(57) **CLAIM**

The ornamental design for connector for boxes and objects in general, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the connector of the present invention.

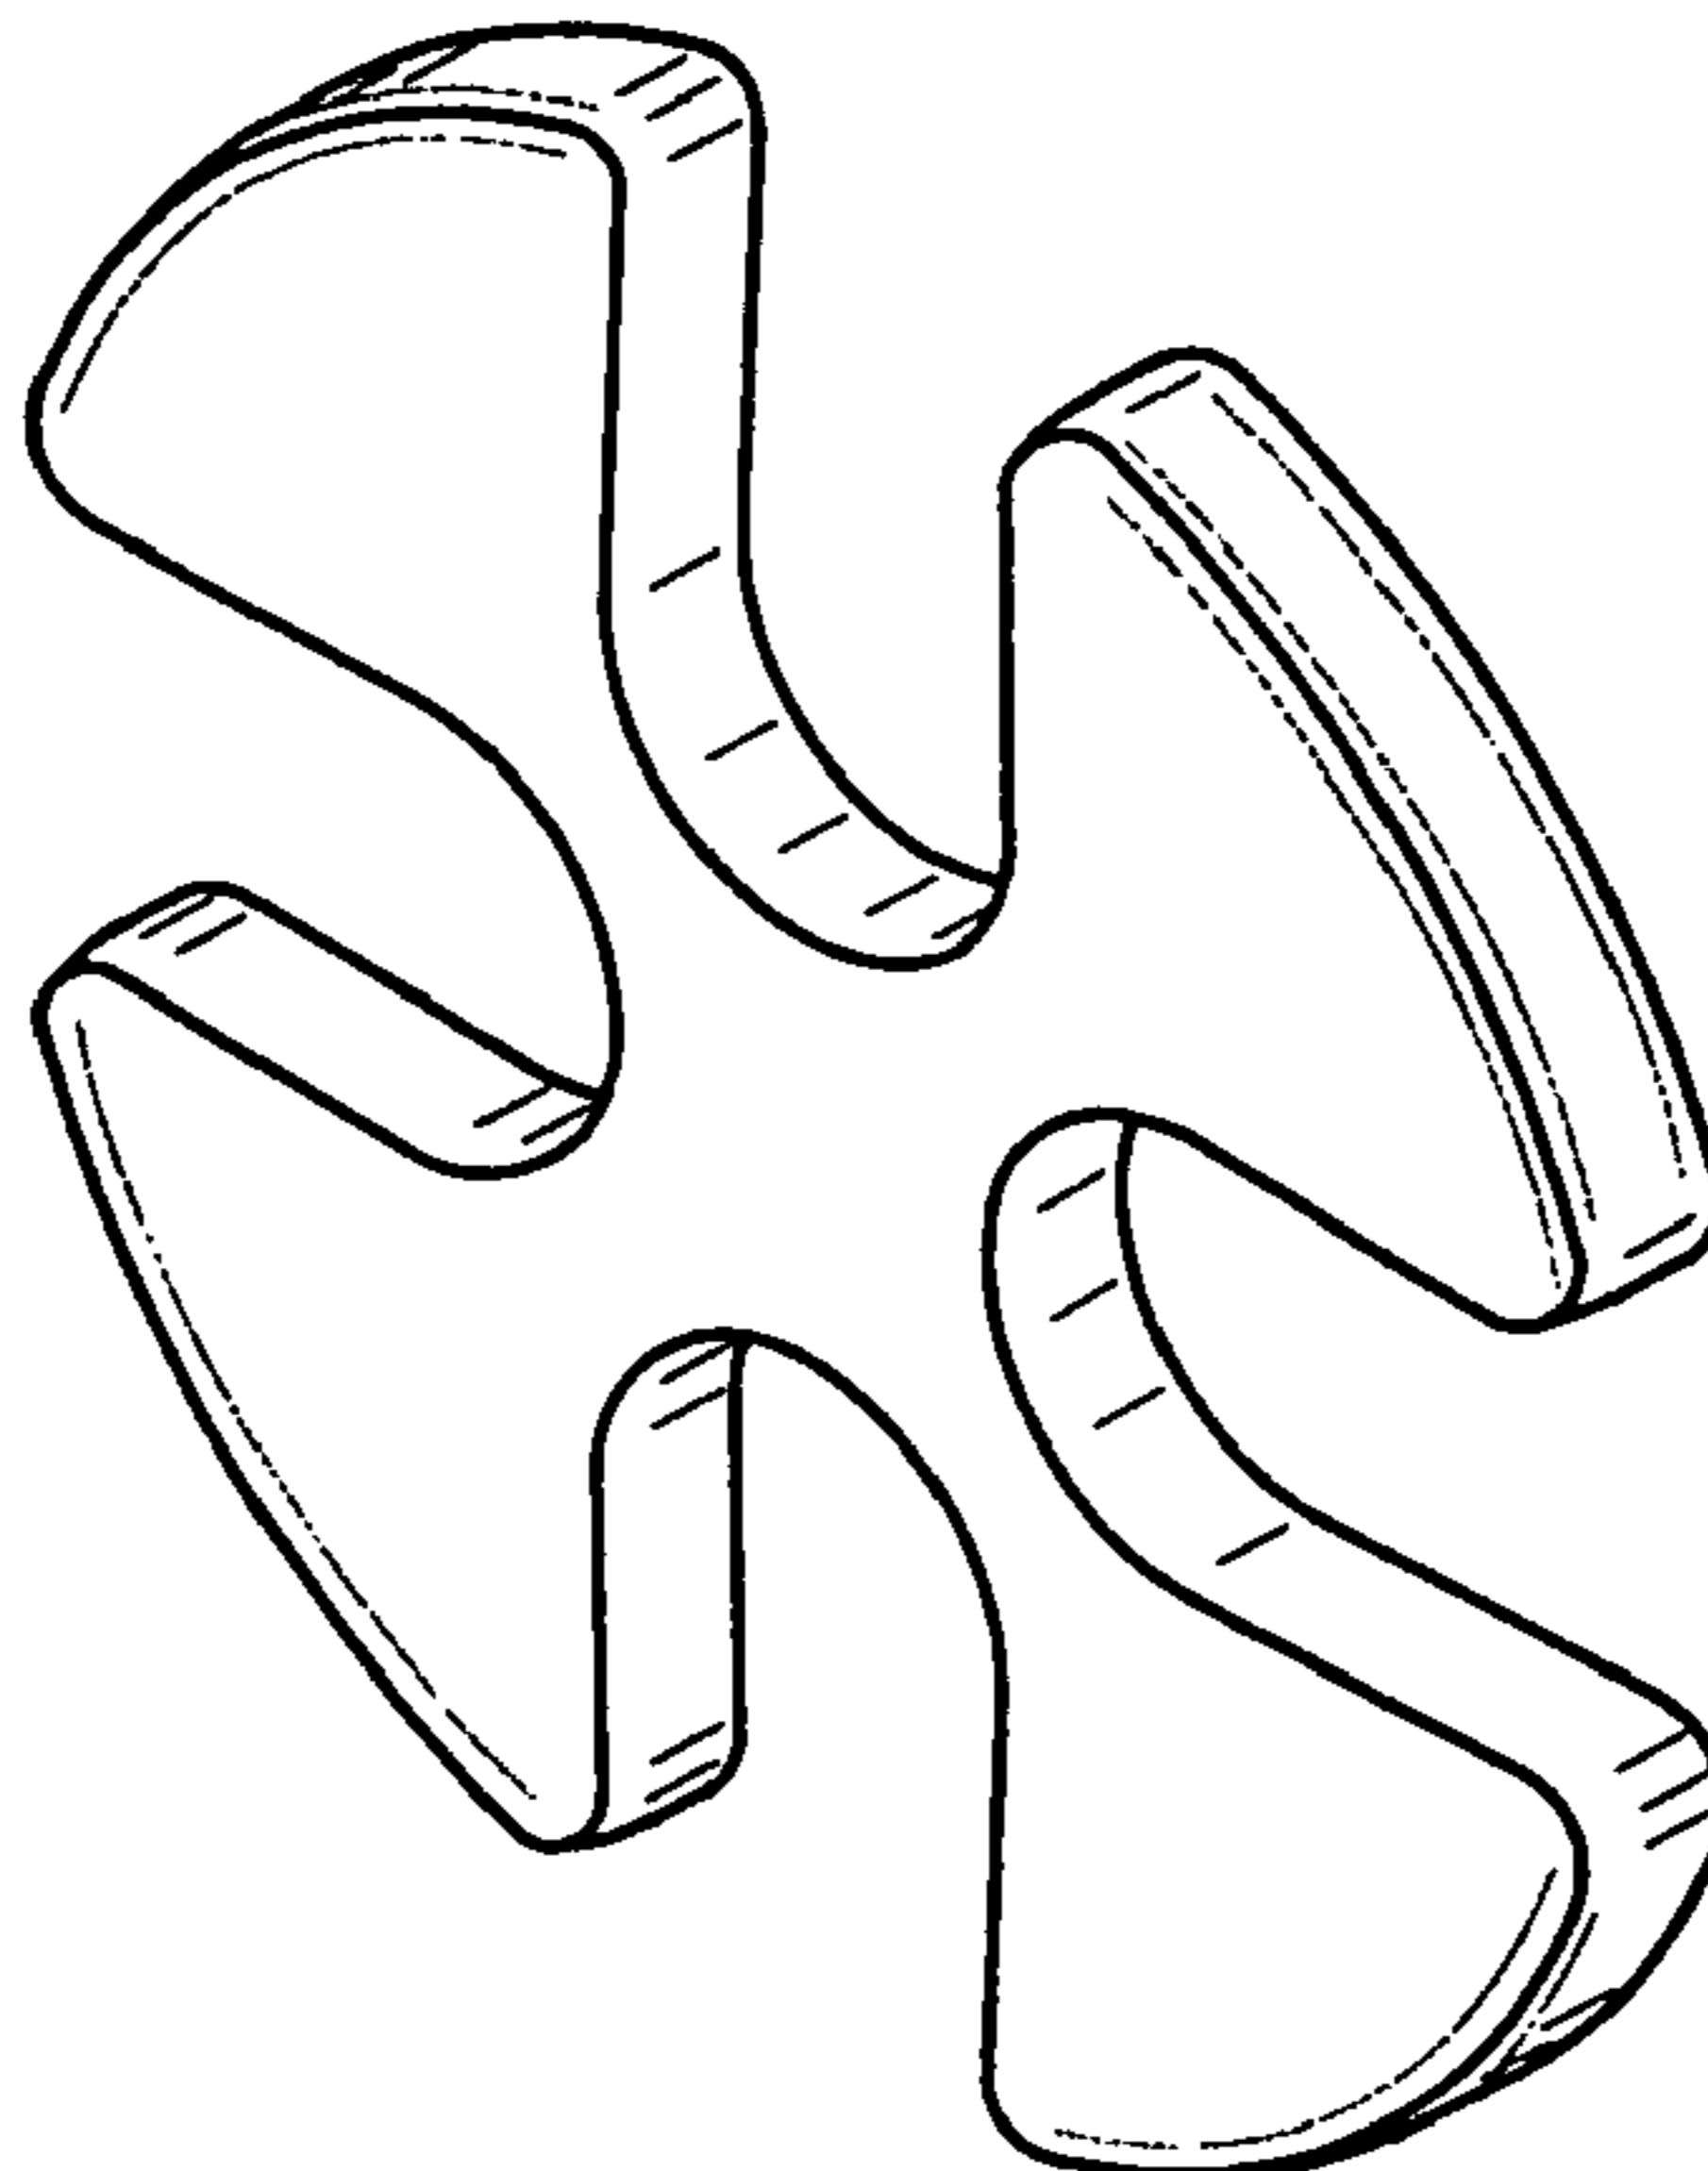

FIG. 2 is a front view of the connector as illustrated in FIG. 1.

FIG. 3 is a upper view of the connector as illustrated in FIG. 1 and 2; and,

FIG. 4 is top view of the connectors of the present invention showing the use of the connectors to connect CD cases.

The broken lines are included for the purpose of illustrating unclaimed objects and form no part of the claimed design.
