(57) **CLAIM**

The ornamental design for an earloop for a headset, as shown and described.

**DESCRIPTION**

FIG. 1 is an upper rear left perspective view of an earloop for a headset, the broken line drawing of an illustrative headset body including a housing, a speaker and a microphone, is for illustrative purposes only and form no part of the claimed design.

FIG. 2 is an upper front right perspective view of the earloop.

FIG. 3 is a front elevational view of the earloop.

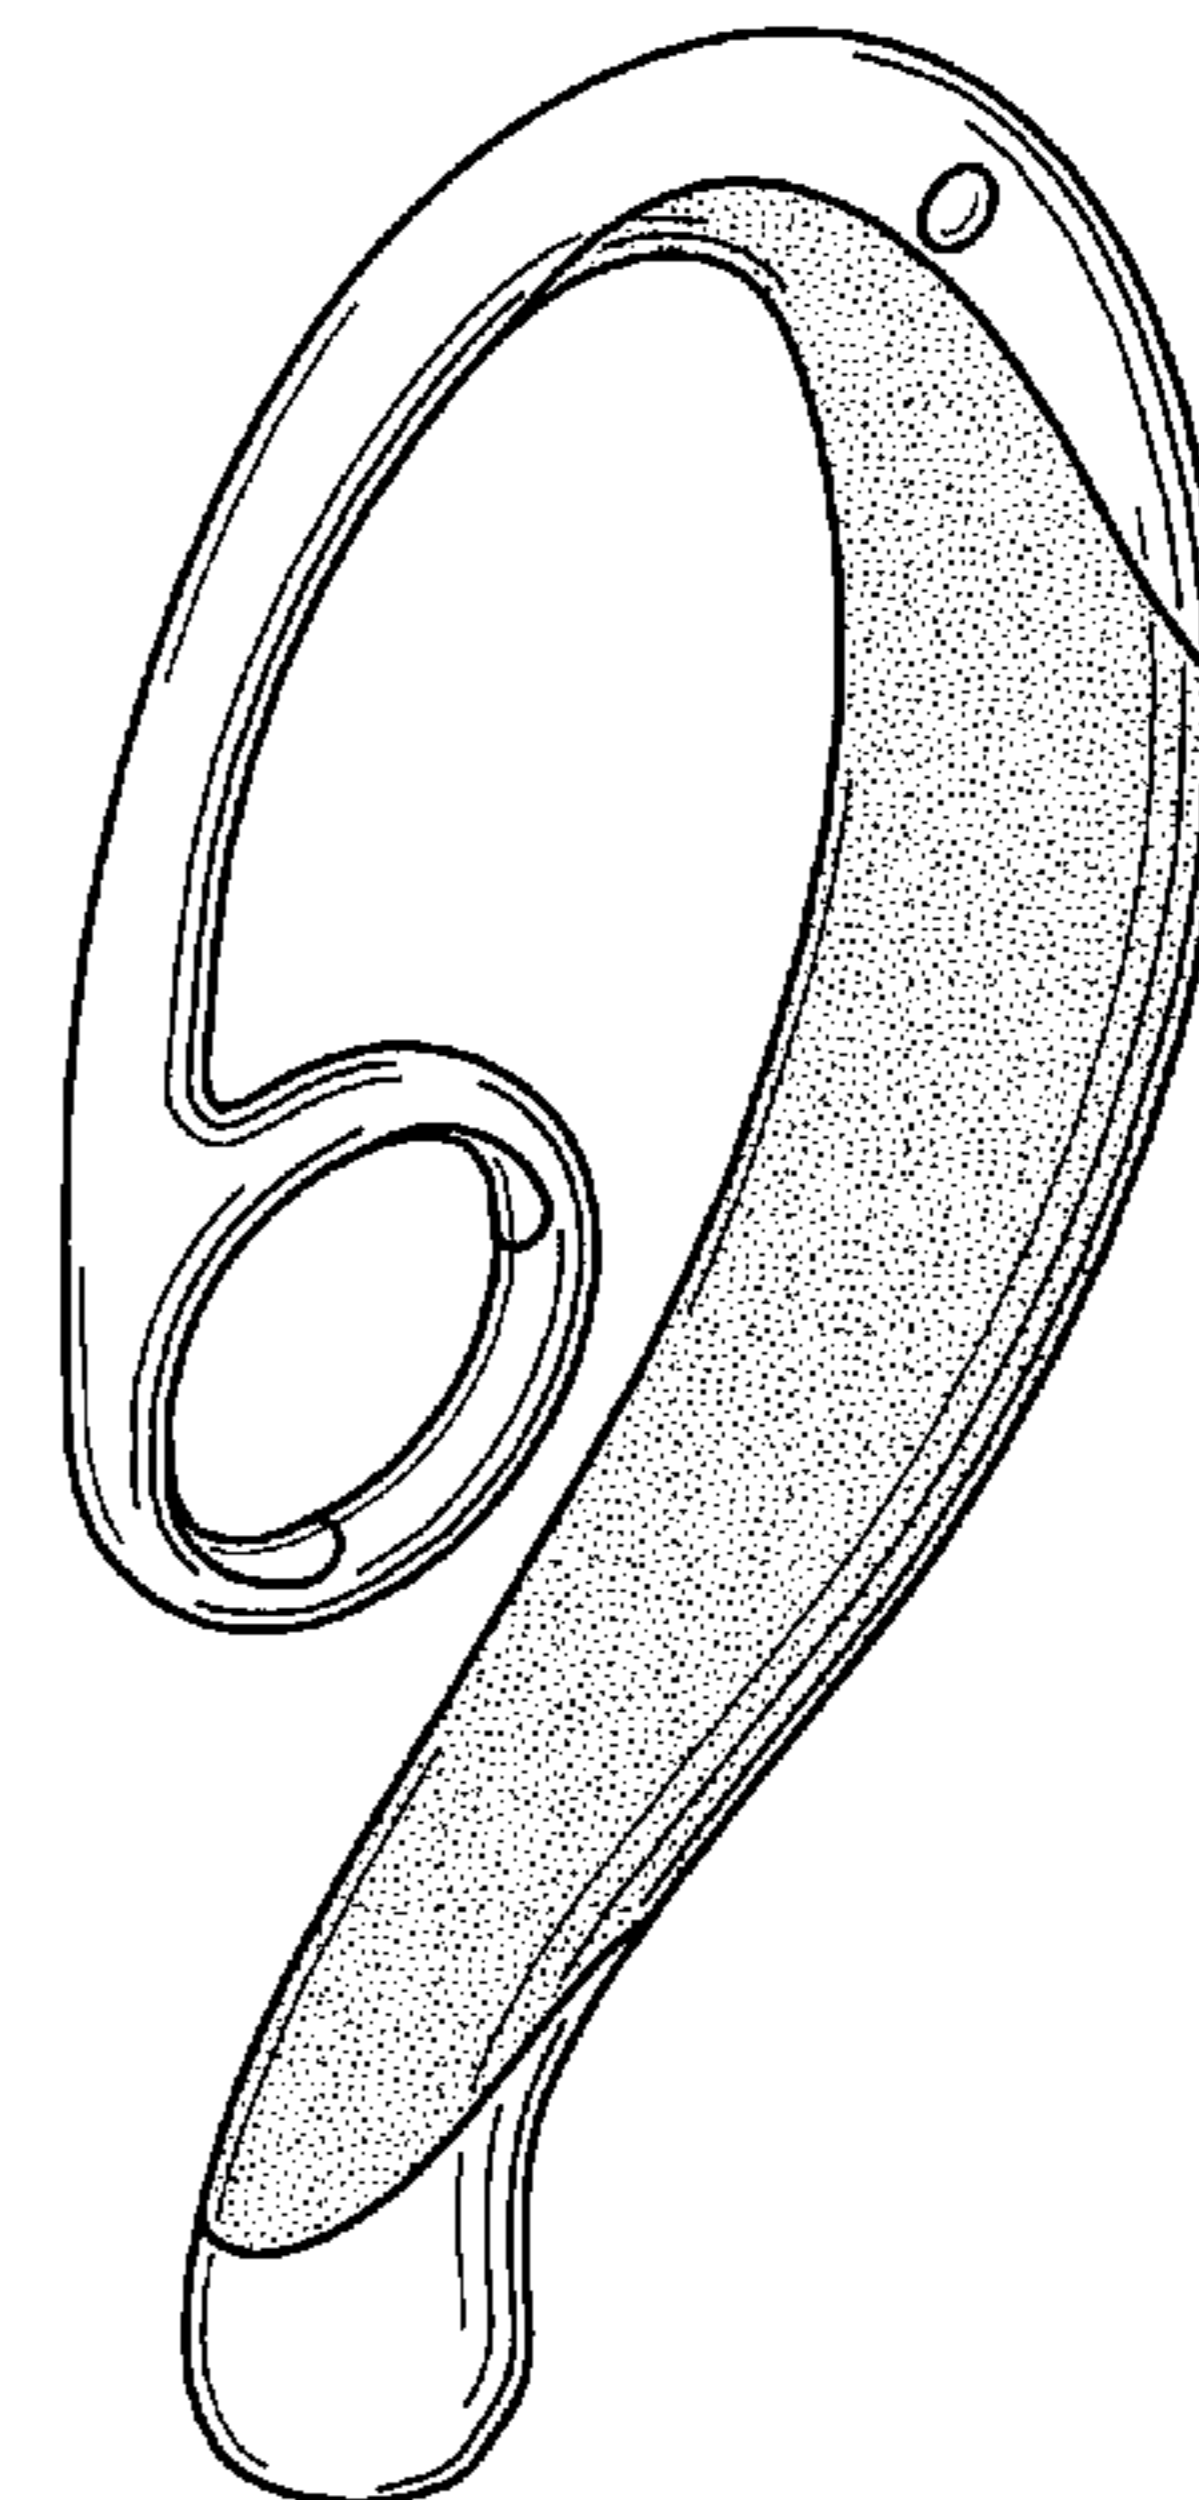

