(57) **CLAIM**

The ornamental design for electrical sensor conductor pattern, as shown and described.

DESCRIPTION

FIG. 1 is a top isometric view showing my new ornamental design for an electrical sensor conductor pattern, with dash-double-dot lines present to illustrate one environmental setting.

FIG. 2 is a top plan view thereof, the bottom plan view being identical, and with dash-double-dot, representative environmental-setting lines also included; and,

FIG. 3 is a single-side elevation of our new design, all side elevations thereof being identical.
