(57) **CLAIM**

The ornamental design for a combined towel and container for camping purposes, as shown and described.

DESCRIPTION

FIG. 1 is top perspective view of the combined towel and container for camping purposes showing my new design;

FIG. 2. is bottom perspective view of the design of FIG. 1, showing the open pocket of the container portion;

FIG. 3 is an exploded bottom perspective view of the design of FIG. 1, showing the container detached from the towel;

FIG. 4 is bottom side perspective view of the design of the design FIG. 1, shown in an alternate filled and closed configuration with the pocket closed;

FIG. 5 is bottom side perspective view of the design of FIG. 1, shown in a second alternate filled and closed configuration with the pocket open;

FIG. 6 is a bottom perspective view of the design of FIG. 1, shown in a third alternate position with the container removed from the towel and the skirt closed and held behind the pocket;

FIG. 7 is top perspective view of the design of FIG. 1, shown in a fourth alternate position with the container removed from the towel and the skirt closed and held by the cord and toggle; and,

FIG. 8 is top perspective view of the design of FIG. 1 shown in a fifth alternate position with the towel stuffed into and held into the closed skirt.

In the drawings the broken lined represent stitching forming part of the claimed design.

The shading throughout the views are understood to be applied uniformly to the surfaces.