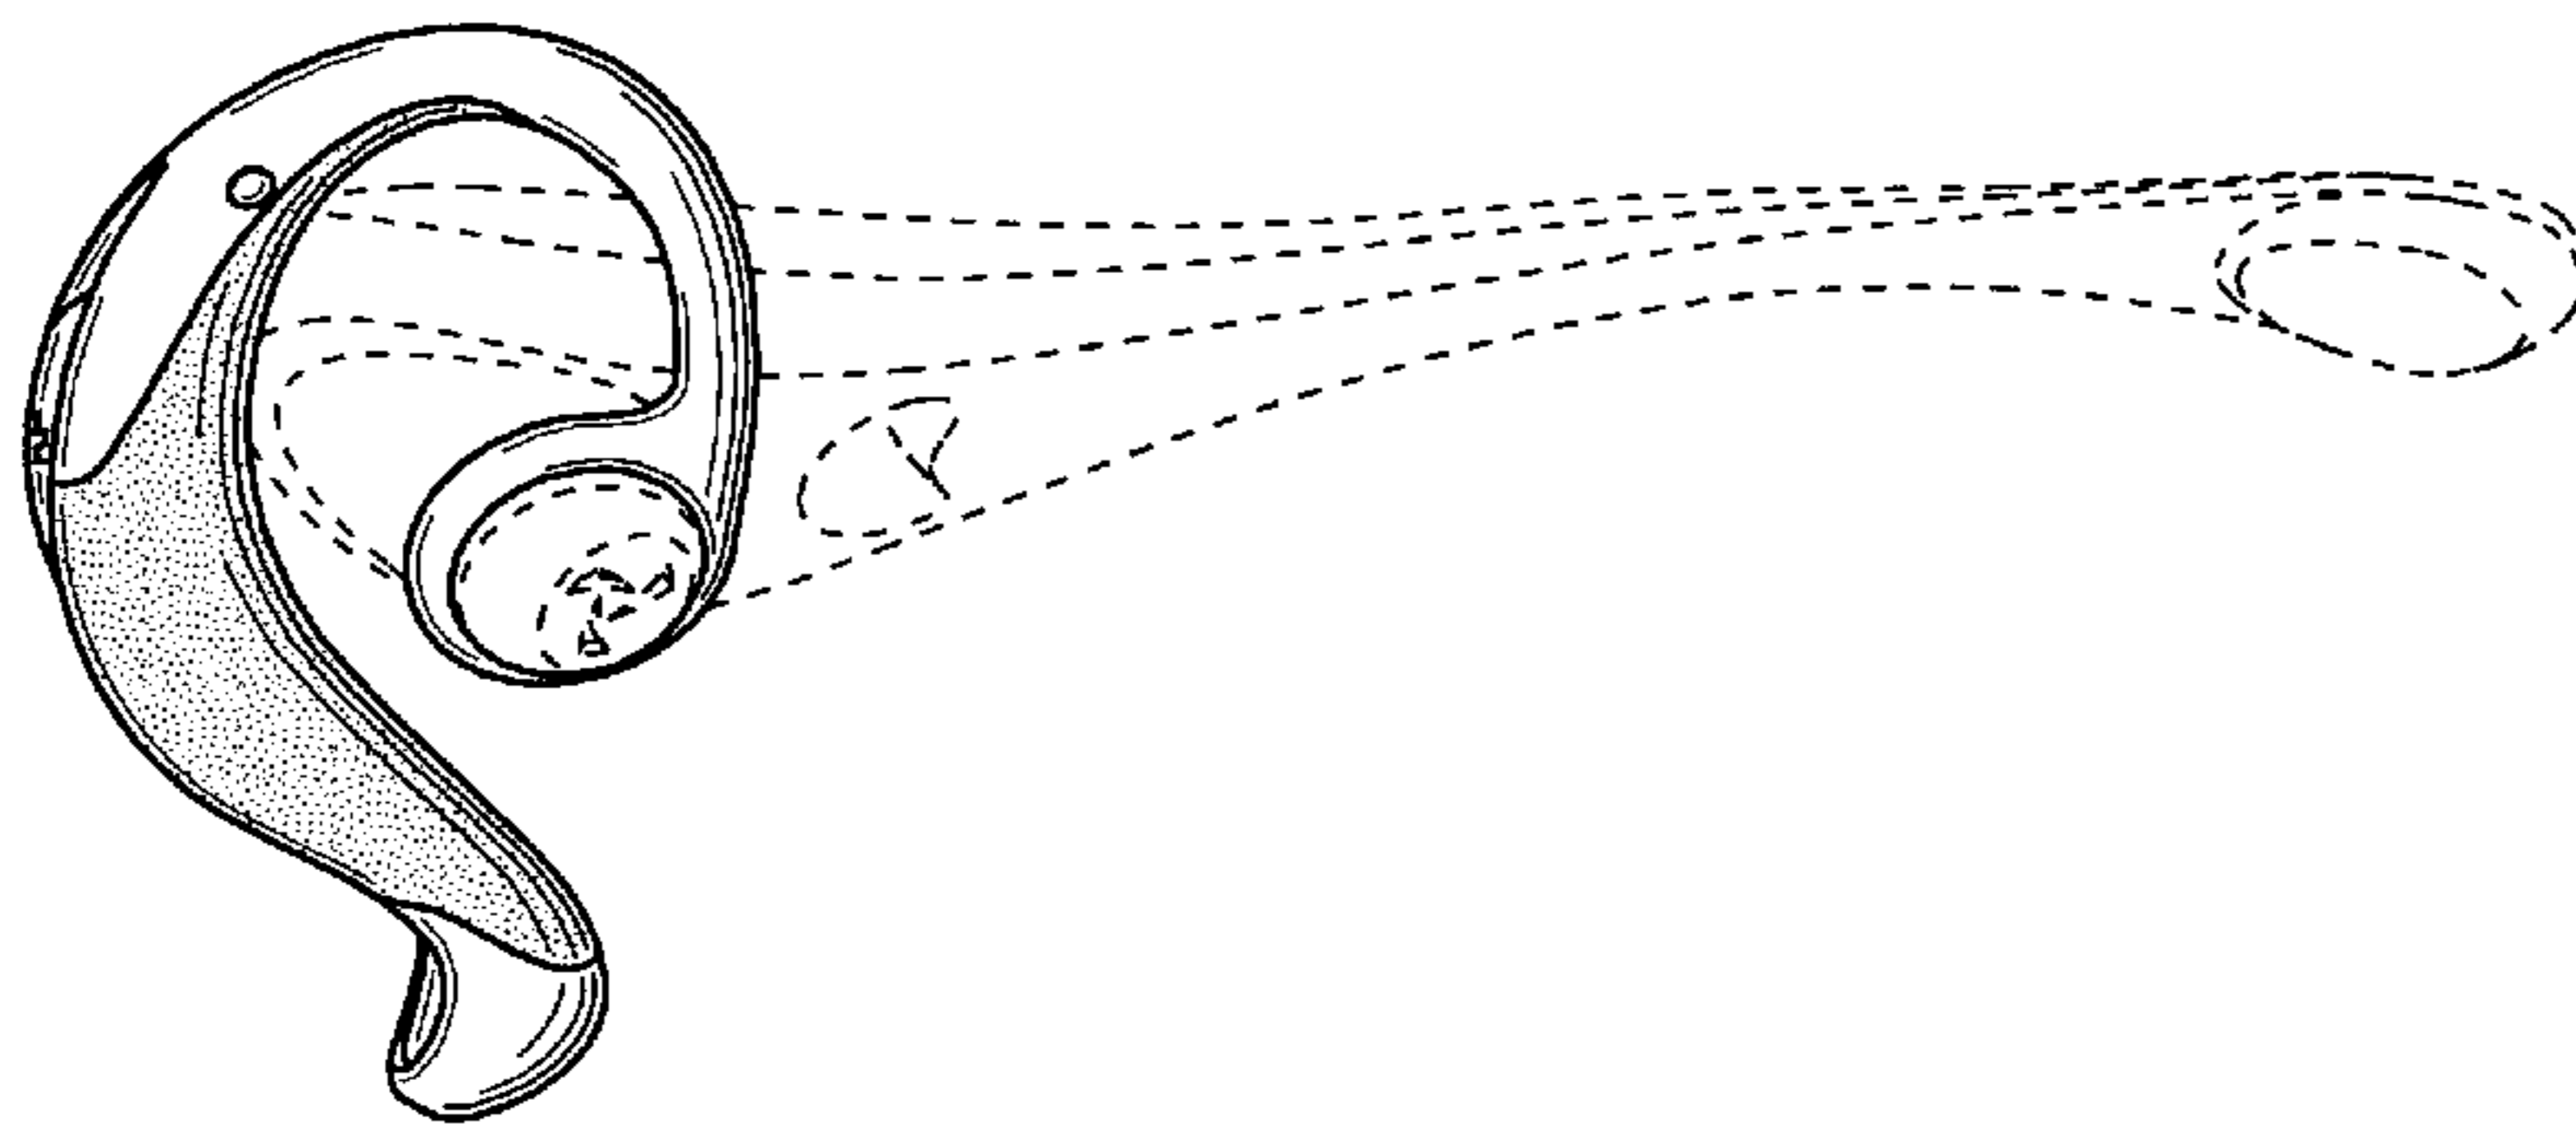

FIG. 4 is a right side elevational view of the earloop, the left side elevational view of the earloop being a mirror image thereof.

