(57) **CLAIM**

The ornamental design for a top portion of a mouse, as shown and described.

DESCRIPTION

FIG. 1 is a right side elevation view of a first embodiment of a top portion of a mouse;

FIG. 2 is a left side elevation view thereof;

FIG. 3 is a top perspective view thereof;

FIG. 4 is a top plan view thereof;

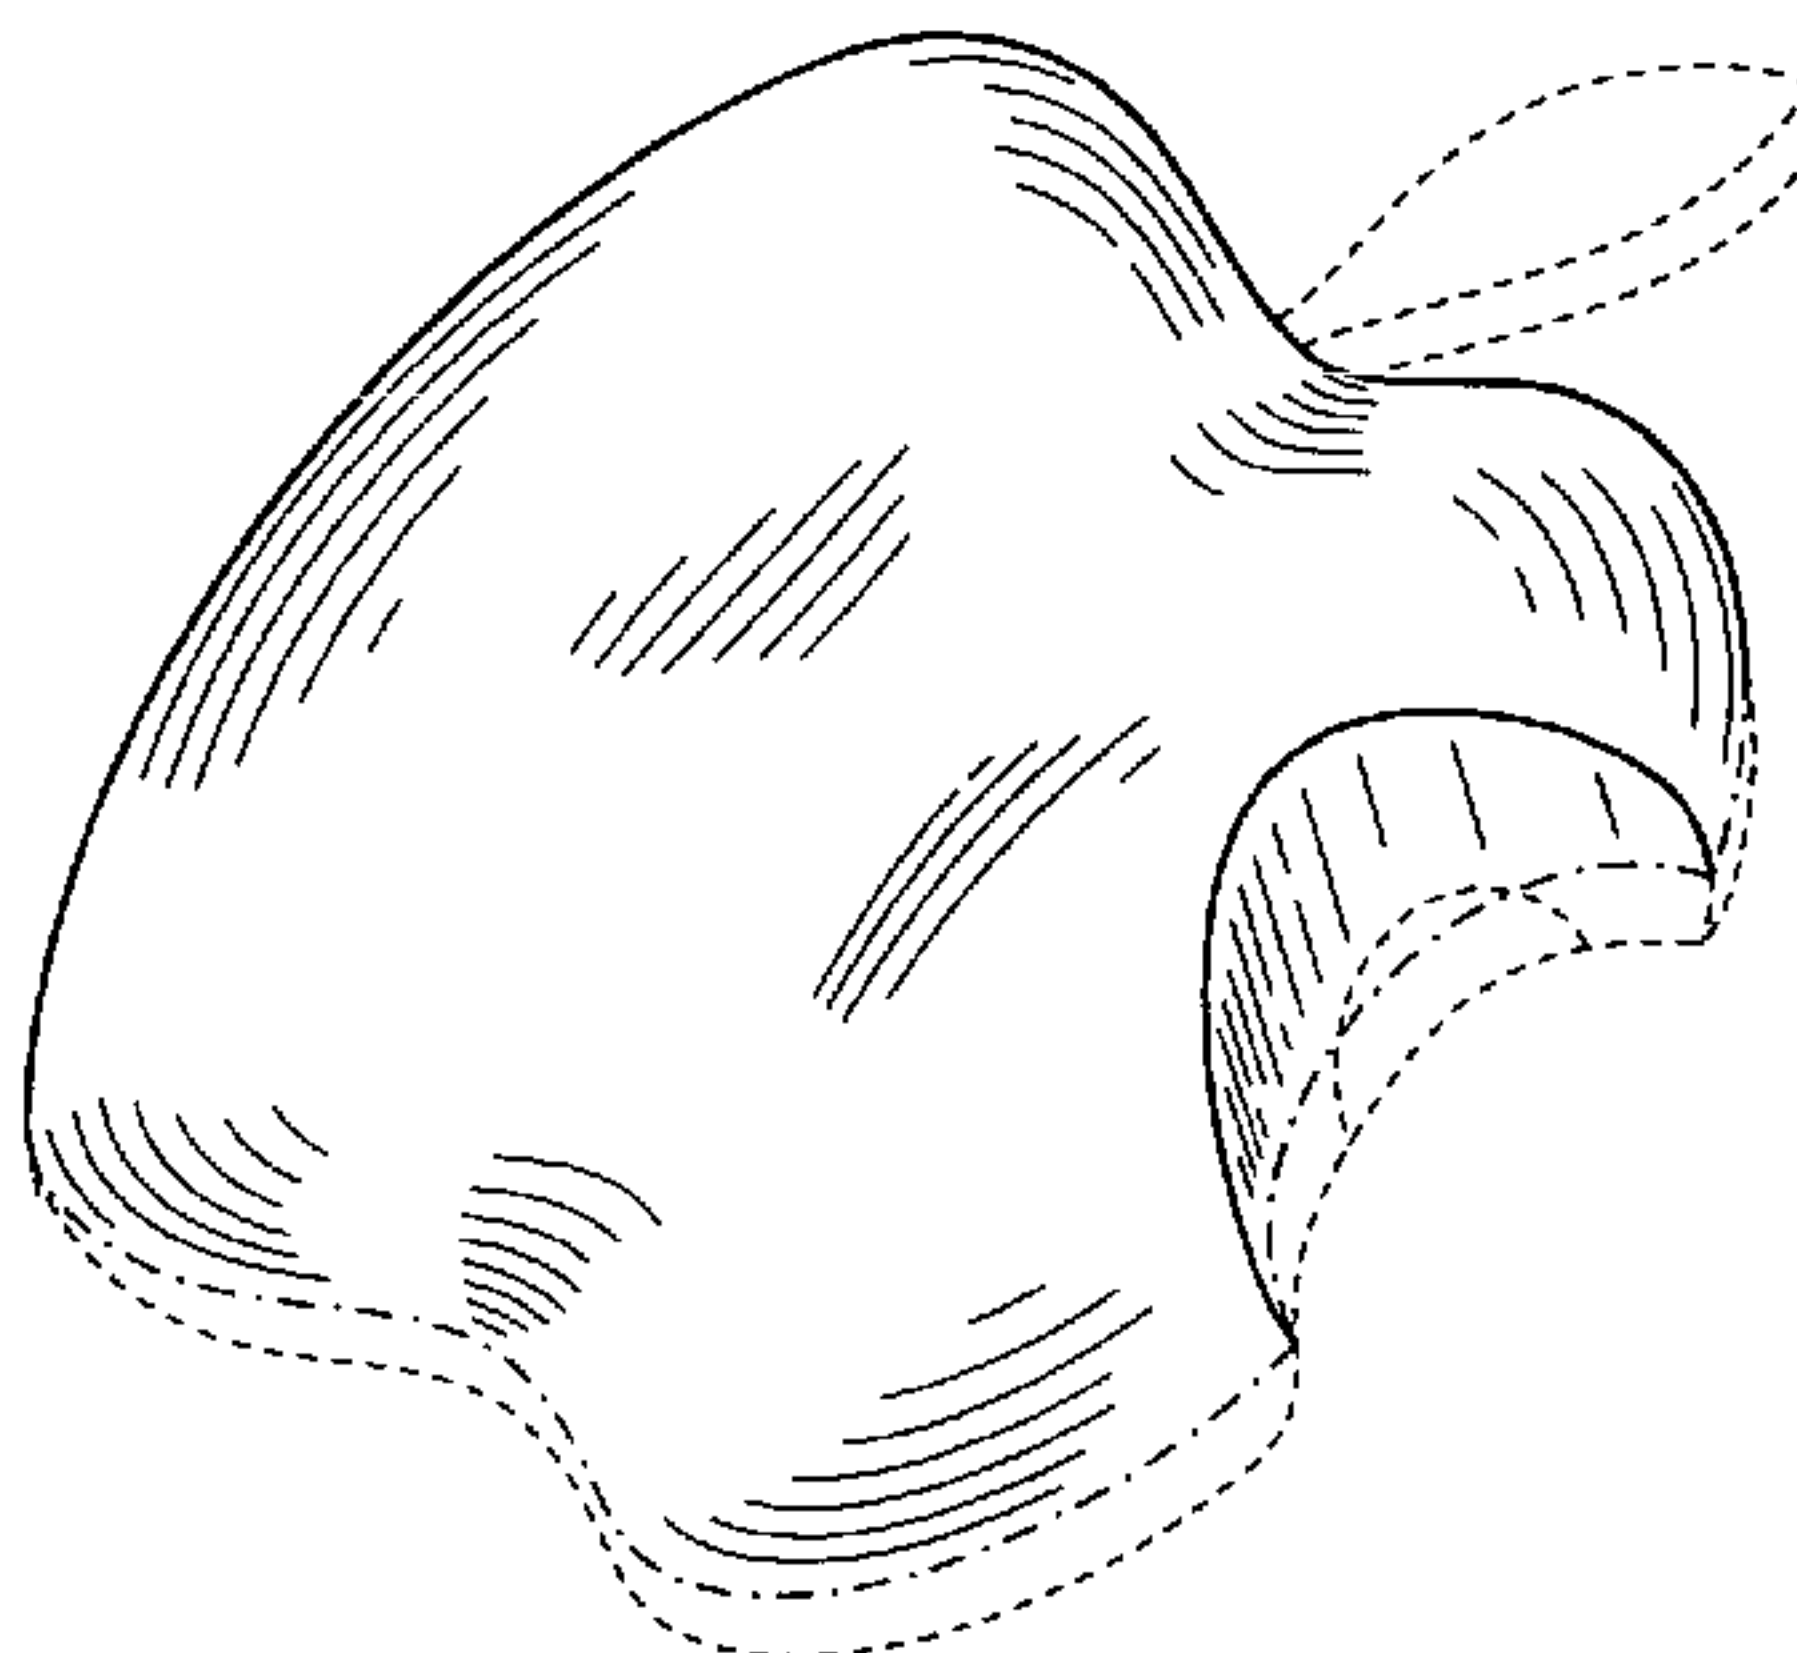

FIG. 5 is a left side elevational view thereof;

FIG. 6 is a right side elevational view thereof; and,

FIG. 7 is top plan view of a second embodiment of a top portion of a mouse.

The even broken lines in the drawings represent environmental structure only and form no part of the claimed design. The dot-dash broken lines define the boundaries but form no part of the claimed design. The apple shape as shown in FIGS. 3 and 4 and forming part of the claimed design is a registered trademark of Apple Computer, Inc. The design for the top portion of a mouse could be applied to either a "wireless" or "wired" mouse.
