(57) **CLAIM**

I claim the ornamental design for a simulated center post for sectional garage doors, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of simulated center post according to the invention, shown incorporated into a three section garage door, which is shown in phantom;

FIG. 2 is an isolated front perspective view of the simulated center post shown in FIG. 1;

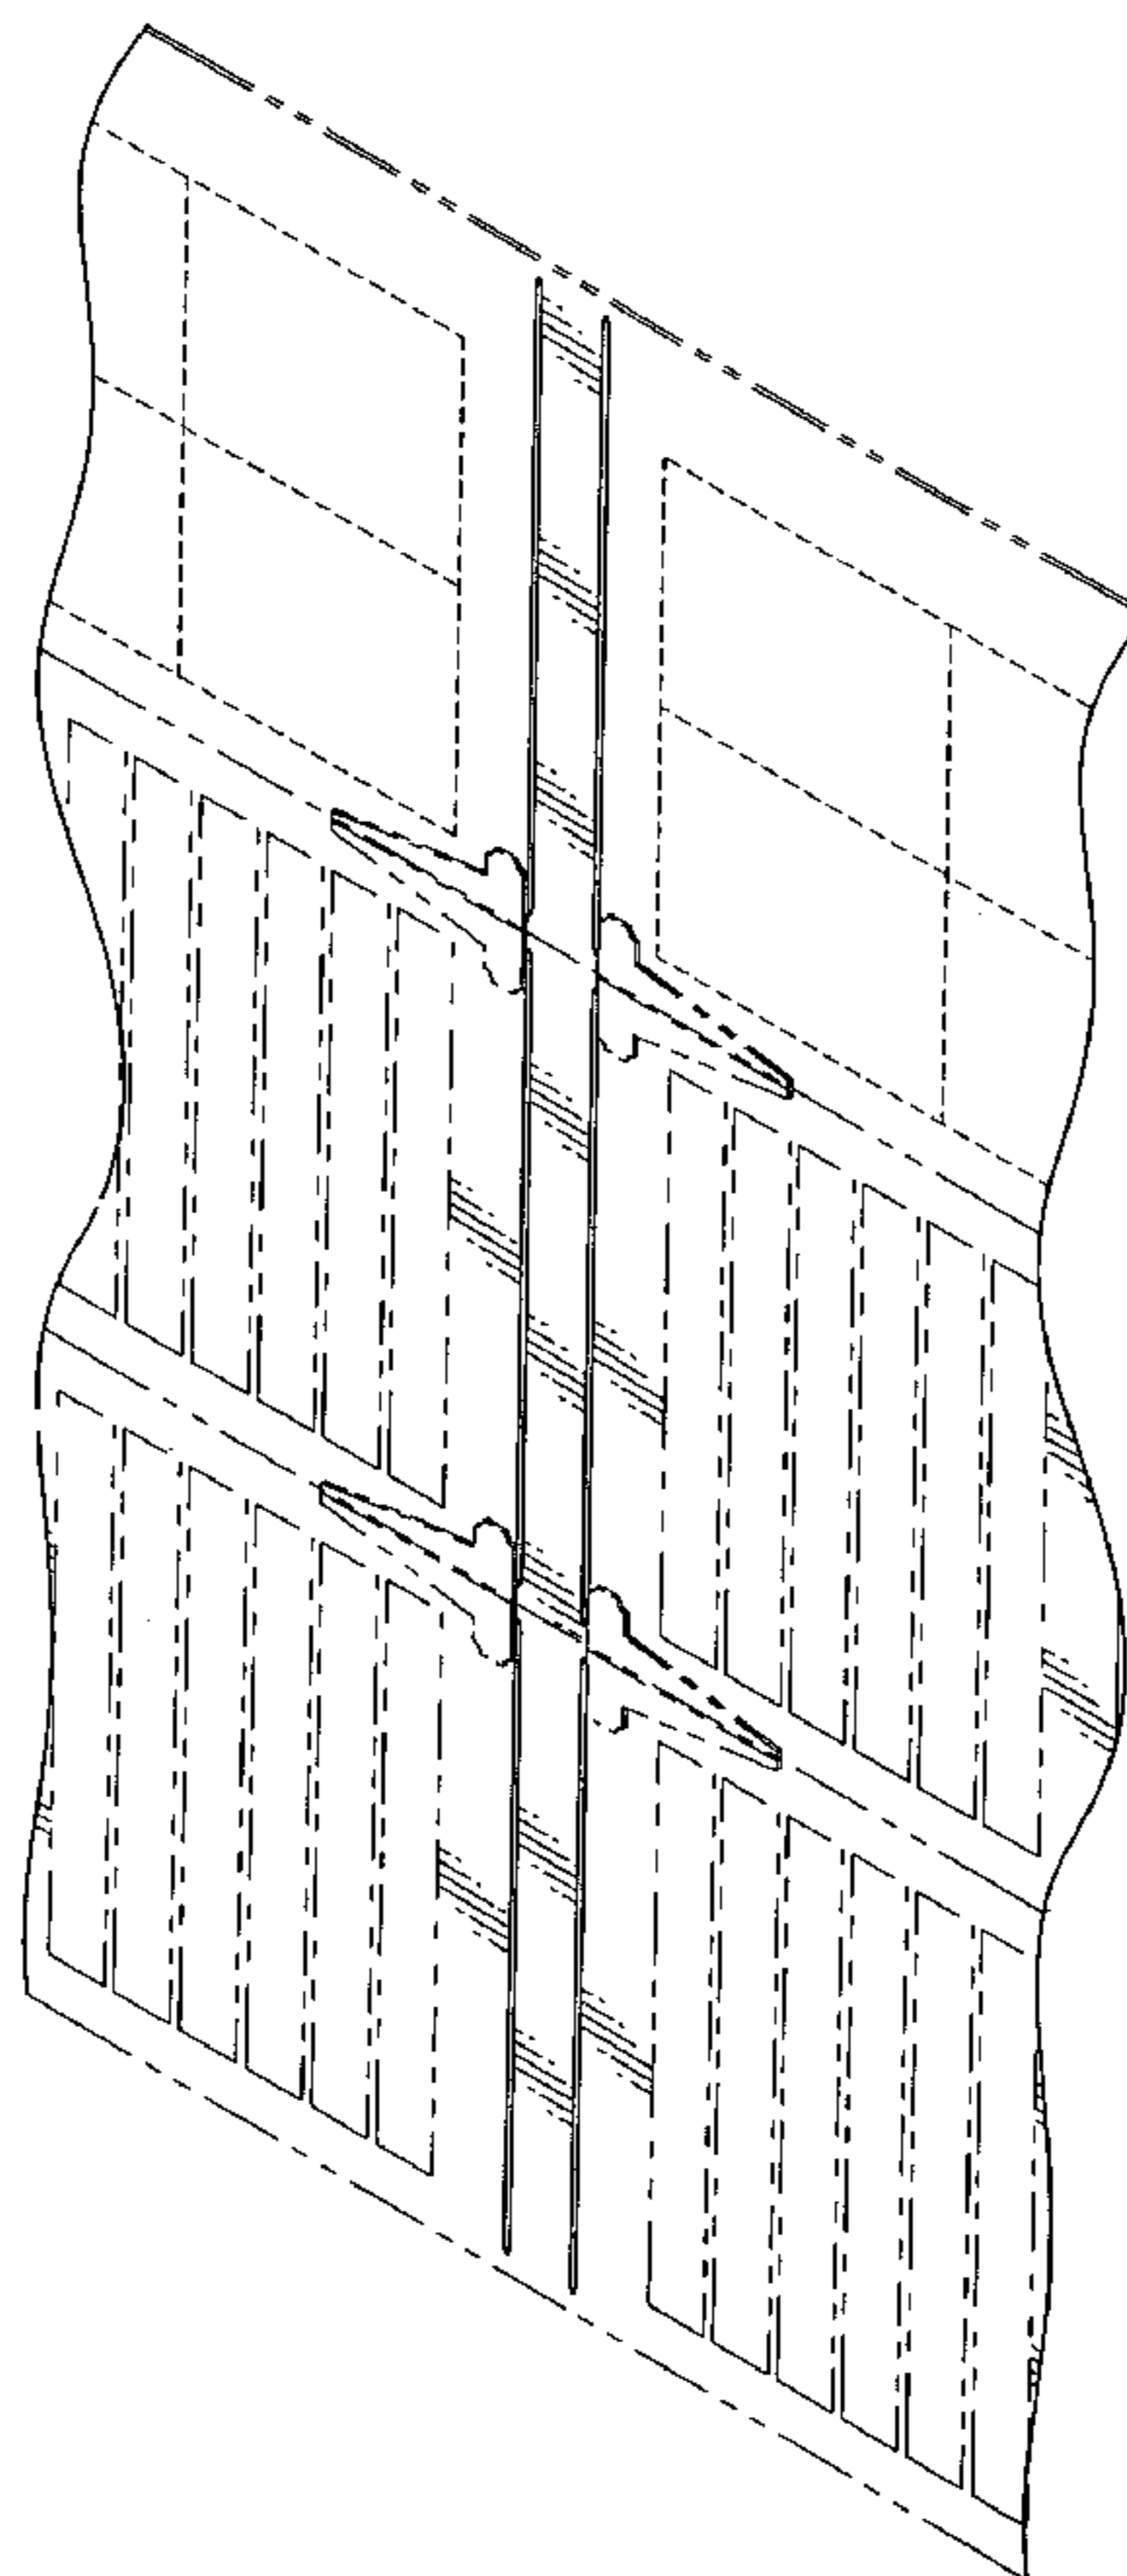

FIG. 3 is a detailed perspective view of an upper portion of the simulated center post shown in FIG. 1;

FIG. 4 is a front elevation view of the of the simulated center post shown in FIG. 1; and,

FIG. 5 is a sectional view of the simulated center post shown in FIG. 1 taken substantially along the line 5—5 in FIG. 4.

The broken lines depicting garage door sections, and the various components thereof, represent environmental elements only, and form no part of the claimed design.
