(57) CLAIM

I claim the ornamental design for a fan blade bracket, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a fan blade bracket showing my new design;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

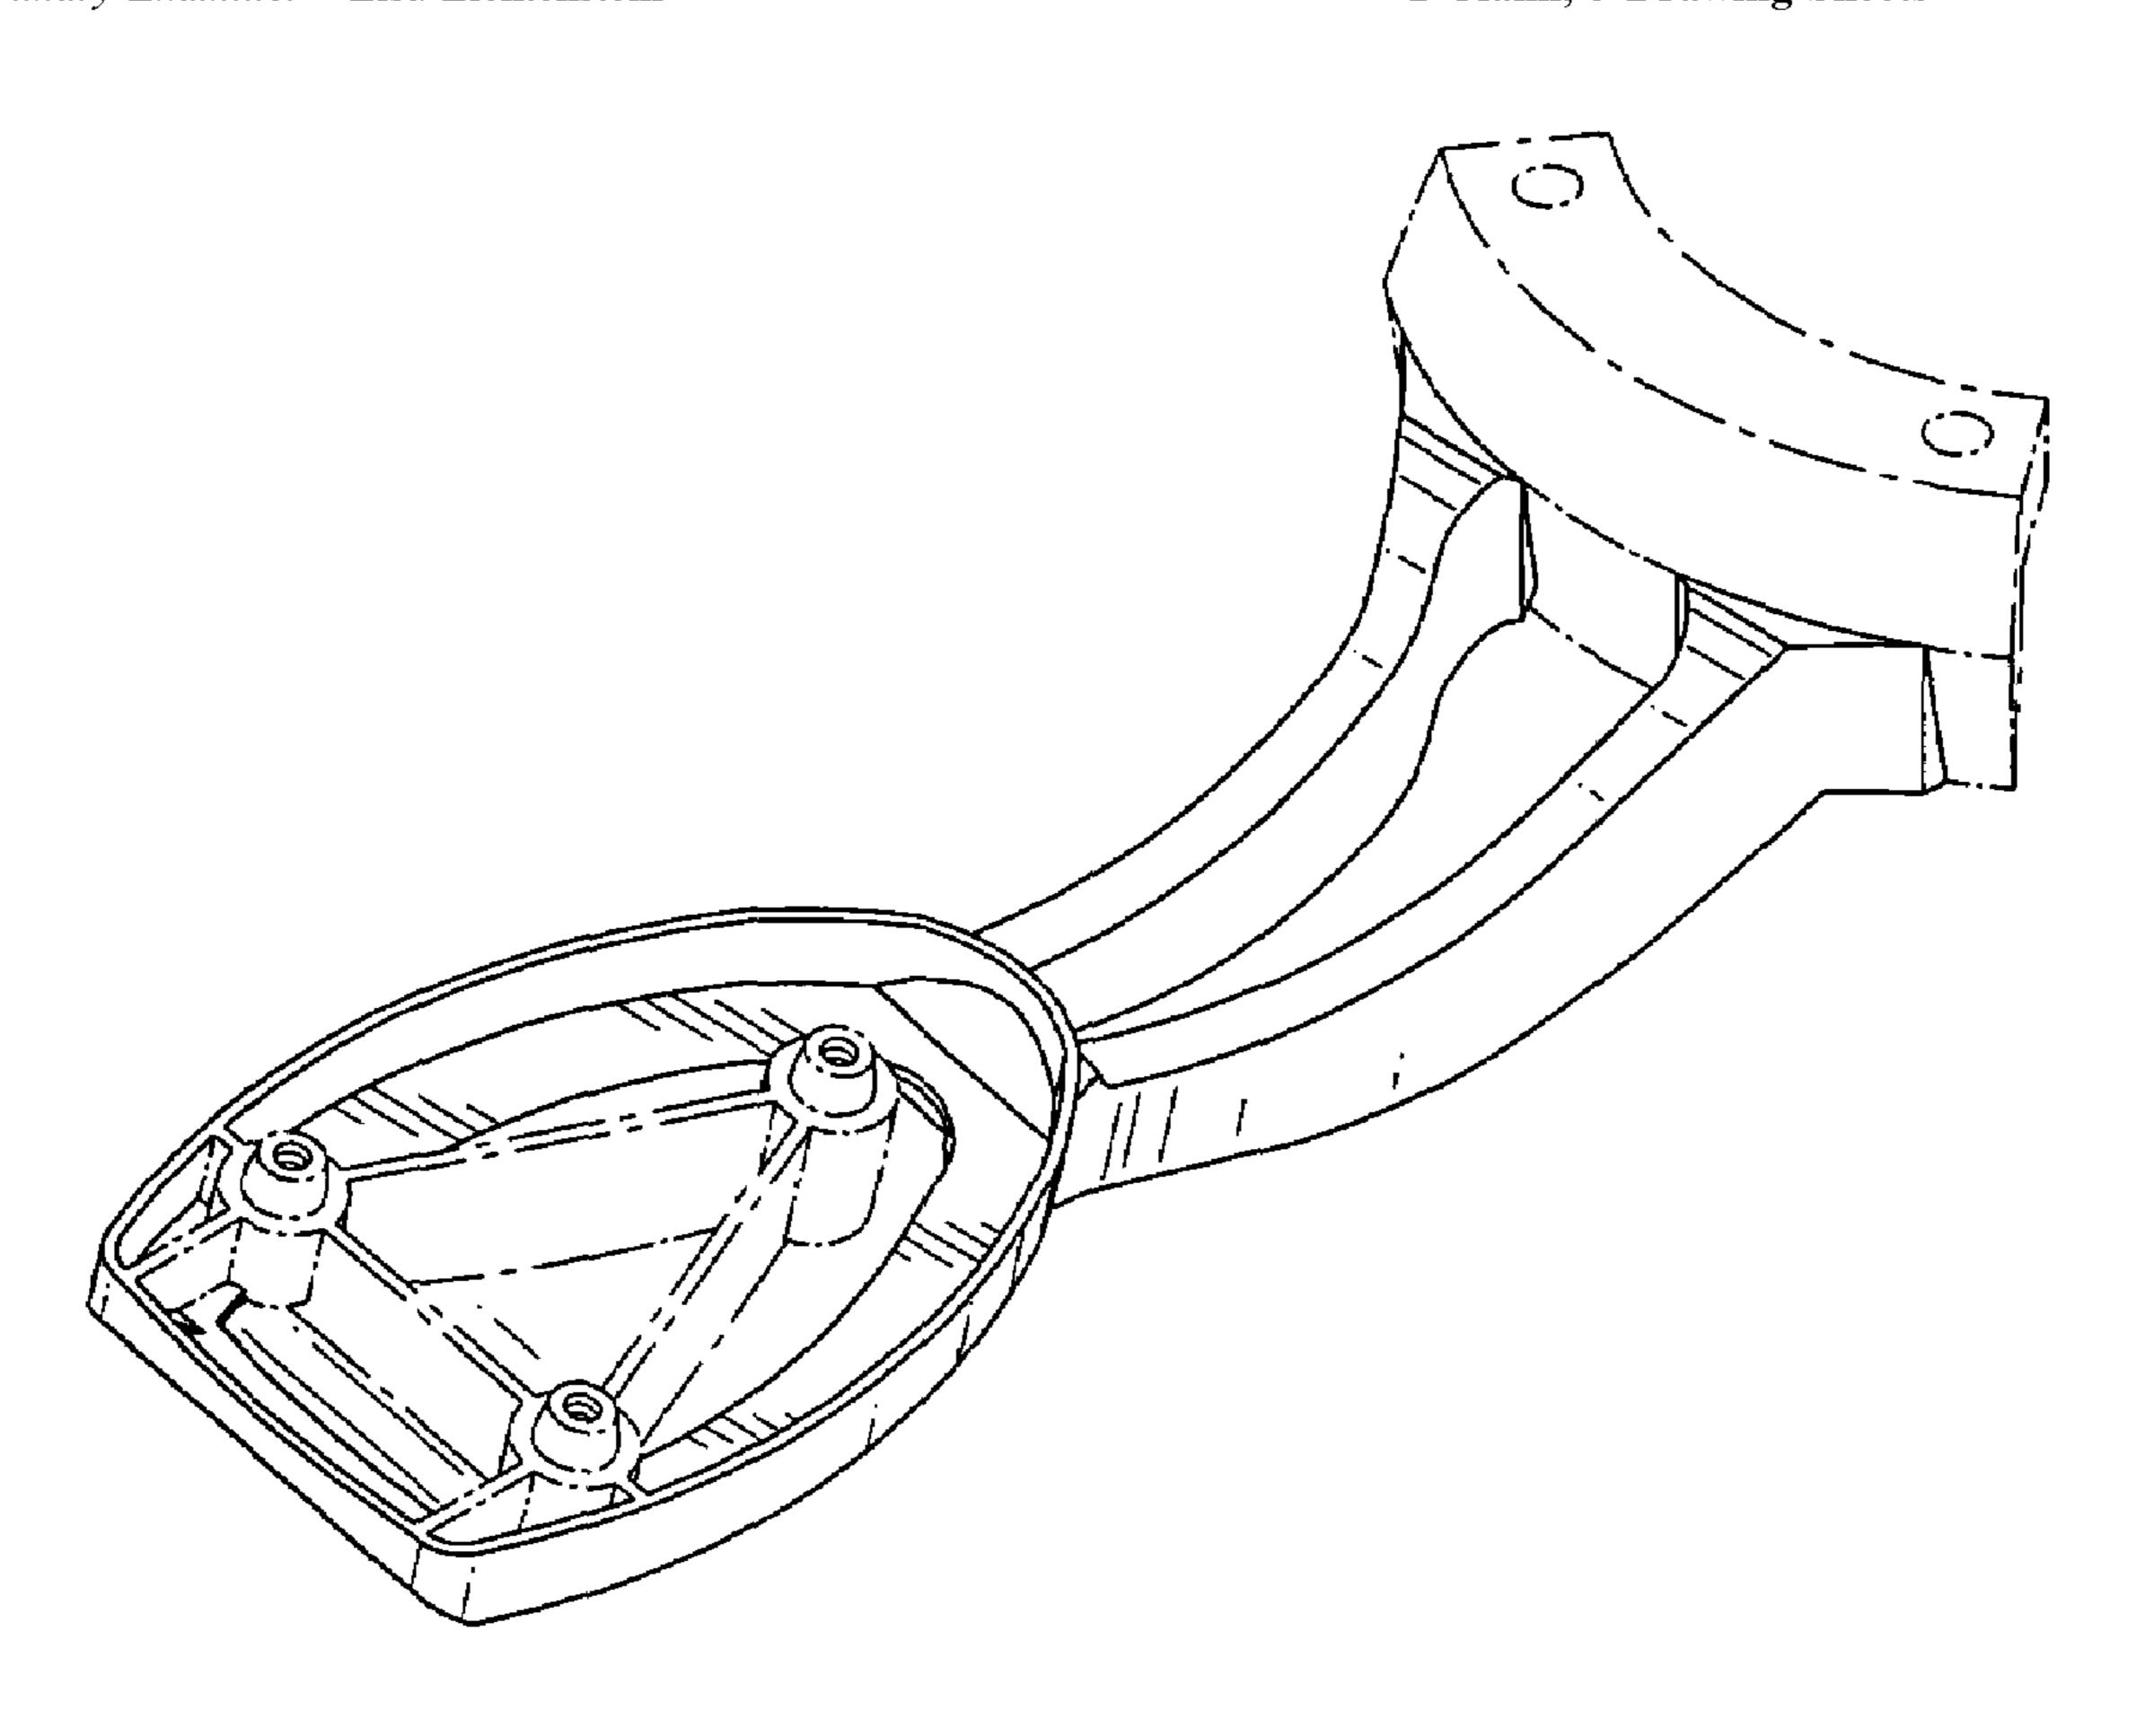

FIG. 6 is a top plan view thereof;

FIG. 7 is a bottom plan view thereof; and,

FIG. 8 is a reduced perspective view of the fan blade bracket in accordance with my design, shown in its environment.

The broken line showing of the ceiling fan blades, blade irons, and light fixture is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
