OTHER PUBLICATIONS

Amazon.com appears to be the publisher for the printed photograph enclosed. Applicant is unaware of the author's identity. Applicant is unaware of any title associated with the listed photograph, there appears to be only one relevant page of this publication. This publication was published on Oct. 26, 2006, and even though the publication date is listed in the lower right hand portion of the document as Oct. 26, 2006, applicant believes that there are other similar photographs of the subject flatware that have been published prior to the Oct. 26, 2006 date. The place of publication of the subject photograph is on the internet at amazon.com. Applicant is in possession of a actual piece of flatware, i.e., one of the illustrated forks, and because submission of this fork would be cumulative with the published photograph enclosed with this form, applicant will not be submitting the physical fork pursuant to 37 CFR 1.98(c).