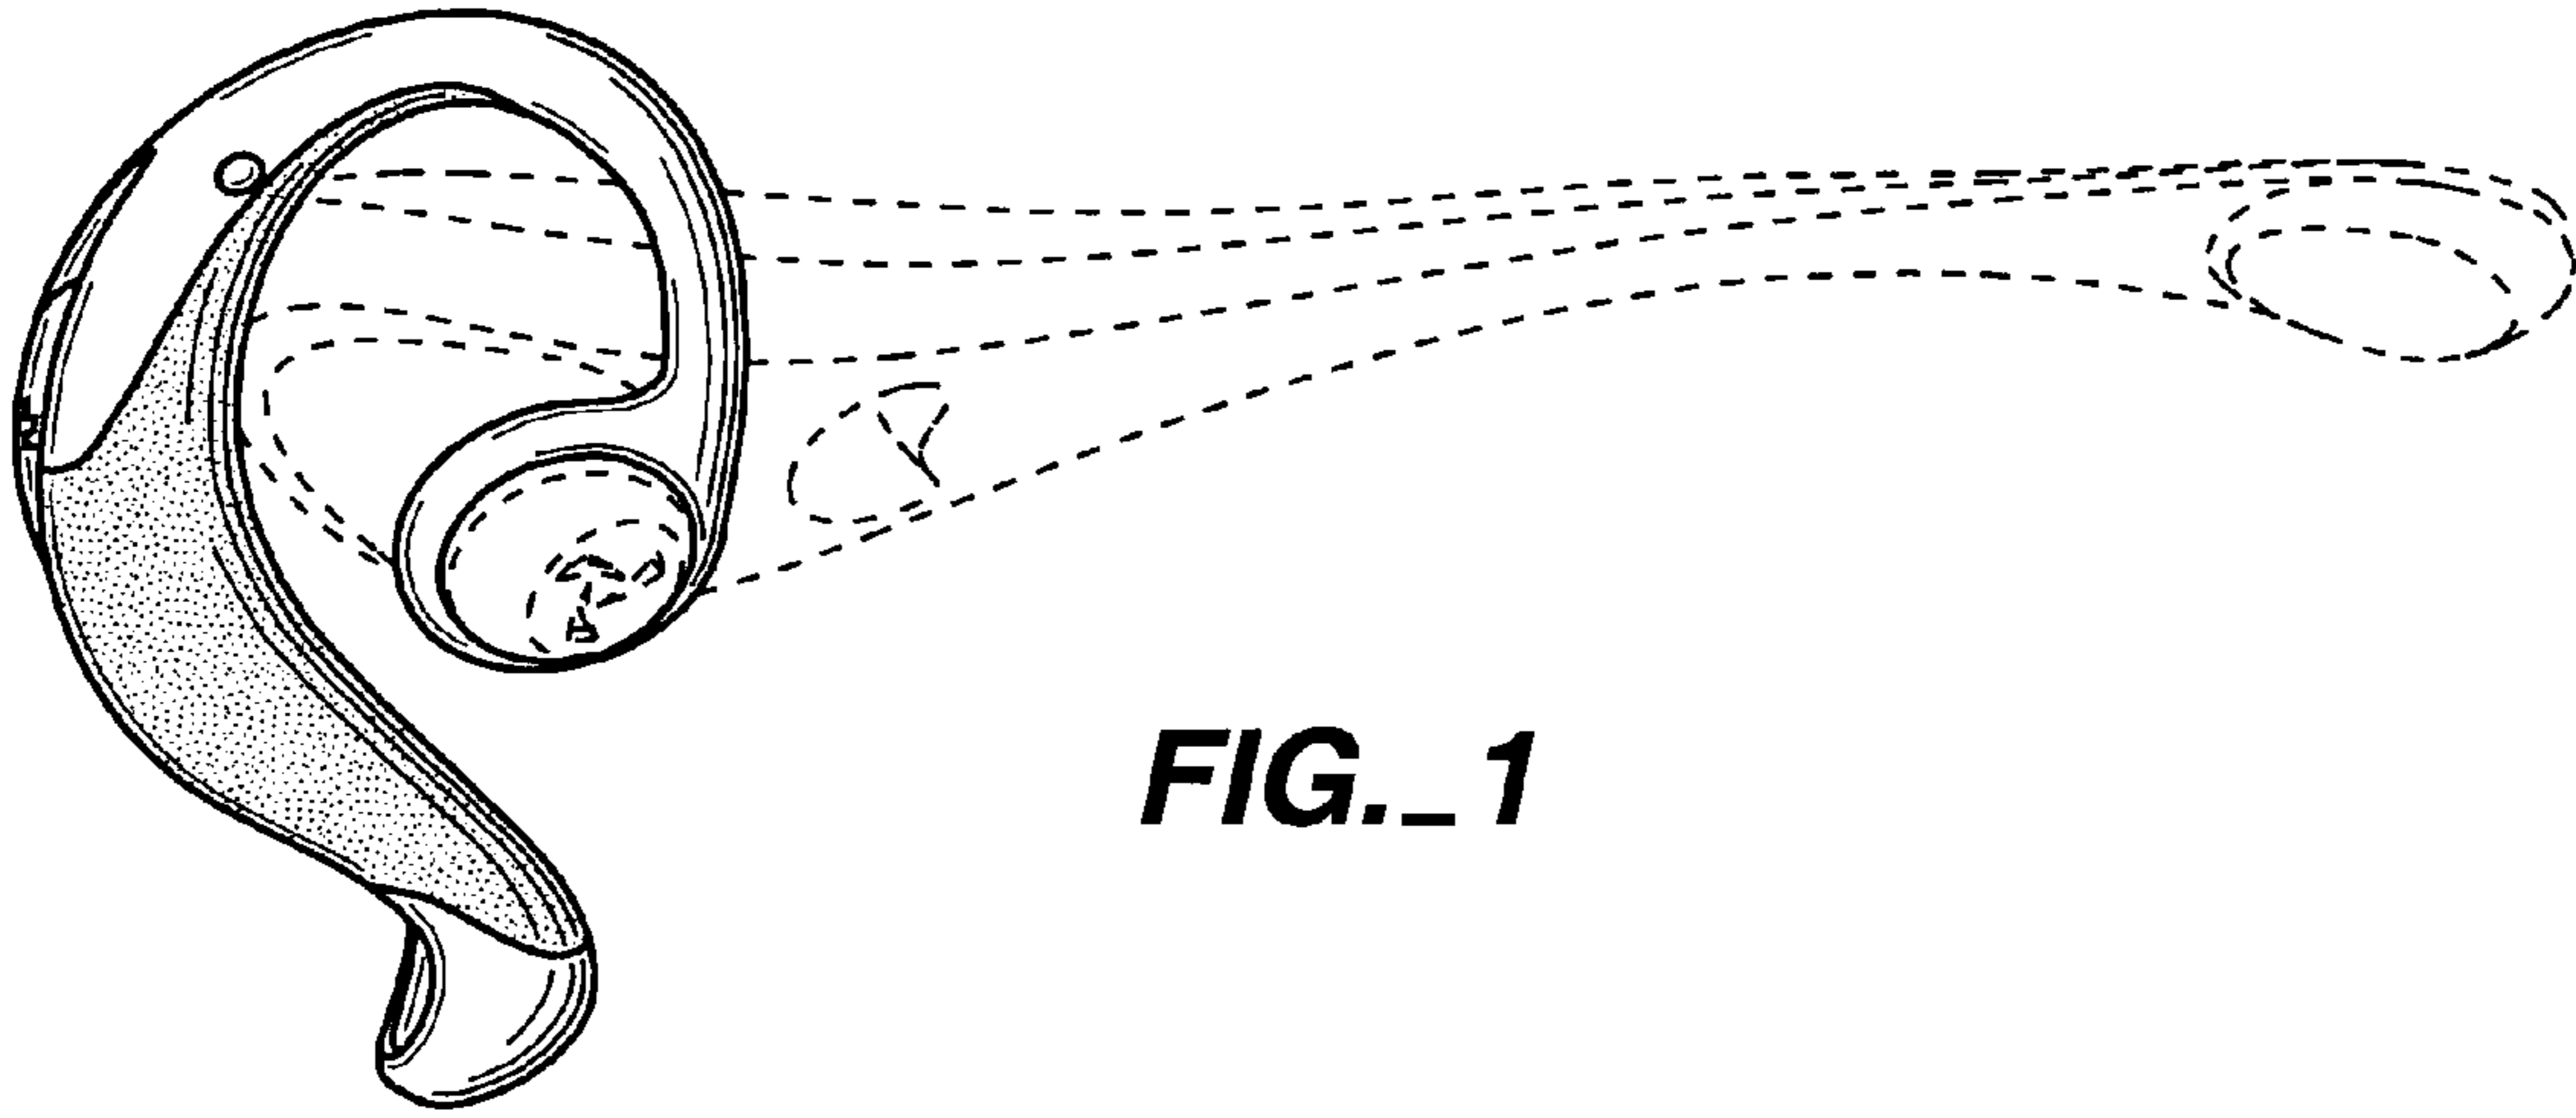

FIG. 5 is a rear elevational view of the earloop.

