(57) **CLAIM**

The ornamental design for the gripping device for retrieving items from limited access areas, such as a garbage disposal, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a gripping device for retrieving items from limited access areas according to a first embodiment of the present invention;

FIG. 2 is a left side view of the device shown in FIG. 1, the right side a mirror image thereof;

FIG. 3 is top plan view of the device shown in FIG. 1;

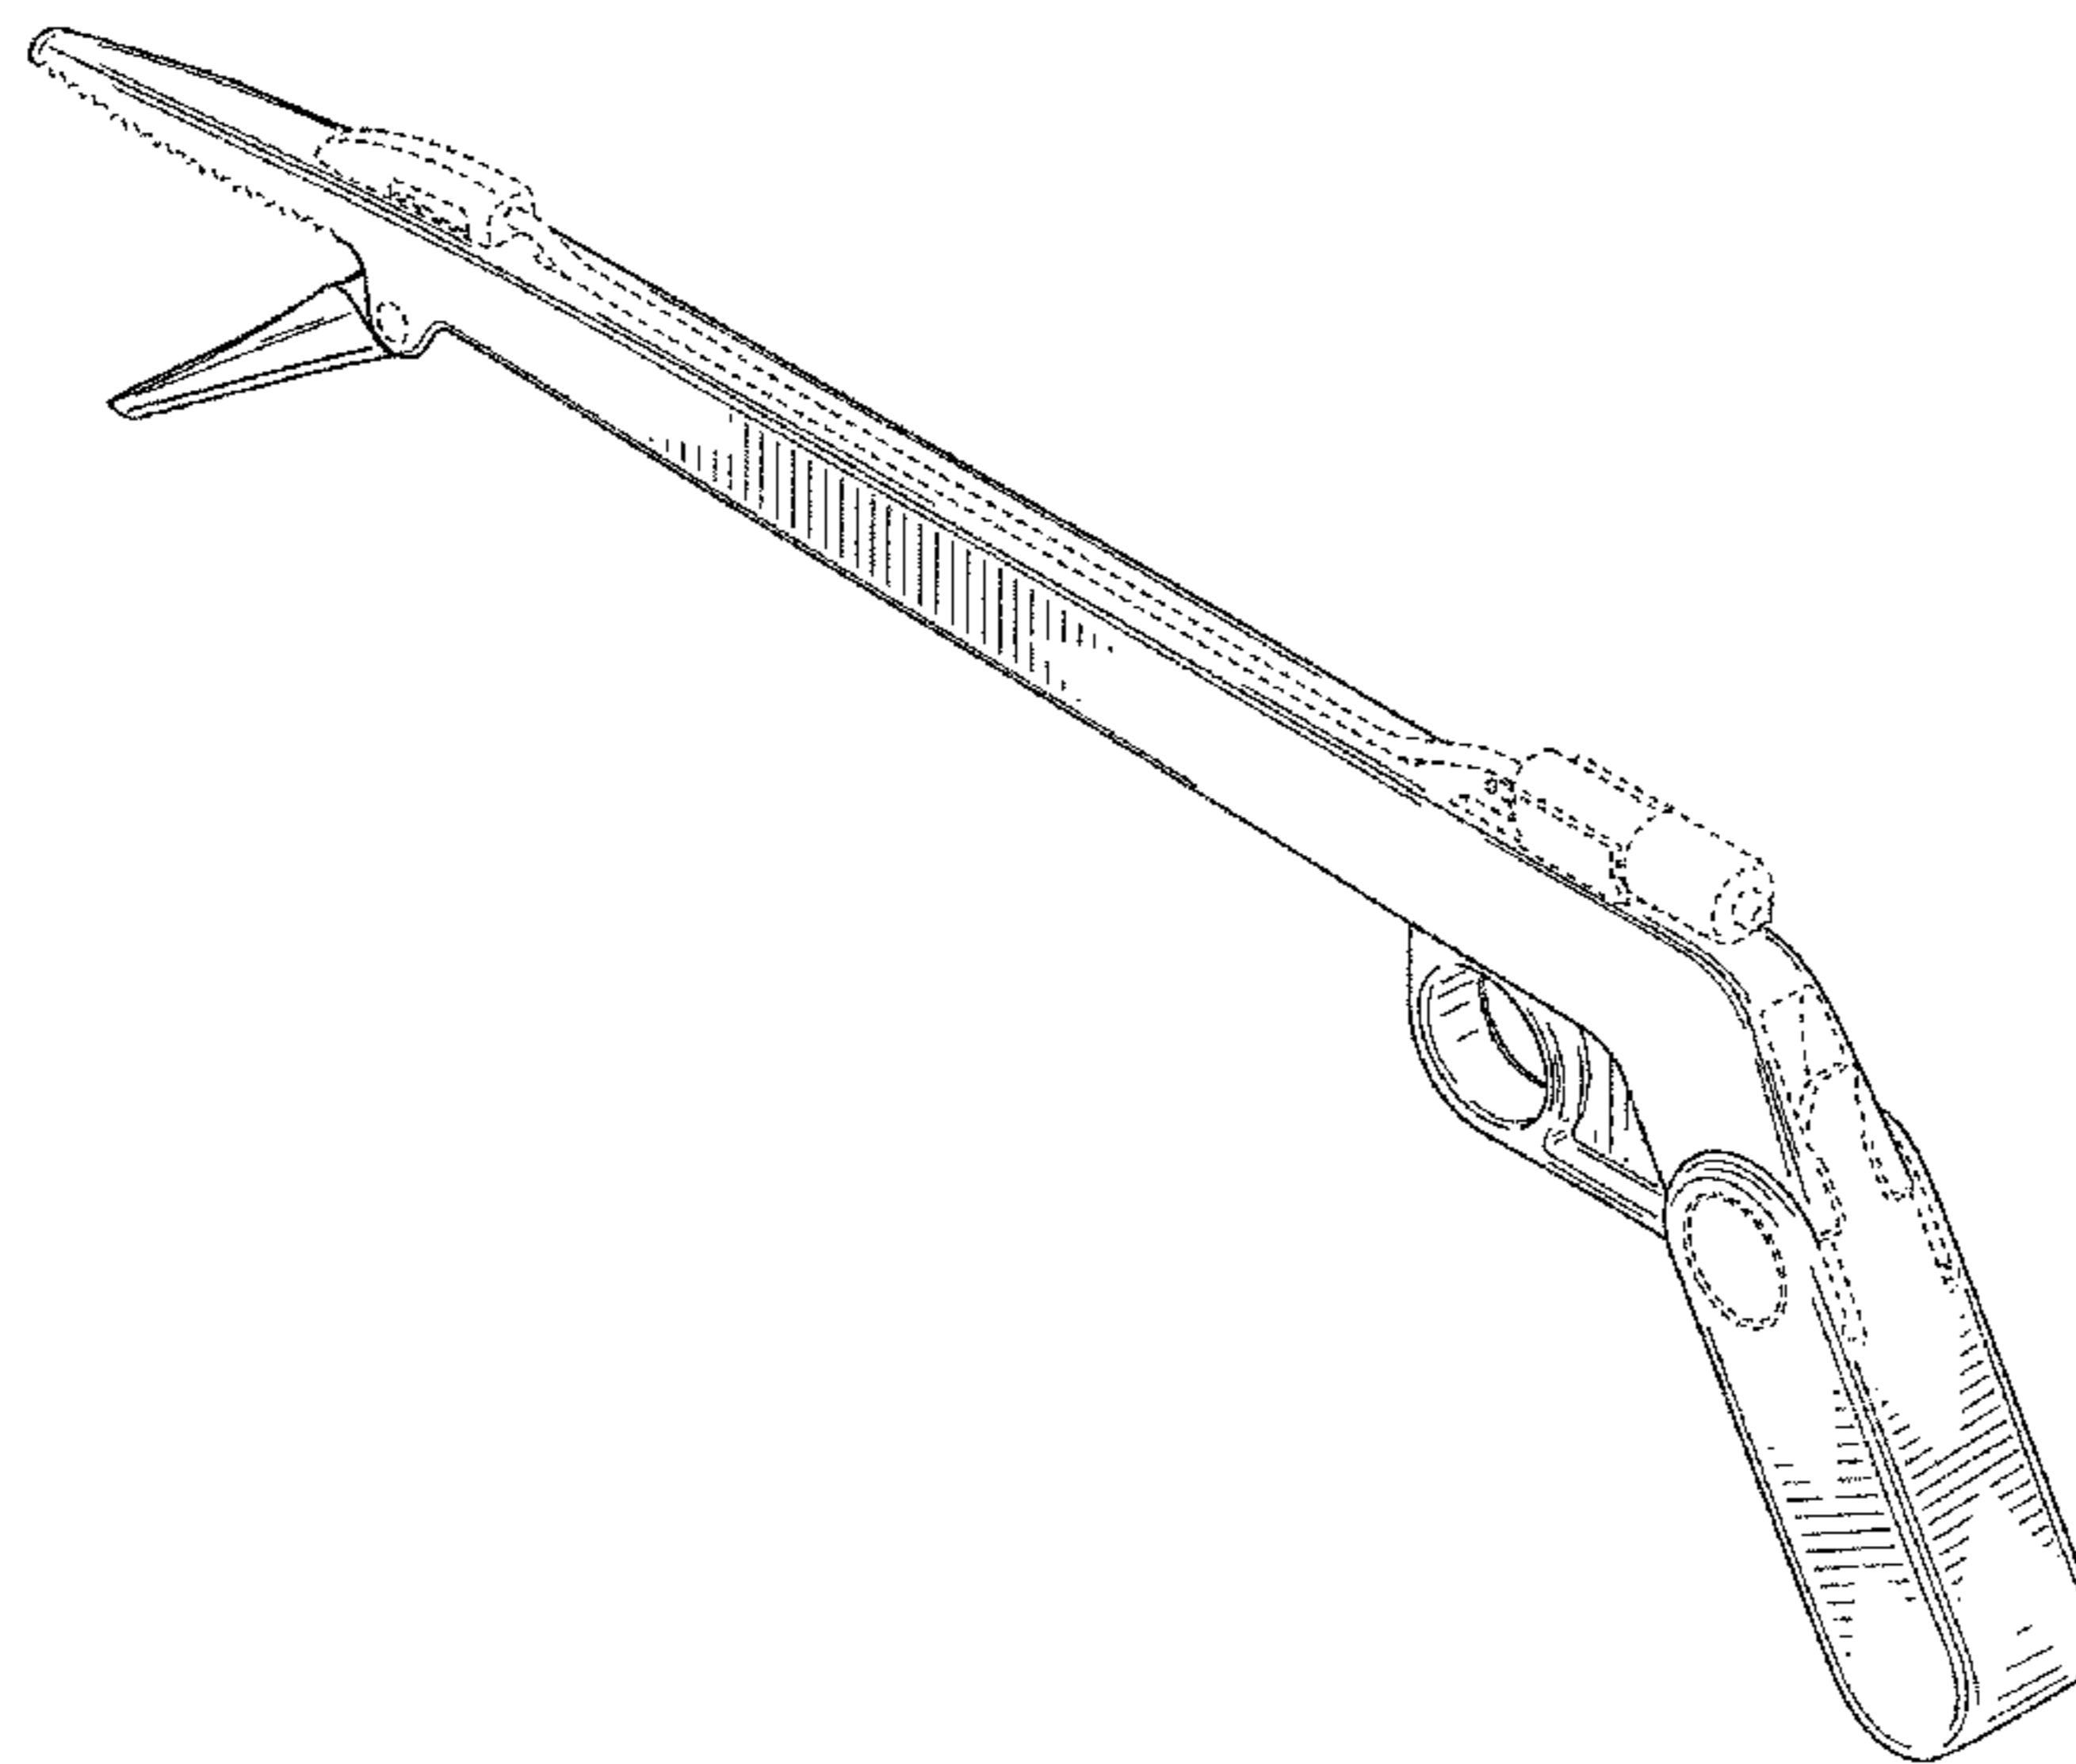

FIG. 4 is a bottom view of the device shown in FIG. 1;

FIG. 5 is a front view of the device shown in FIG. 1; and,

FIG. 6 is a rear view of the device shown in FIG. 1.

All broken-lines appearing in the drawings are for illustrative purposes only and form no part of the claimed design.

1 Claim, 5 Drawing Sheets
