**CLAIM**

We claim the ornamental design for a computing device, substantially as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the computing device while in an opened position in accordance with the present design. The computing device may for example correspond to a portable or laptop computer.

FIG. 2 is a top view of the computing device while in a closed position.

FIG. 3 is a bottom view of the computing device while in a closed position.

FIG. 4 is a front view of the computing device while in a closed position.

FIG. 5 is a rear view of the computing device while in a closed position.

FIG. 6 is a left side view of the computing device while in a closed position.

FIG. 7 is a right side view of the computing device while in a closed position.

FIG. 8 is a front view of the computing device while in an opened position.

FIG. 9 is a top view of the computing device while in an opened position; and,

FIG. 10 is a right side view of the computing device while in an opened position.

The features shown in broken lines in the various Figures are for illustrating environmental structure and form no part of the claimed design.