FIG. 6 is a bottom plan view of the earloop; and,

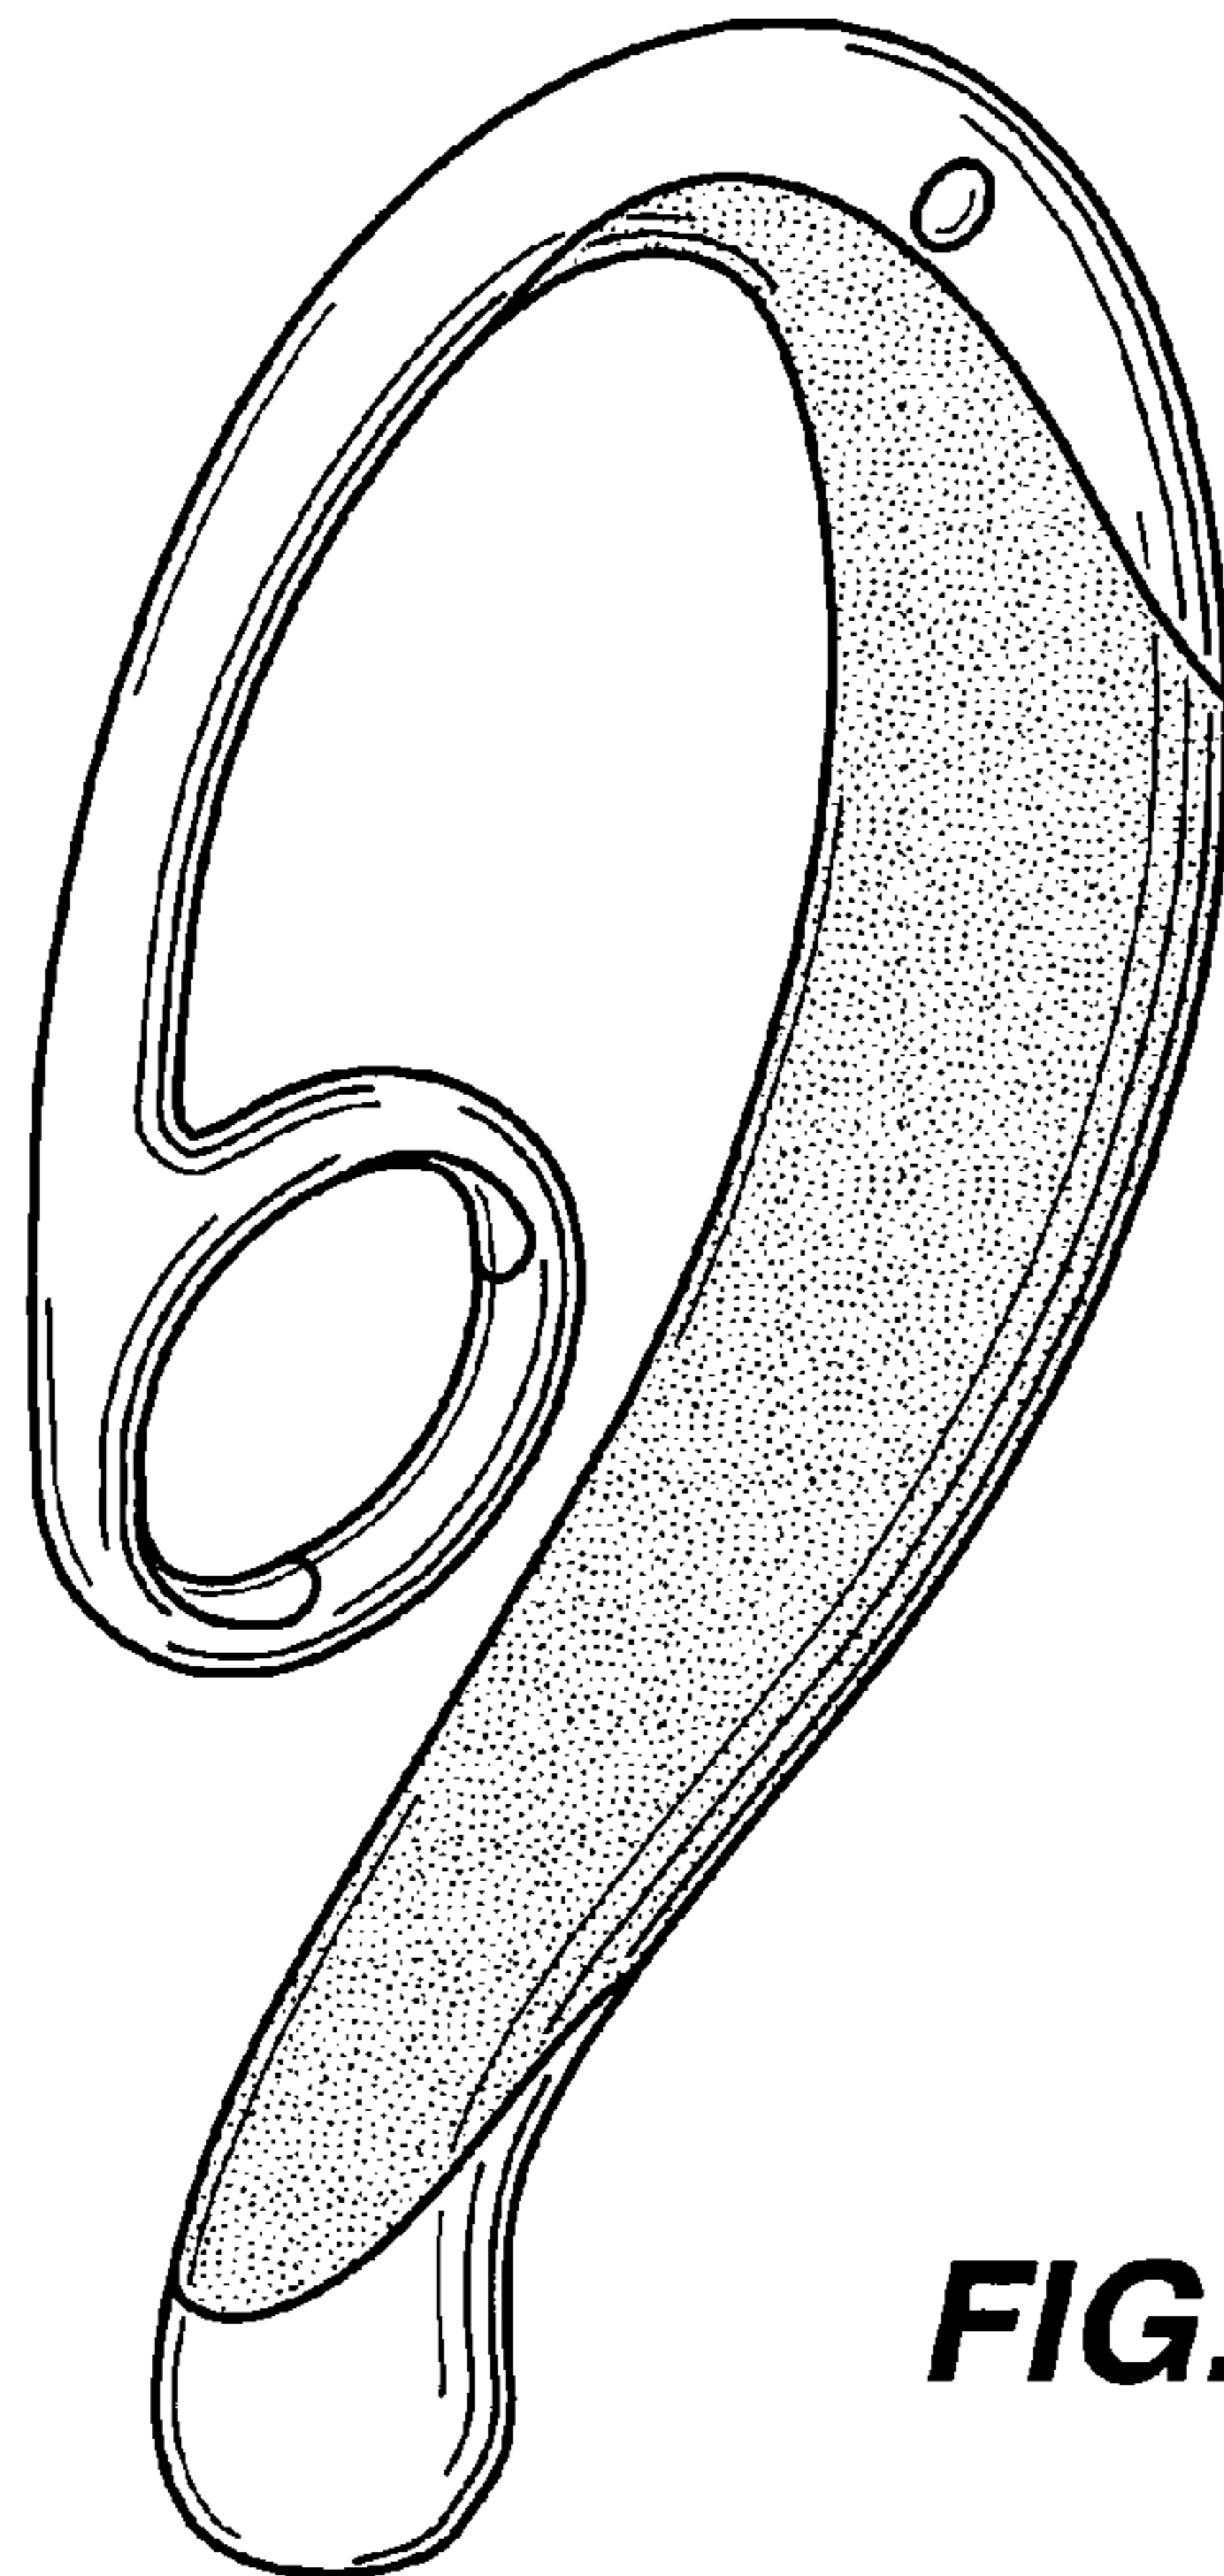

FIG. 7 is a top plan view of the earloop.
