(57) **CLAIM**

I claim, the ornamental design for a combined neon tube clip and retainer cap, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the combined neon tube clip with the retainer cap

FIG. 2 is a front view of the combined neon tube clip in an alternate position of use with the retainer cap removed.

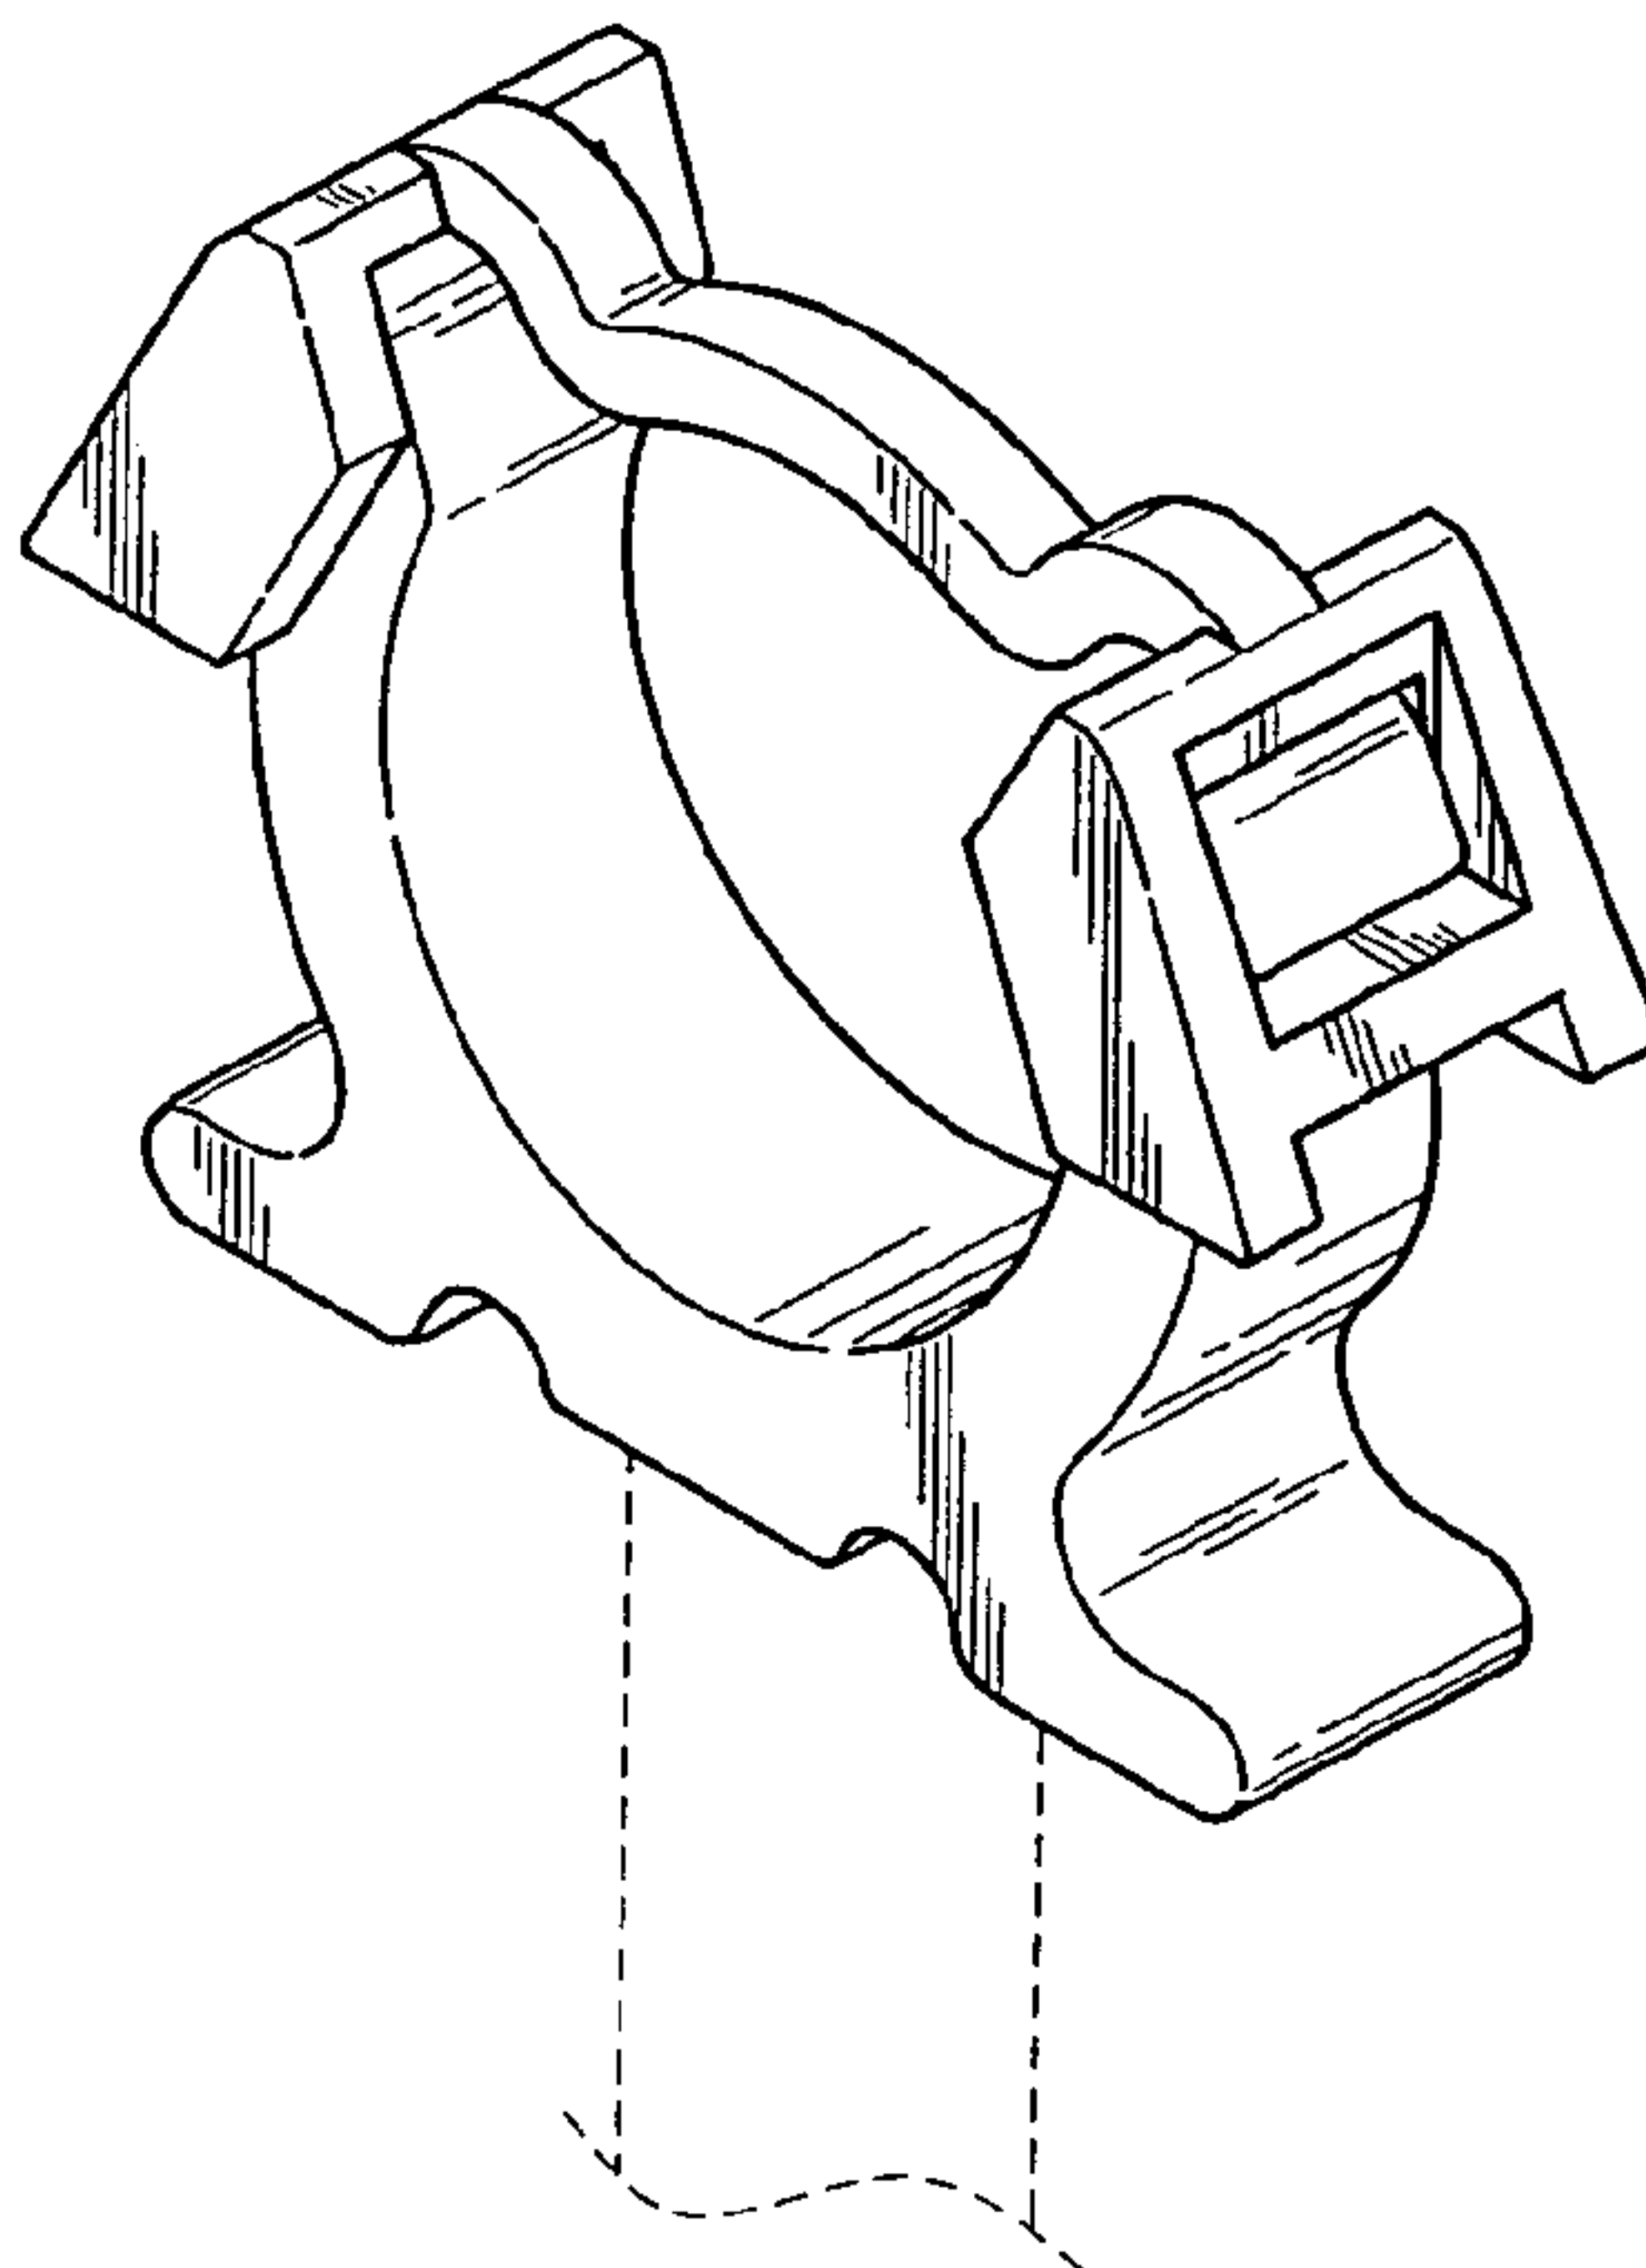

FIG. 3 is a front view of the combined neon tube clip with the retainer cap.

FIG. 4 is a side view of the combined neon tube clip with the retainer cap; and,

FIG. 5 is a top view of the combined neon tube clip with the retainer cap.

In the drawings, the broken lines represent environmental structure forming no part of the claim.
