(57) **CLAIM**

The new ornamental design for jacket, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a jacket showing my new design; and,

FIG. 2 is another front perspective view thereof, showing pants within the opened pocket.

The broken lines are for illustrative purposes only and form no part of the claimed design.

The jacket of the present invention is characterized by a standard jacket having an inner pocket enclosing all-weather pants.
