(57) **CLAIM**

The ornamental design for a tooth for a cutter, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a tooth for a cutter according to my design;

FIG. 2 is a reverse perspective view thereof;

FIG. 3 is a front view thereof;

FIG. 4 is a rear view thereof; and,

FIG. 5 is a bottom view thereof.

Where included, broken lines showing environment or structure are for illustrative purposes only and form no part of the claimed design. Where included, dotted lines represent the border between claimed and non-claimed subject matter and form no part of the claimed design.
