(57) **CLAIM**

The ornamental design for a motorized truck/utility vehicle shaped ear plug container with a rotating belt clip, or similar article, as shown and described.

DESCRIPTION

FIG. 1 is a top plan (closed position) view of a motorized truck/utility vehicle shaped ear plug container with a rotating belt clip, or similar article, showing my new design.

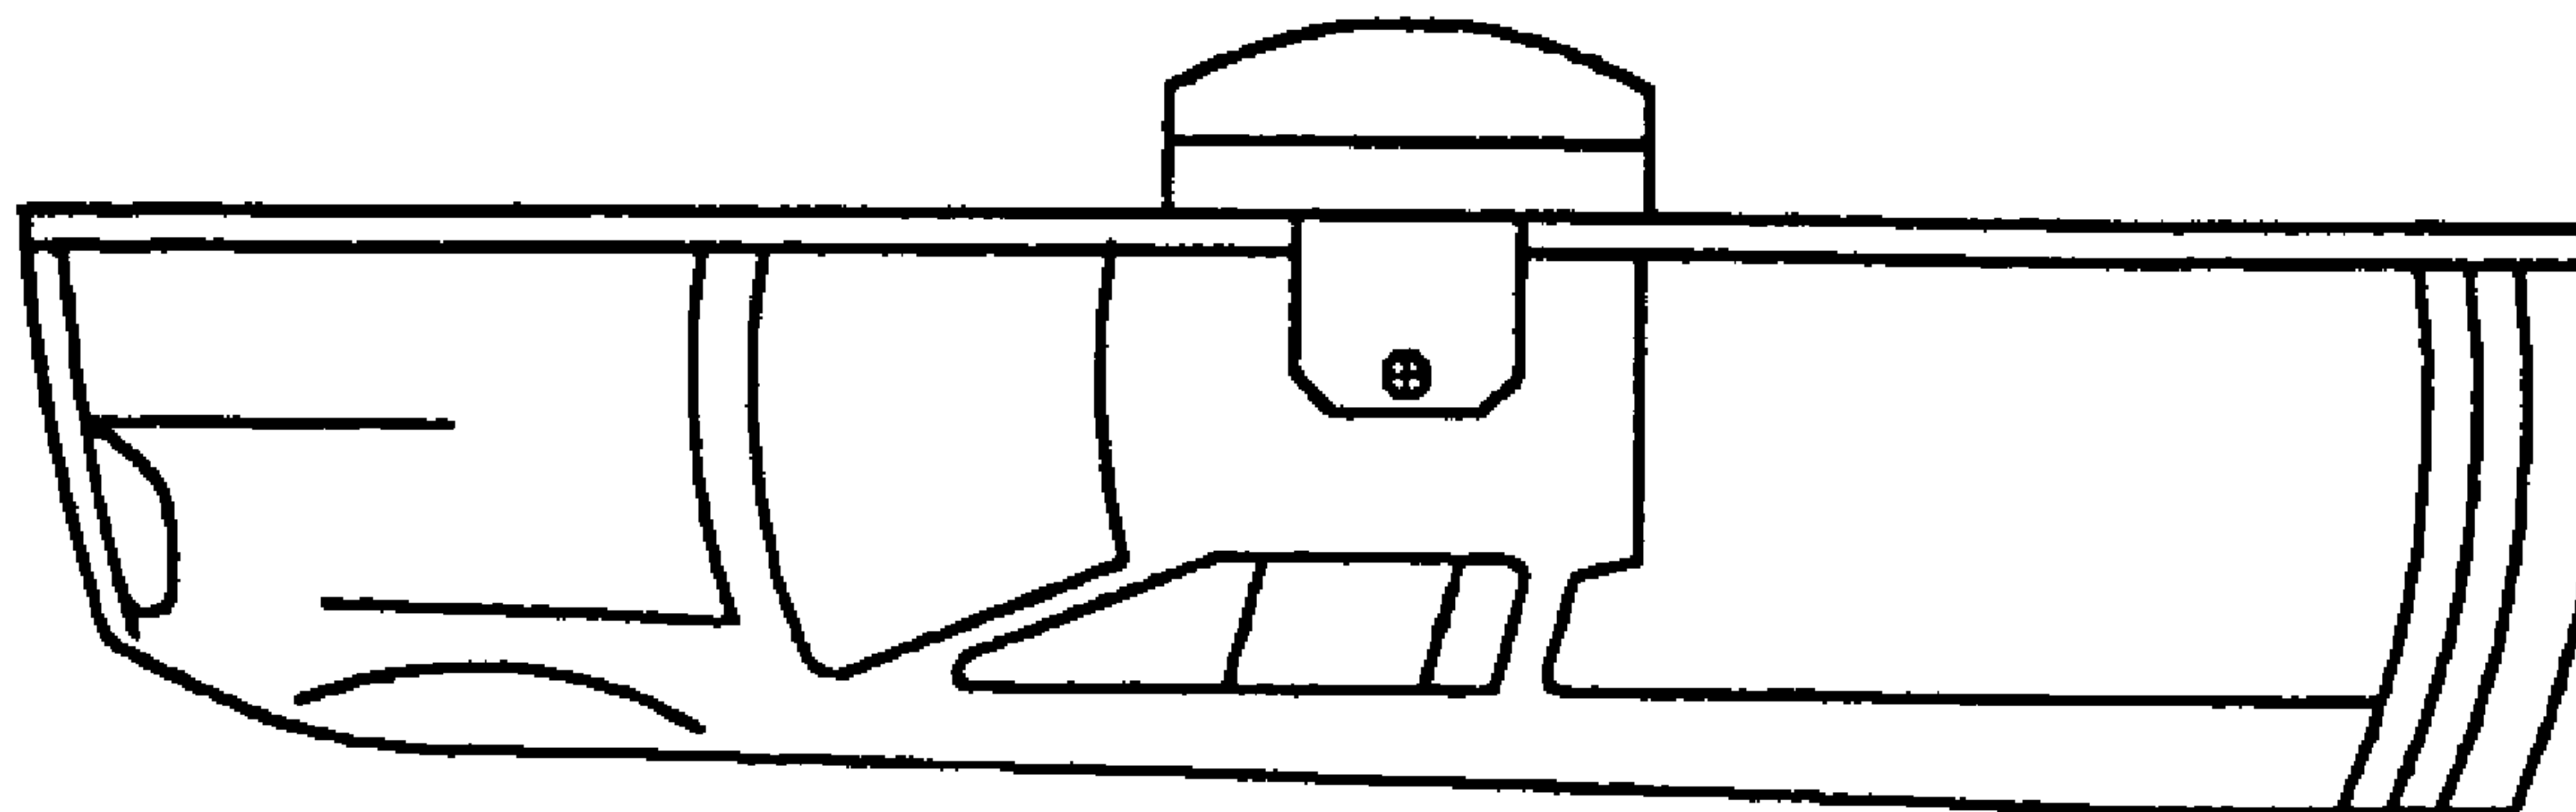

FIG. 2 is a left end elevational (closed position) view thereof.

FIG. 3 is a front elevation (open position) view thereof.

FIG. 4 is a left end elevational (open position) view thereof. Broken lines are representative of ear plugs not part of my claim; and,

FIG. 5 is a front elevational (closed position) view showing my new design.
