(57) **CLAIM**

The ornamental design for a fitting for plumbing fixture, as shown and described.

DESCRIPTION

In a preferred form, the nature of this product is a fitting for a plumbing fixture, wherein the fitting can be in the form of a combination seat and lid, a lid, a child seat or an adult seat, all for use with a water closet.

FIG. 1 is a right, top, front perspective view of an embodiment of our new design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a right side elevational view thereof, the left side elevational view thereof being a mirror image of the right side shown;

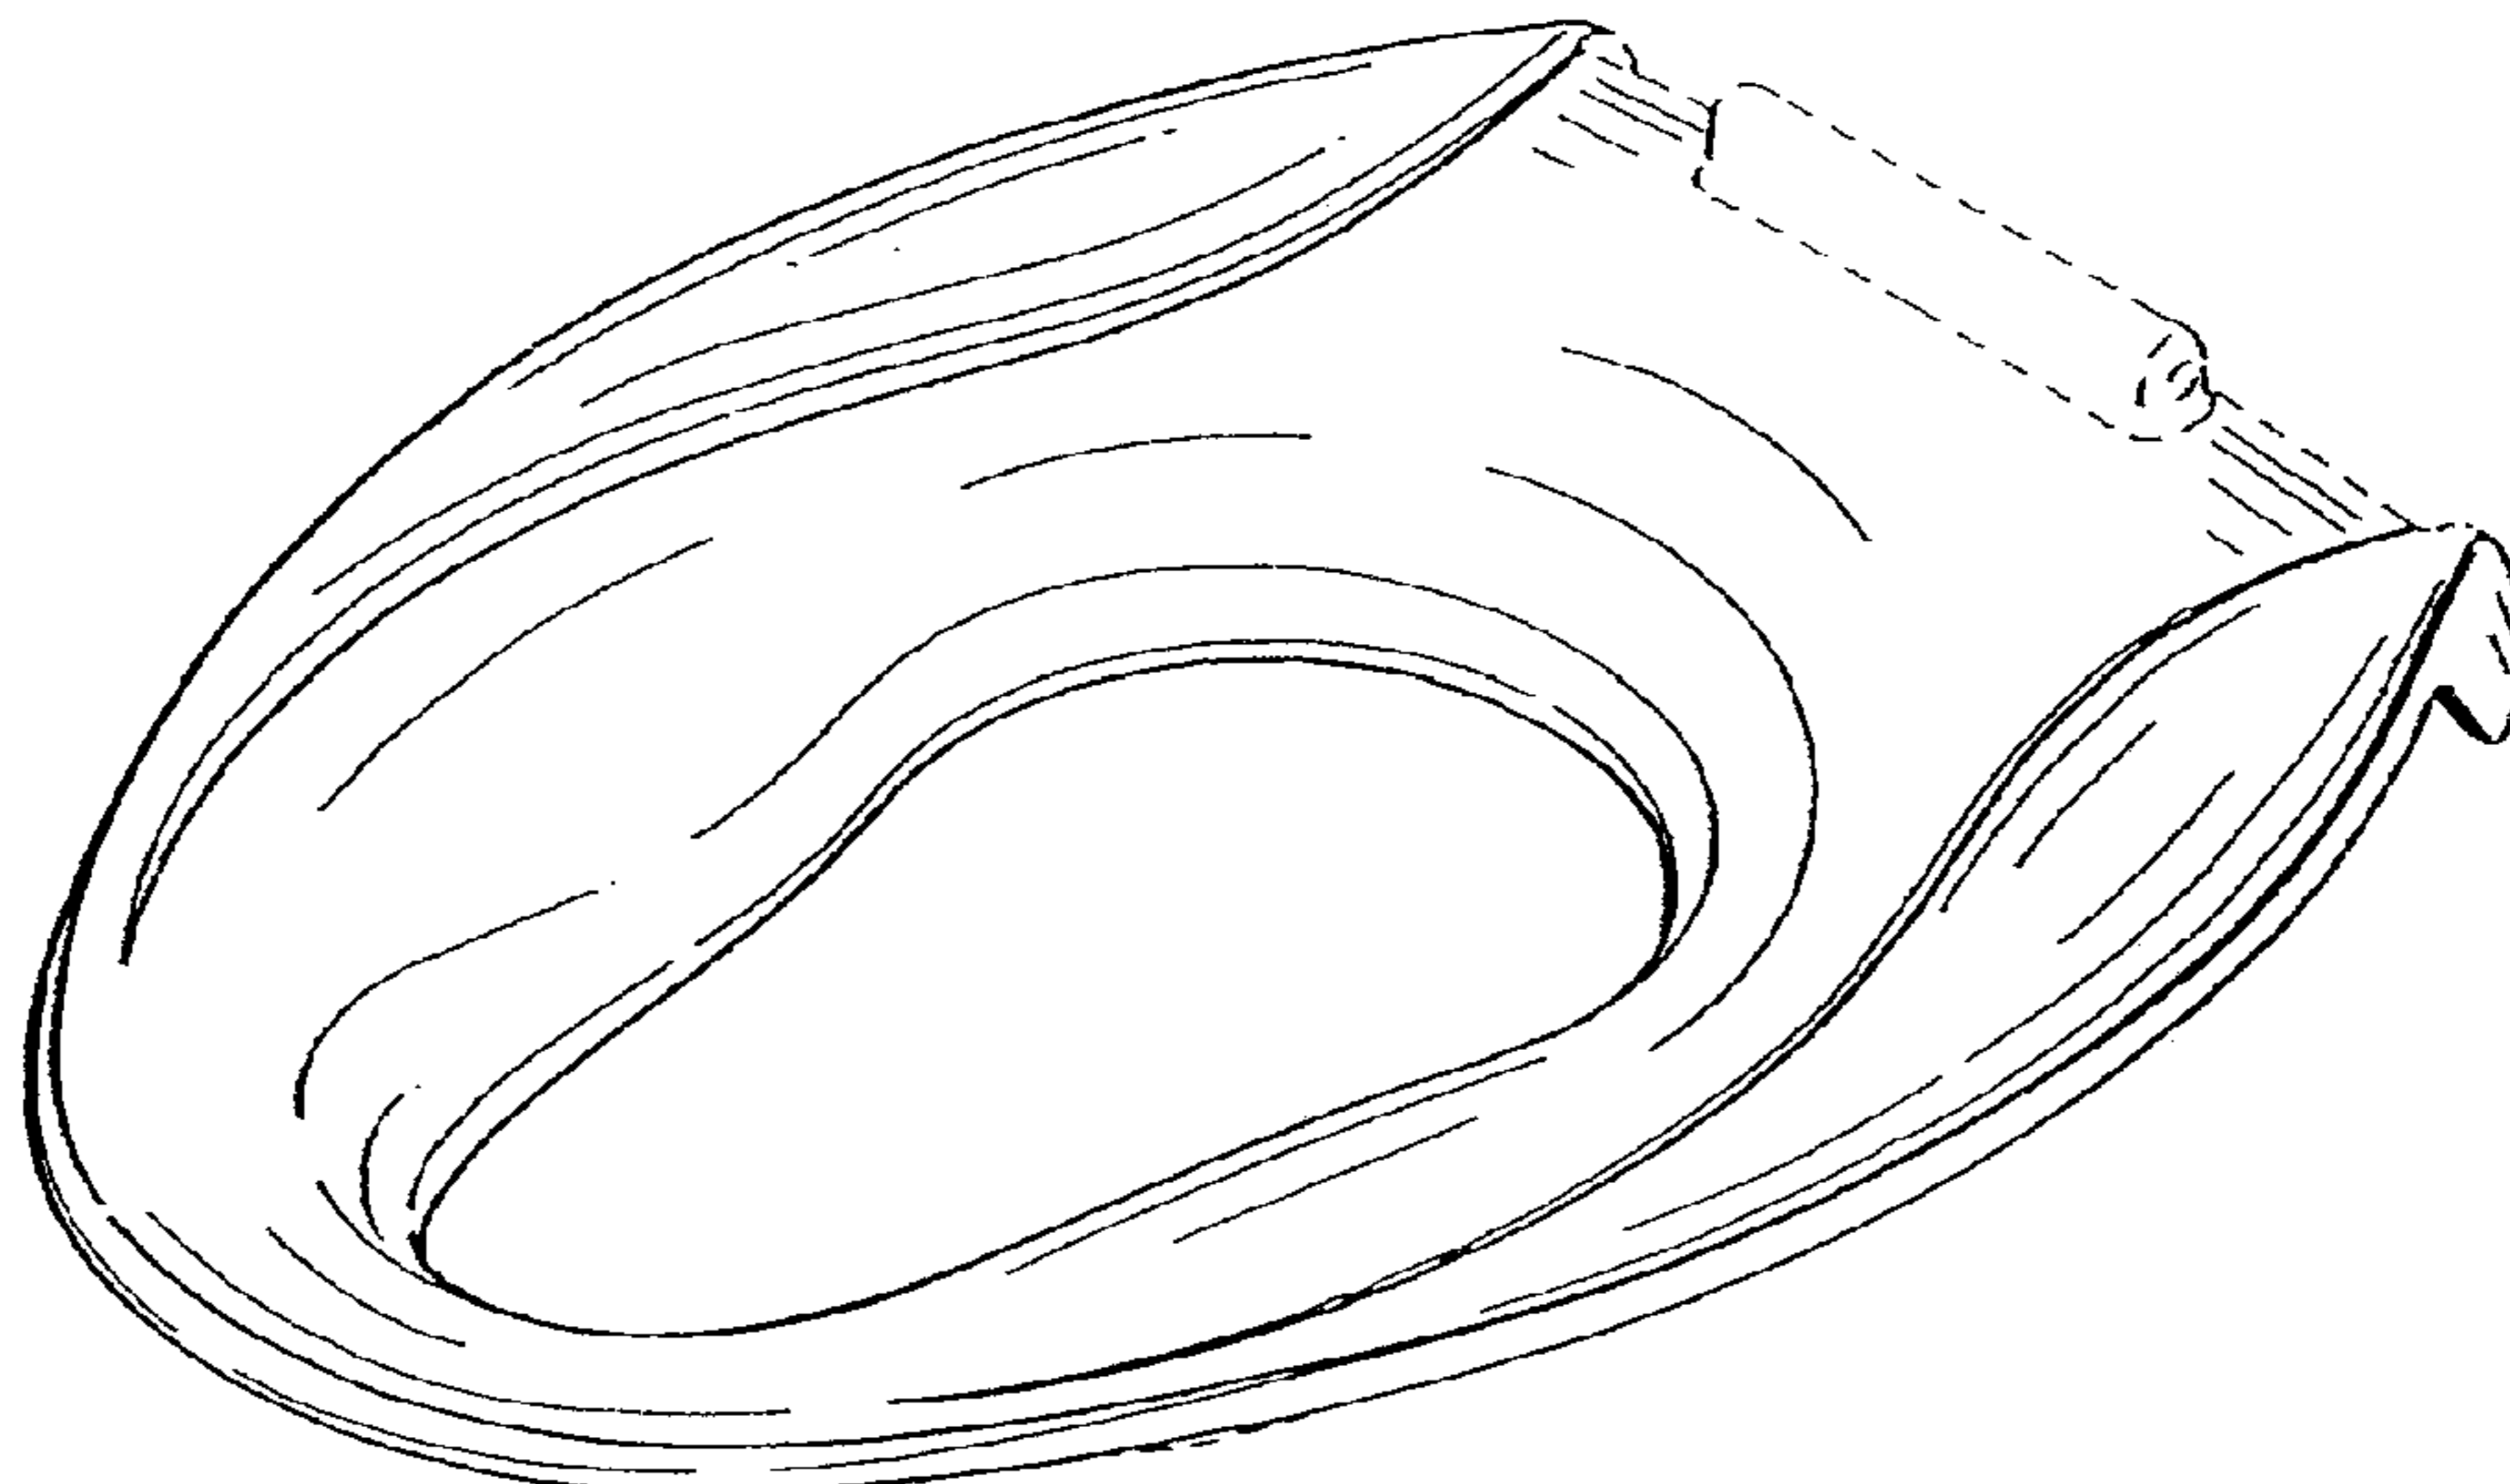

FIG. 4 is a front elevational view thereof;

FIG. 5 is a rear elevational view thereof; and,

FIG. 6 is bottom plan view thereof.

The broken line representations of hinge structure in FIGS. 1-6, riser structure in FIGS. 3-5, and contours in FIG. 6, and any other broken line representations in the figures are for the purpose of illustration only, and form no part of the claimed design.
