(57) **CLAIM**

The ornamental design for a user interface for a portion of a display screen, as shown and described.

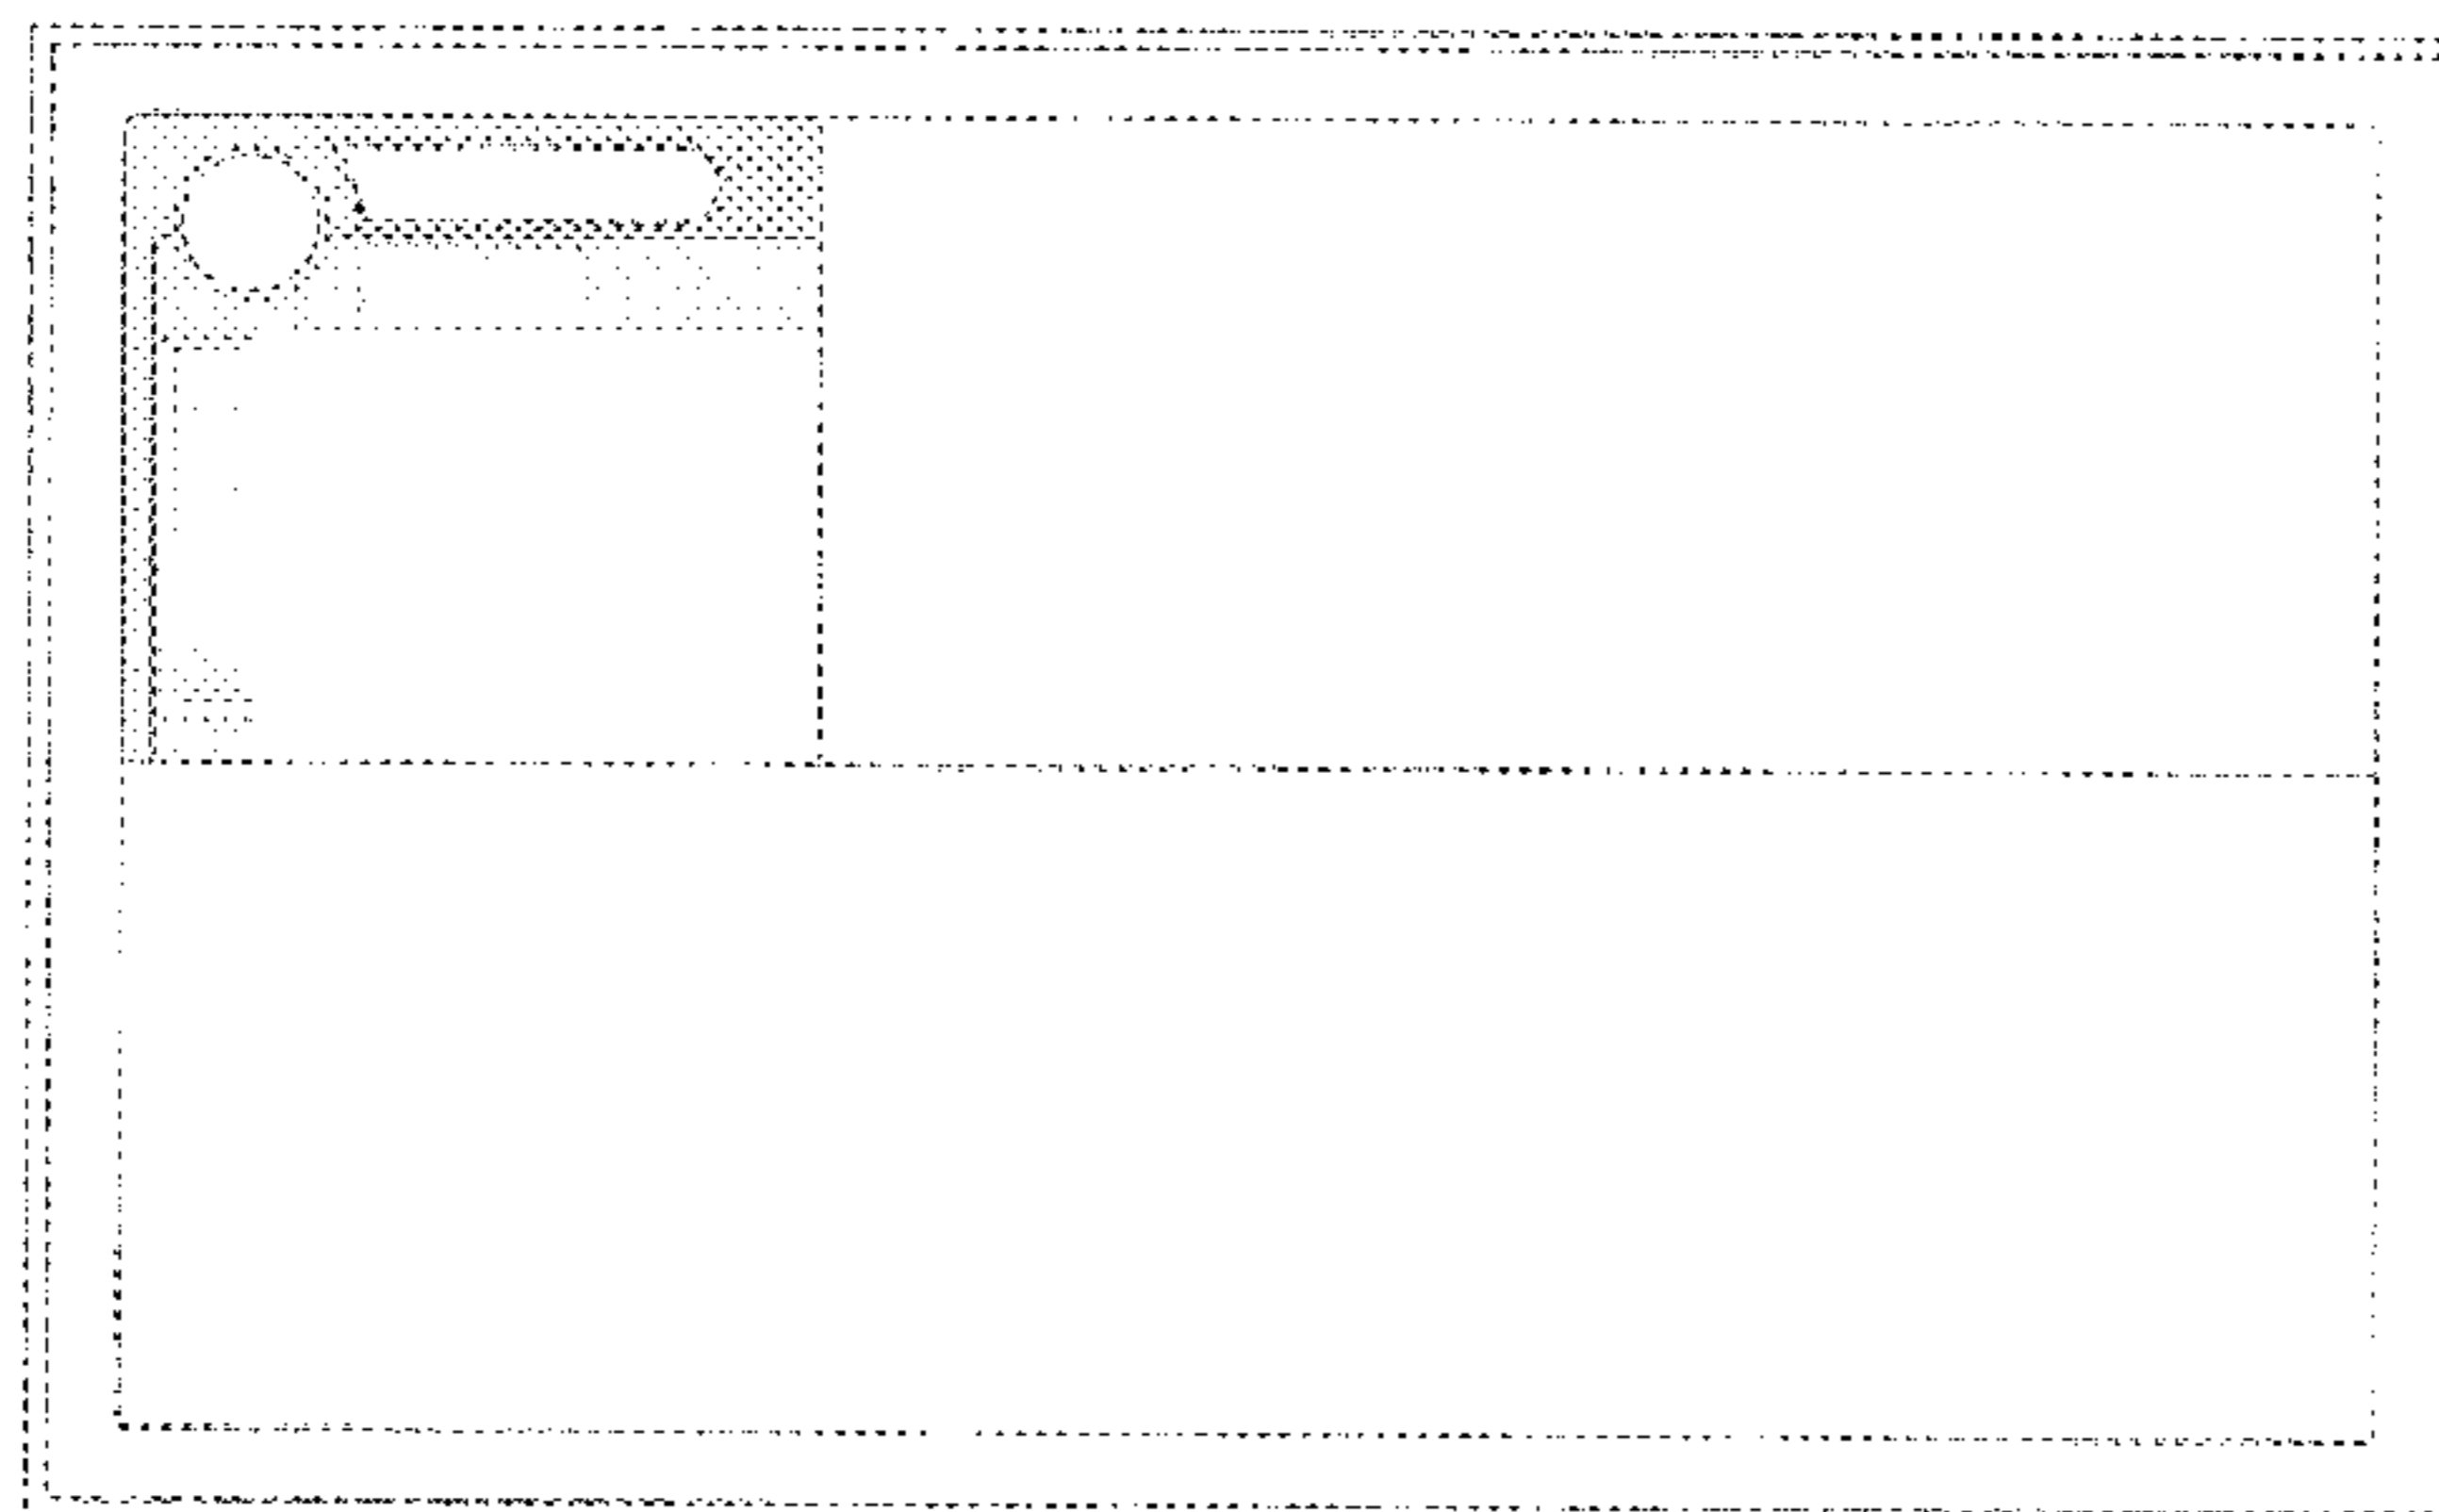

DESCRIPTION

FIG. 1 is a front view of a user interface for a portion of a display screen showing our new design; and,

FIG. 2 is an enlarged front view thereof, the user interface is shown separately for clarity of illustration. The broken line edges are not part of the claimed design.

In both figure views, the broken line showing of the two elements and the unshaded areas within them form no part of the claimed design. The broken line showing of a portion of a display screen in FIG. 1 is for illustrative purposes only and forms no part of the claimed design.
