(57) **CLAIM**

The ornamental design for a wine illuminator, as shown and described.

DESCRIPTION

FIG. 1 is a top perspective view of the wine illuminator, showing the present design;

FIG. 2 is a top plan view of the present design;

FIG. 3 is a right elevation view of the present design, the right elevation being essentially a mirror image thereof;

FIG. 4 is a rear elevation view of the present design;

FIG. 5 is a front elevation view of the present design;

FIG. 6 is an alternative right elevation view of the present design, the items in phantom being disclaimed from the design.

FIG. 7 is a top plan view of an alternative embodiment of the present design;

FIG. 8 is a right elevation view of an alternative embodiment of the present design, the right elevation being essentially a mirror image thereof;

FIG. 9 is a rear elevation view of an alternative embodiment of the present design;

FIG. 10 is a front elevation view of an alternative embodiment of the present design; and,

FIG. 11 is an alternative left elevation view of an alternative embodiment of the present design, the items in phantom being disclaimed from the design.
