DESCRIPTION

FIG. 1 is a front perspective view of the personal power misting fan of the present invention;

FIG. 2 is a rear perspective view of the personal power misting fan;

FIG. 3 is a side elevational view of the personal power misting fan;

FIG. 4 is a side elevational view of the opposed side of the personal power misting fan;

FIG. 5 is a front elevational view of the personal power misting fan;

FIG. 6 is a rear elevational view of the personal power misting fan;

FIG. 7 is an enlarged top view of the personal power misting fan; and,

FIG. 8 is an enlarged bottom view of the personal power misting fan of the present invention.
