(57) **CLAIM**

The ornamental design for a neck molder, as shown and
described.

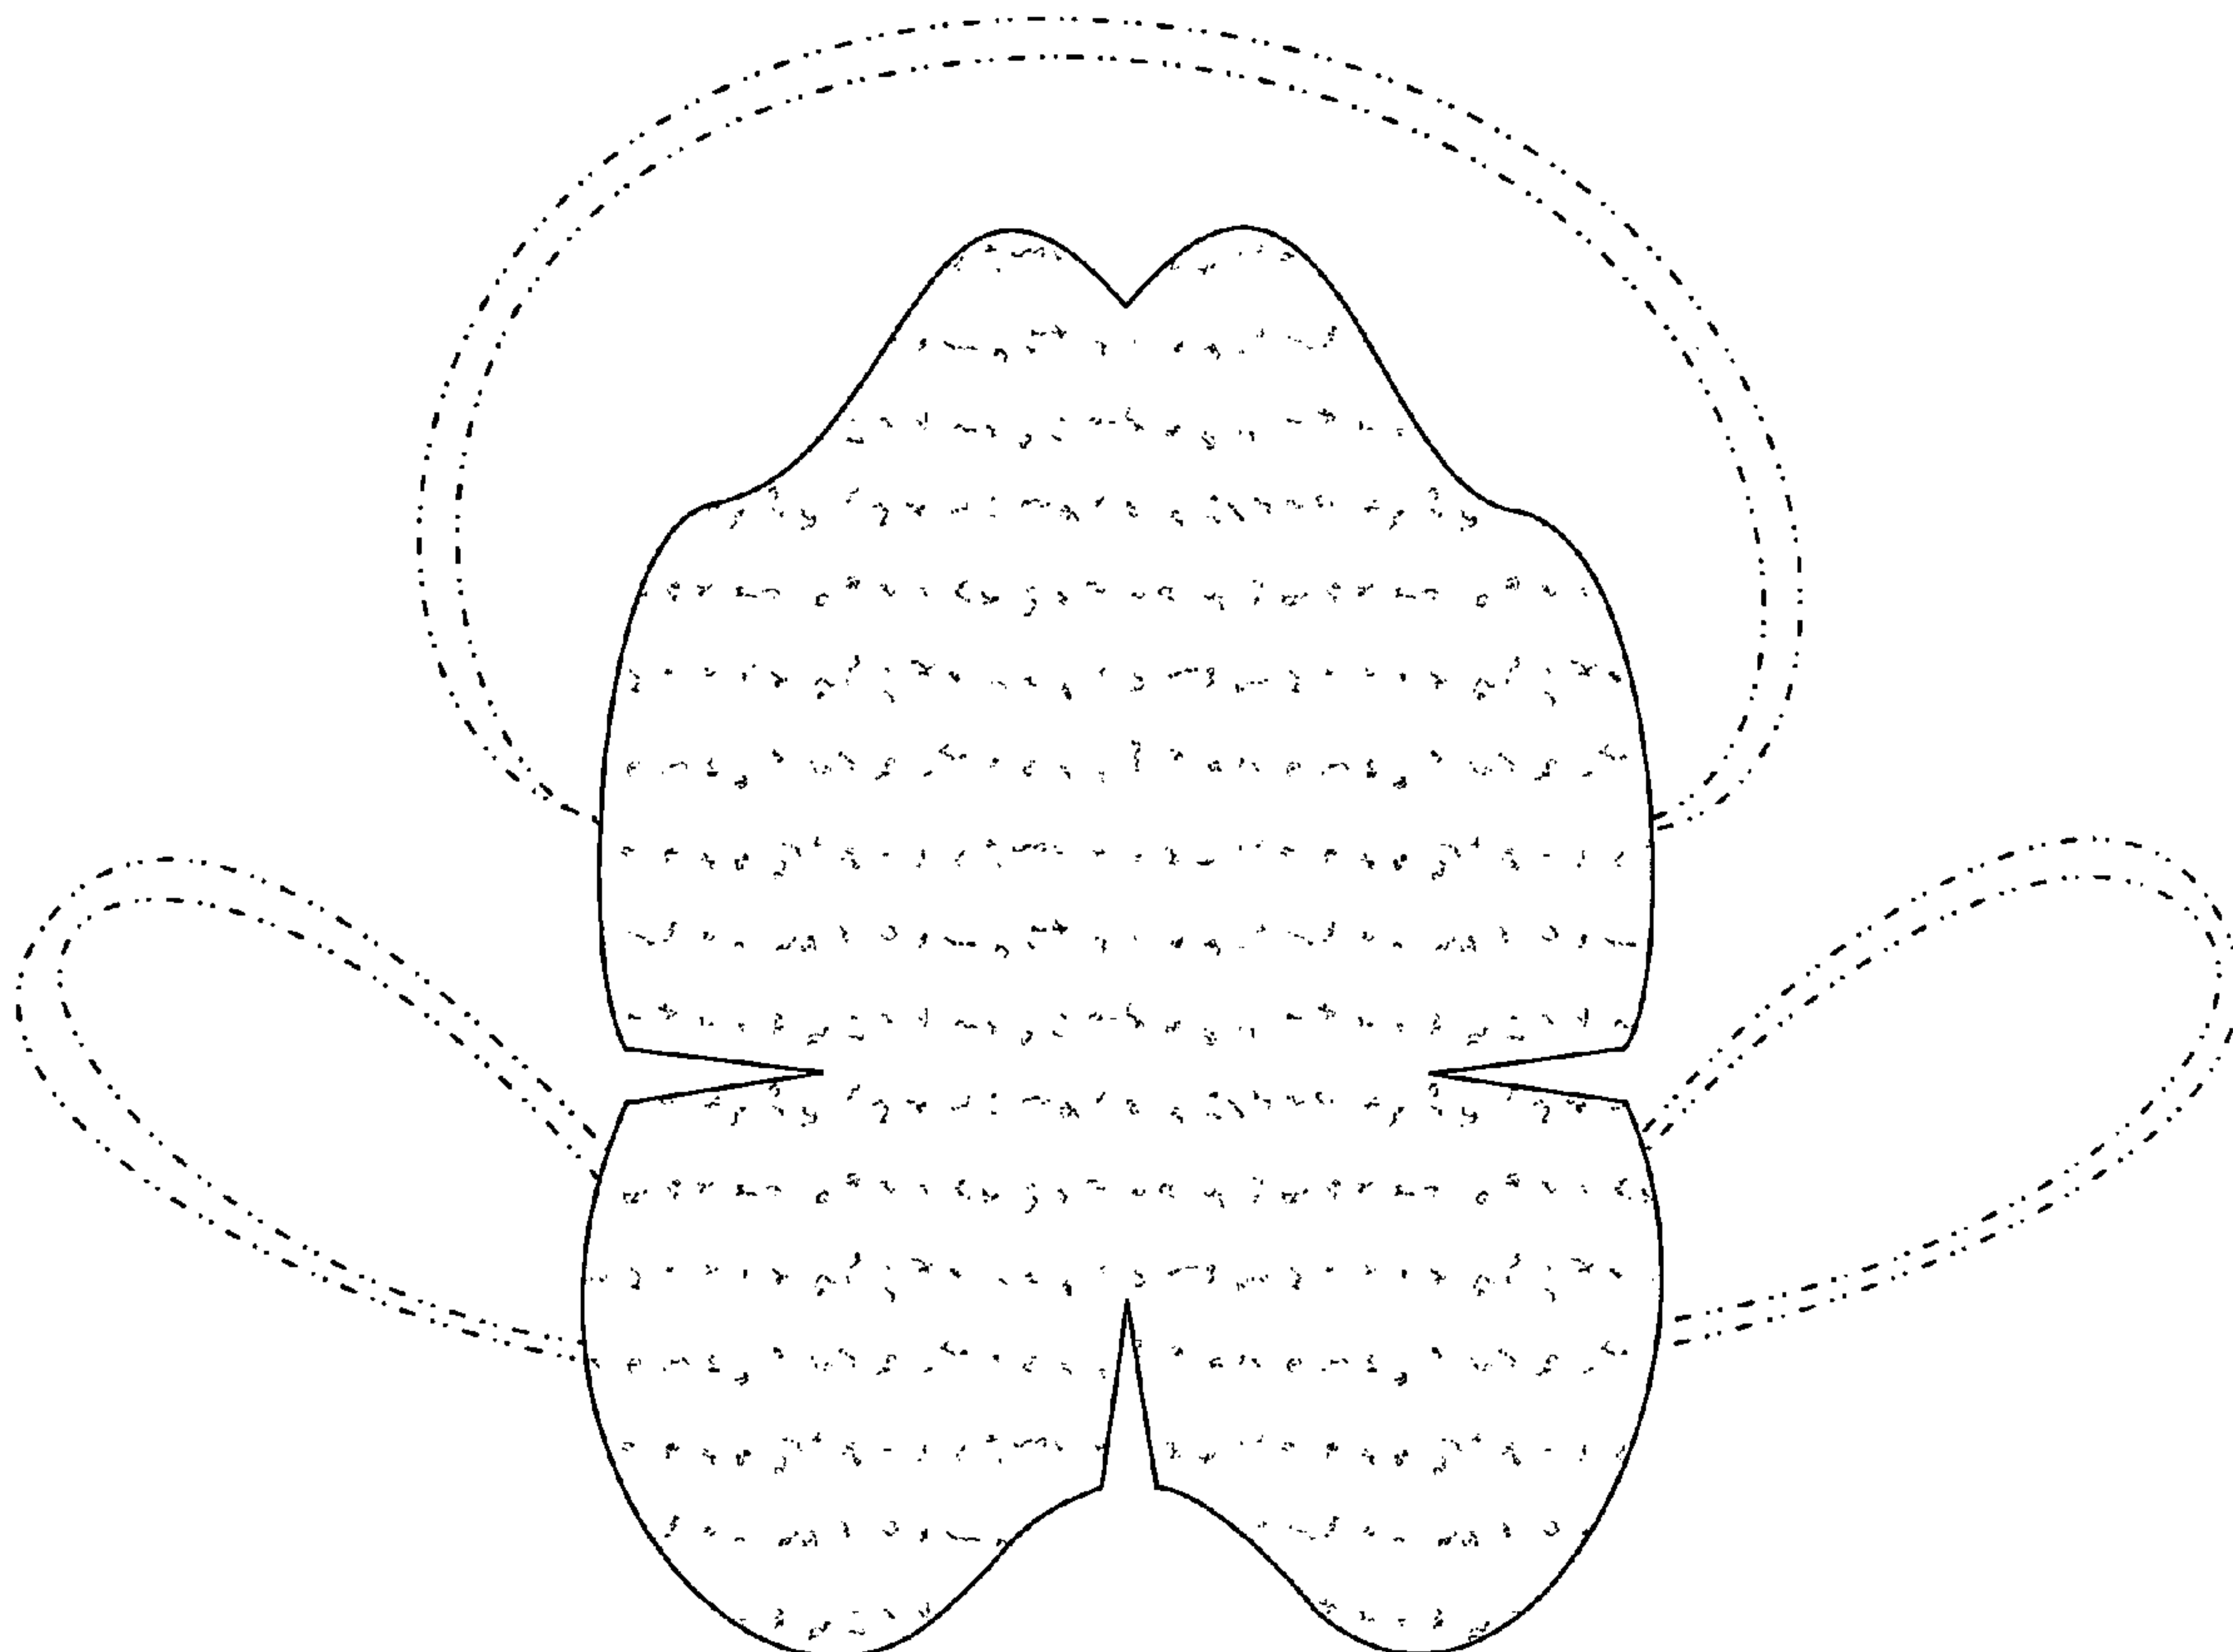

DESCRIPTION

The FIGURE is a top plan view of the neck molder showing
my new design, the bottom plan view being a mirror image
thereof.

All surfaces not shown form no part of the claimed design.

The broken lines showing of the elastic bands on the neck
molder are included for the purpose of illustrating only and
form no part of the claimed design.
