(57) **CLAIM**

The ornamental design for a cutting disc, as shown and described.

DESCRIPTION

FIG. 1 illustrates a front view of a cutting disc according to the present disclosure.

FIG. 2 illustrates a side view of the cutting disc according to the present disclosure, the opposite side, top, and bottom views being identical.

FIG. 3 is a back view of the cutting disc according to the present disclosure.

FIG. 4 is a perspective view of the cutting disc according to the present disclosure.

FIG. 5 is another perspective view of the cutting disc according to the present disclosure; and,

FIG. 6 is an enlarged view of the area encircled and labeled 6 in FIG. 5 to show a greater detail of the cutting disc according to the present disclosure.

The broken line circle labeled 6 in FIG. 5 and broken line perimeter of FIG. 6 are for illustrative purposes only and form no part of the claimed design.
