(57) **CLAIM**

The ornamental design for a papermaking belt and/or product produced therefor, as shown and described.

**DESCRIPTION**

The sole FIGURE is a top plan view of a papermaking belt and/or product produced therefor showing our new design. The broken lines shown along the border of the FIGURE depict the boundaries of one repeat unit of the claimed design and indicate that a specific length and width of papermaking belt and/or product produced therefor forms no part of the claimed design.

The broken lines also form no part of the claimed design.
