(57) **CLAIM**

The ornamental design for a earphone containment device, as shown and described.

**DESCRIPTION**

FIG. 1 is an isometric view of the earphone containment device, displaying the earphone containment device and how the earphones and earphone jack protrude from the device, which embodies my design;

FIG. 2 is a top view of the earphone containment device;

FIG. 3 is a front view of the earphone containment device;

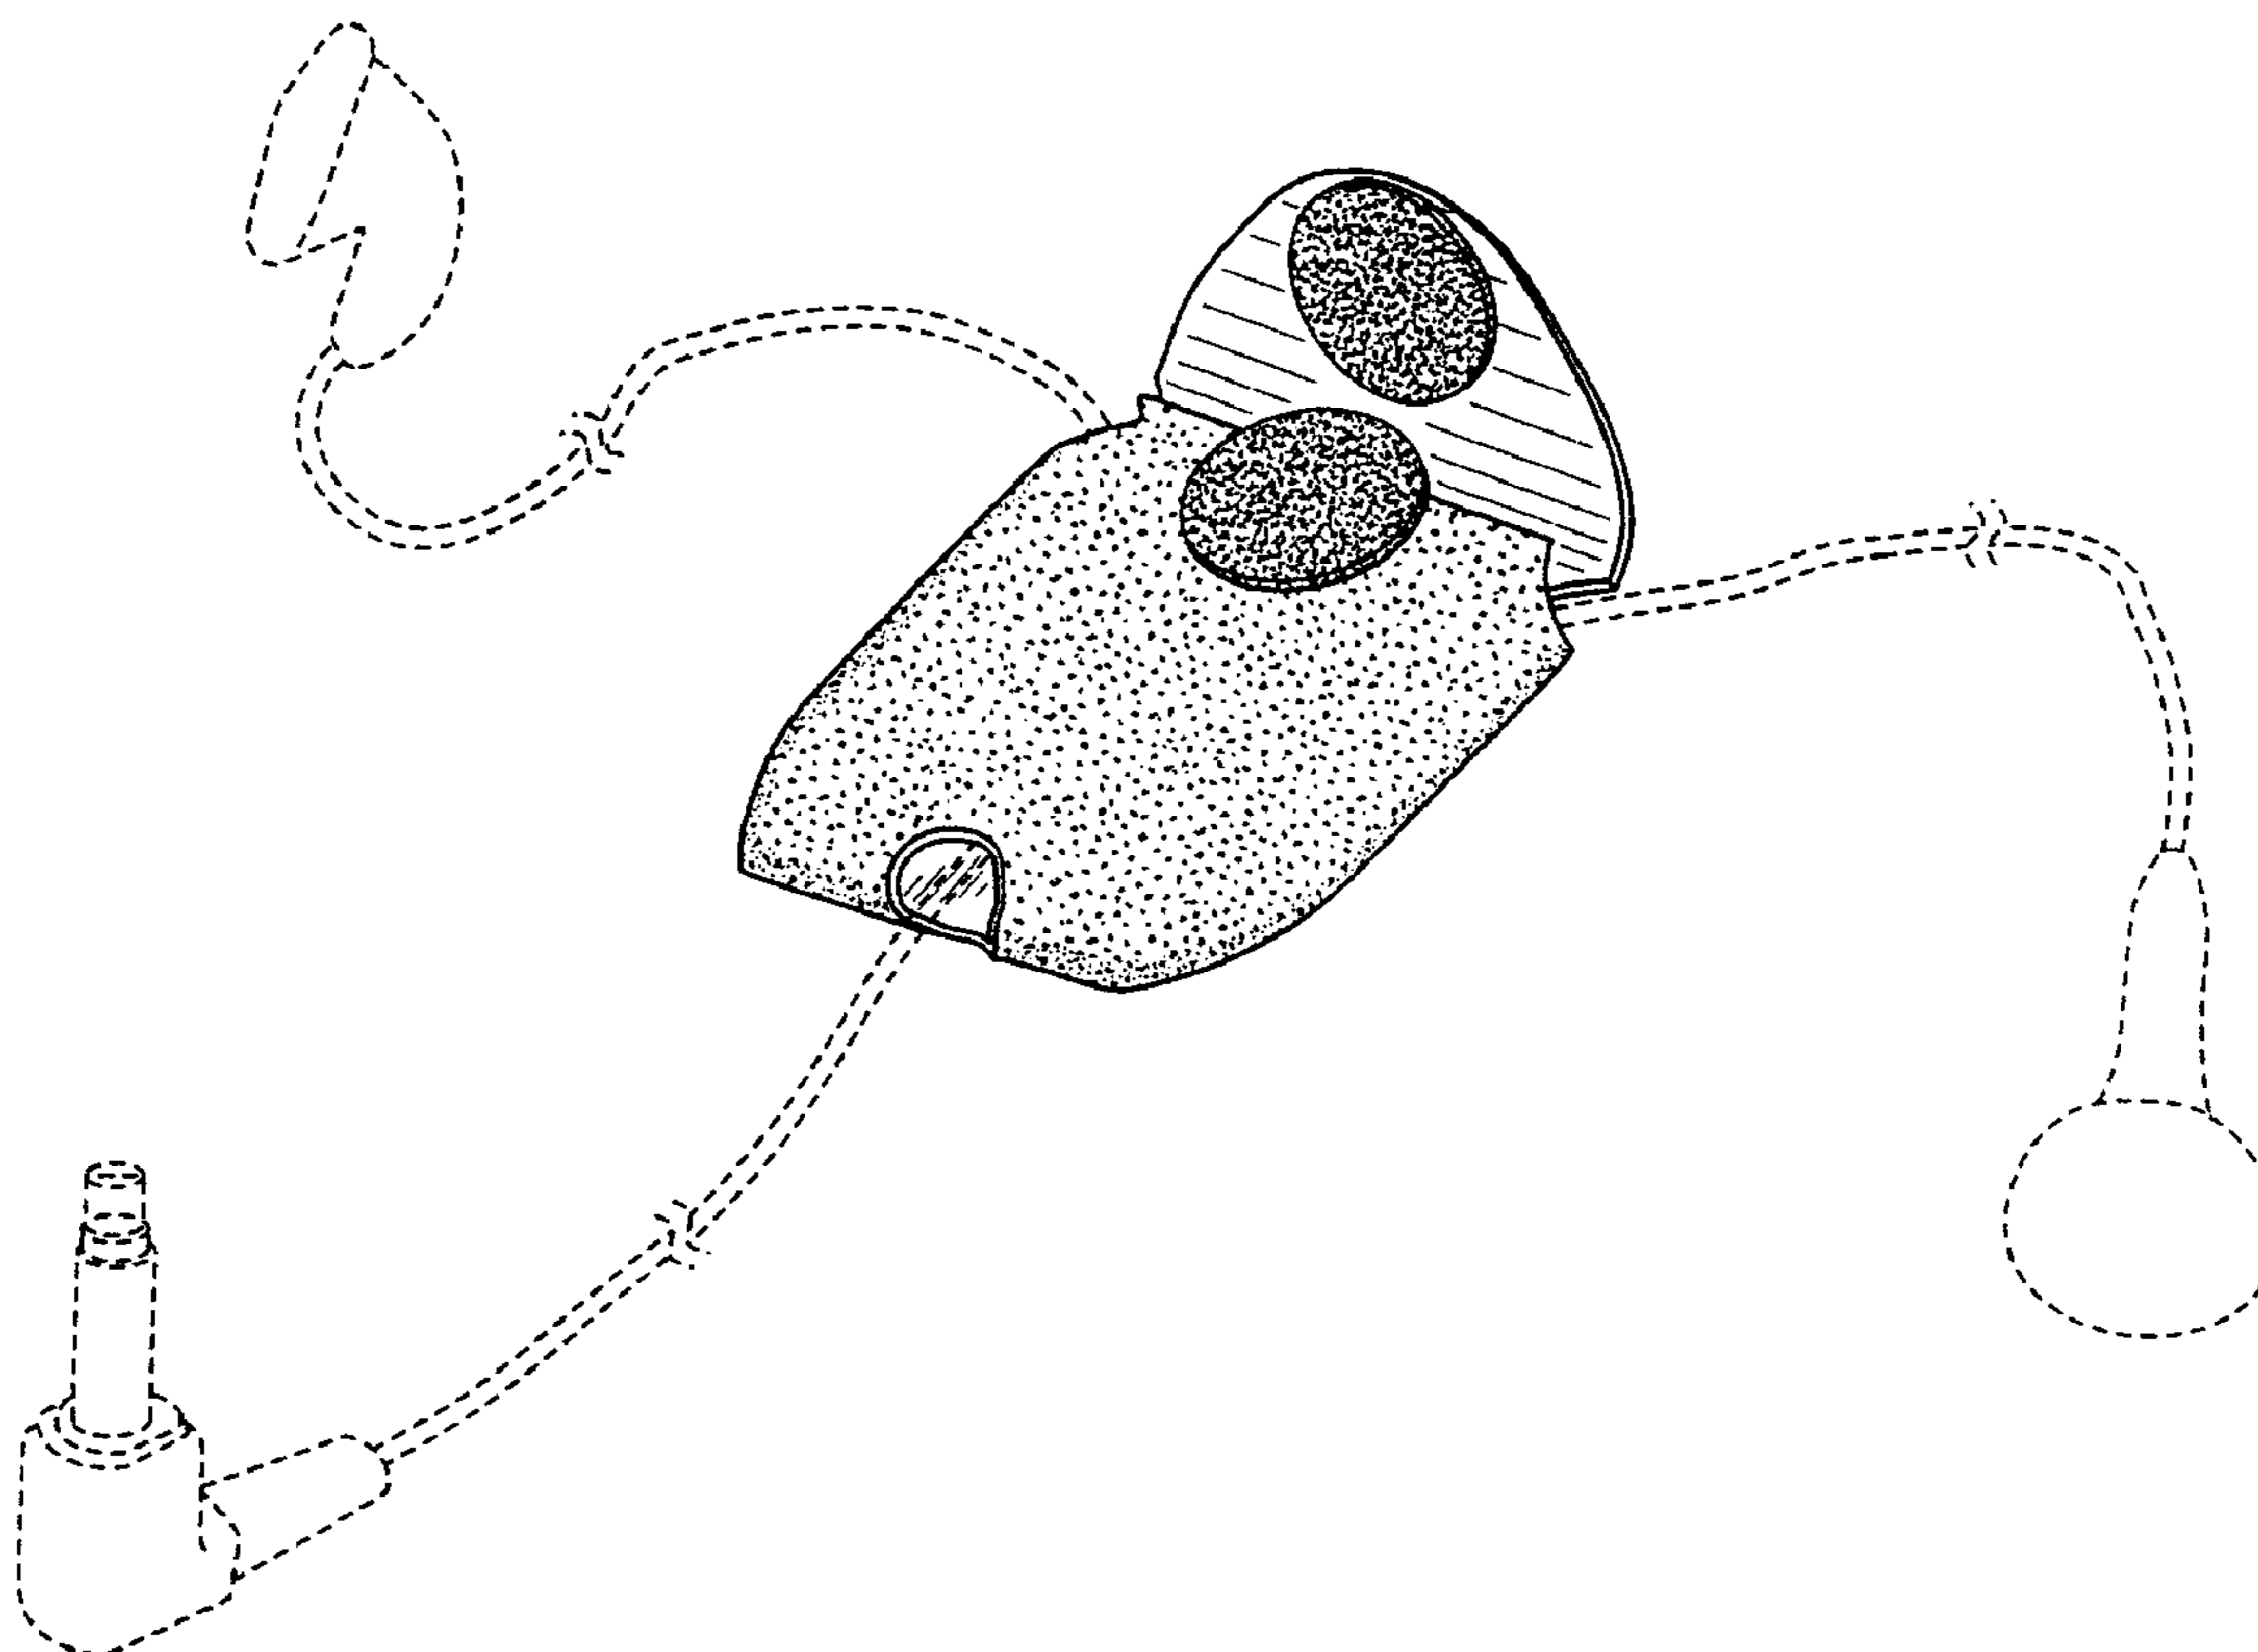

FIG. 4 is a side view of the earphone containment device; and,

FIG. 5 is a rear view of the earphone containment device; and,

FIG. 6 is a bottom view of the earphone containment device.

The broken line showing of environment in the drawings is included for the purpose of illustrating only and forms no part of the claimed design.
