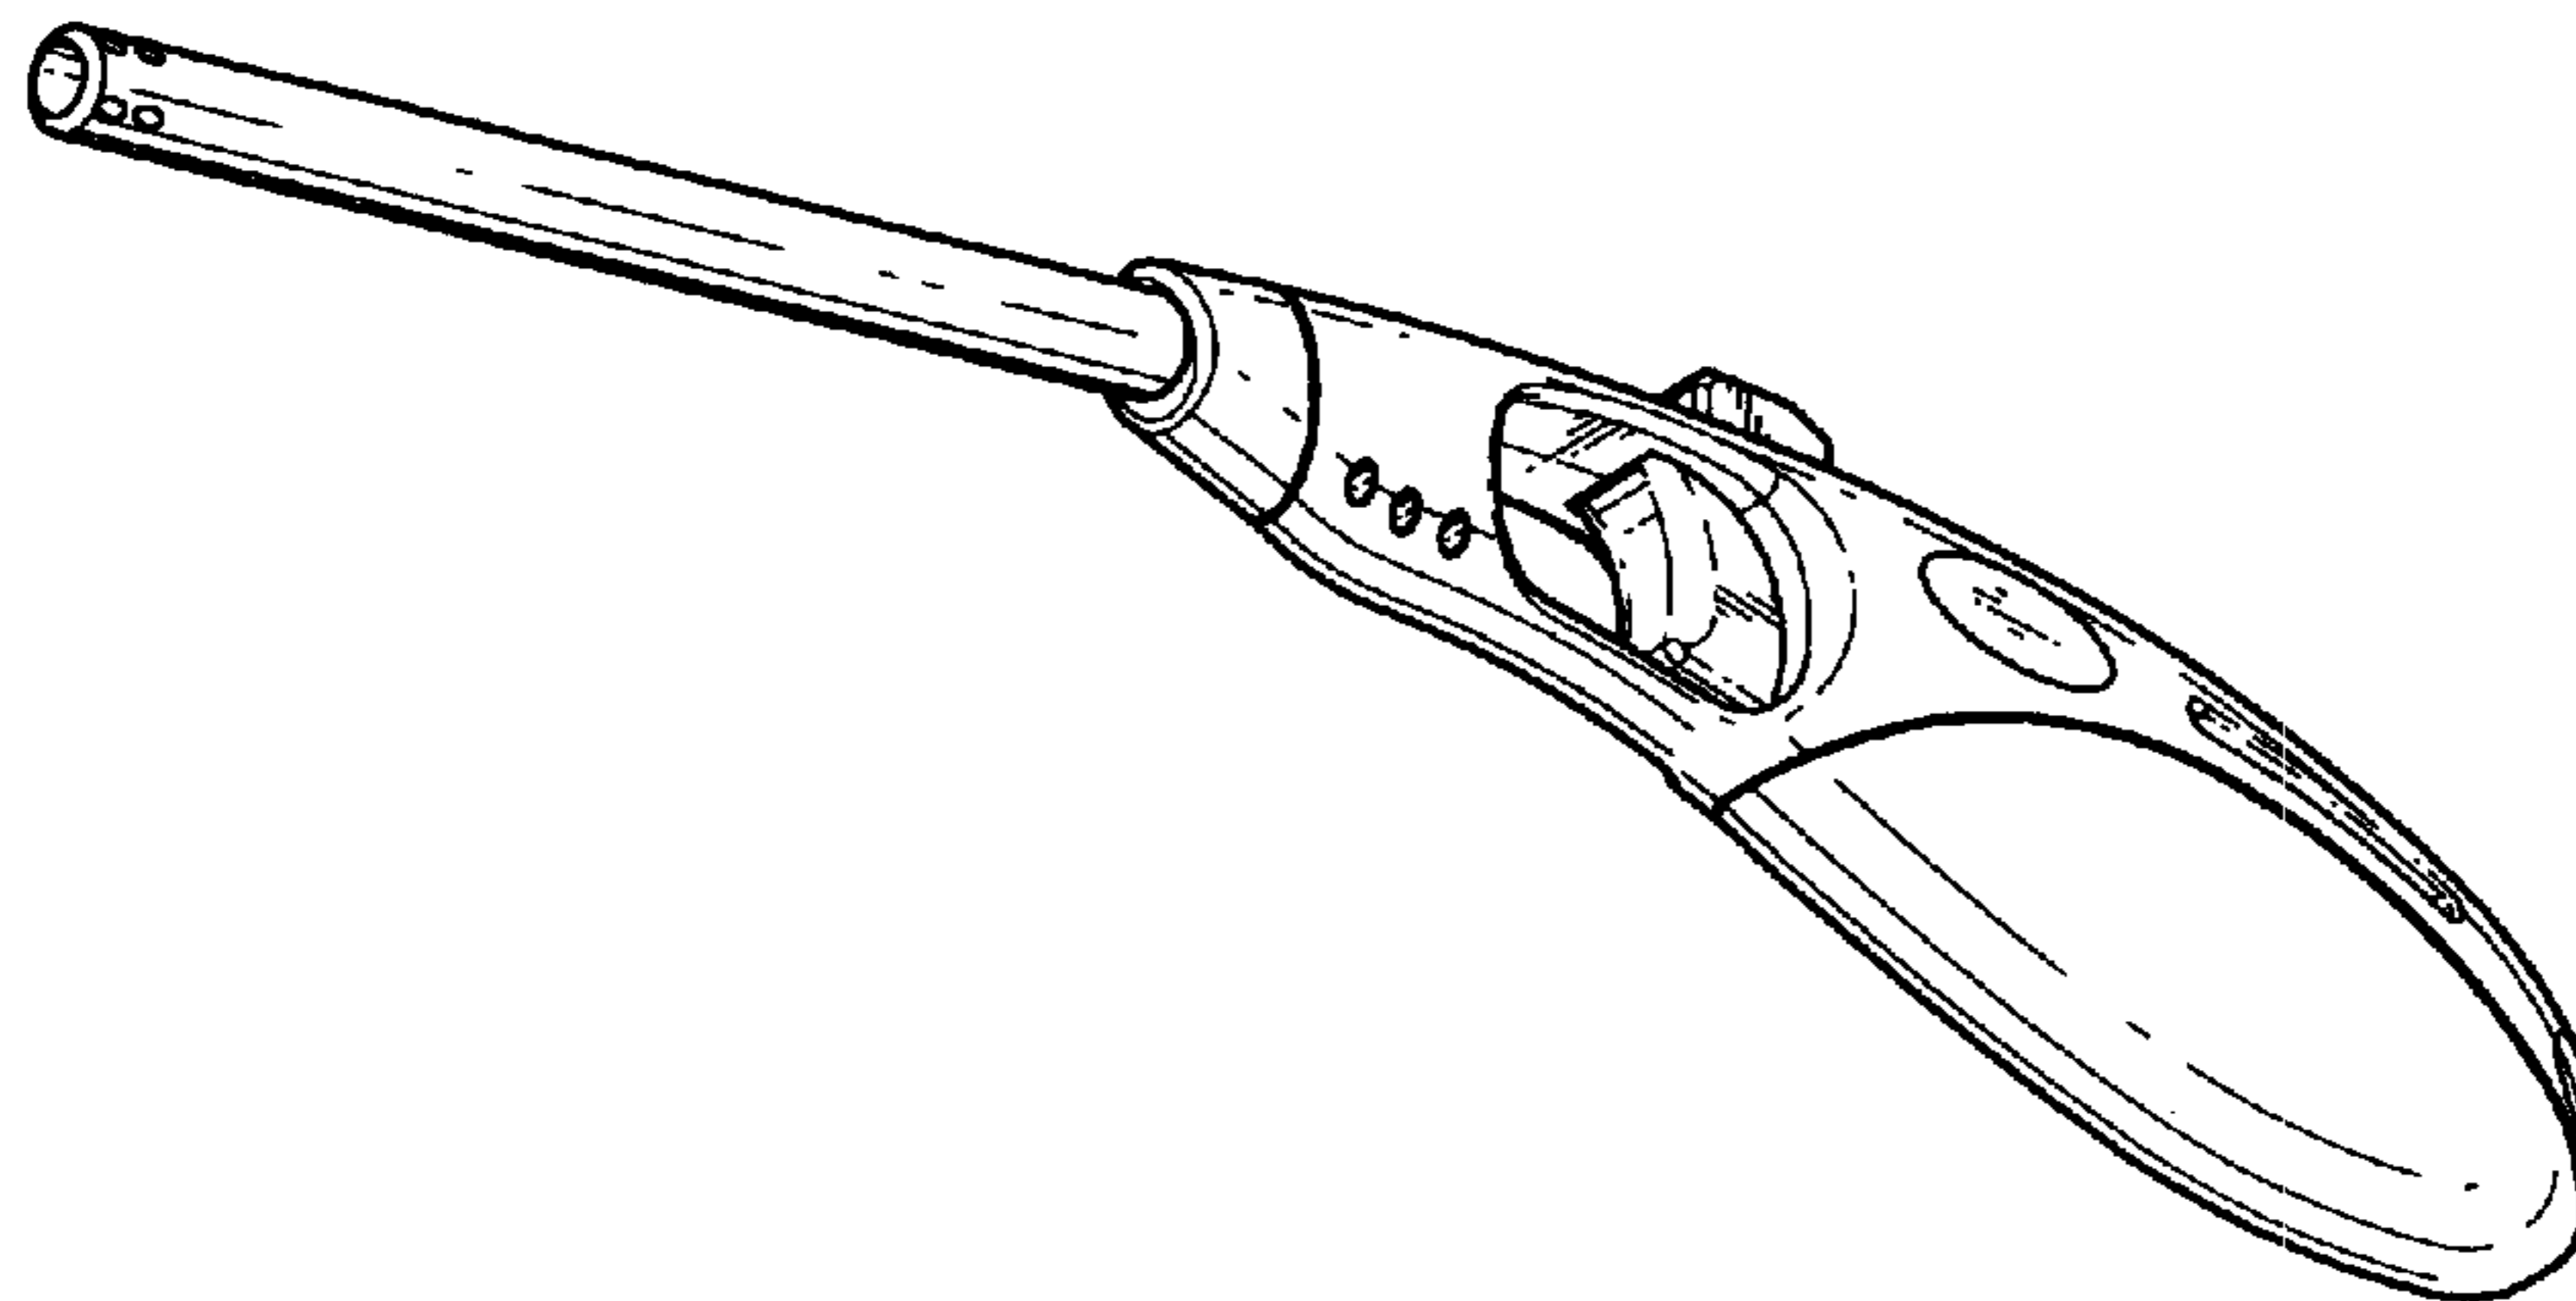

FIG. 4 is a back side elevation view of the utility lighter according to the present invention;

FIG. 5 is a left elevation view of the utility lighter according to the present invention;

FIG. 6 is a top plan view of the utility lighter according to the present invention; and,

FIG. 7 is a bottom plan view of the utility lighter according to the present invention.
