(57) **CLAIM**

The ornamental design for a pet memorial, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by anyone of the patent document or the patent disclosure, as it appears in the Patent and Trademark office patent files or records, but reserves all other copyright rights whatsoever.

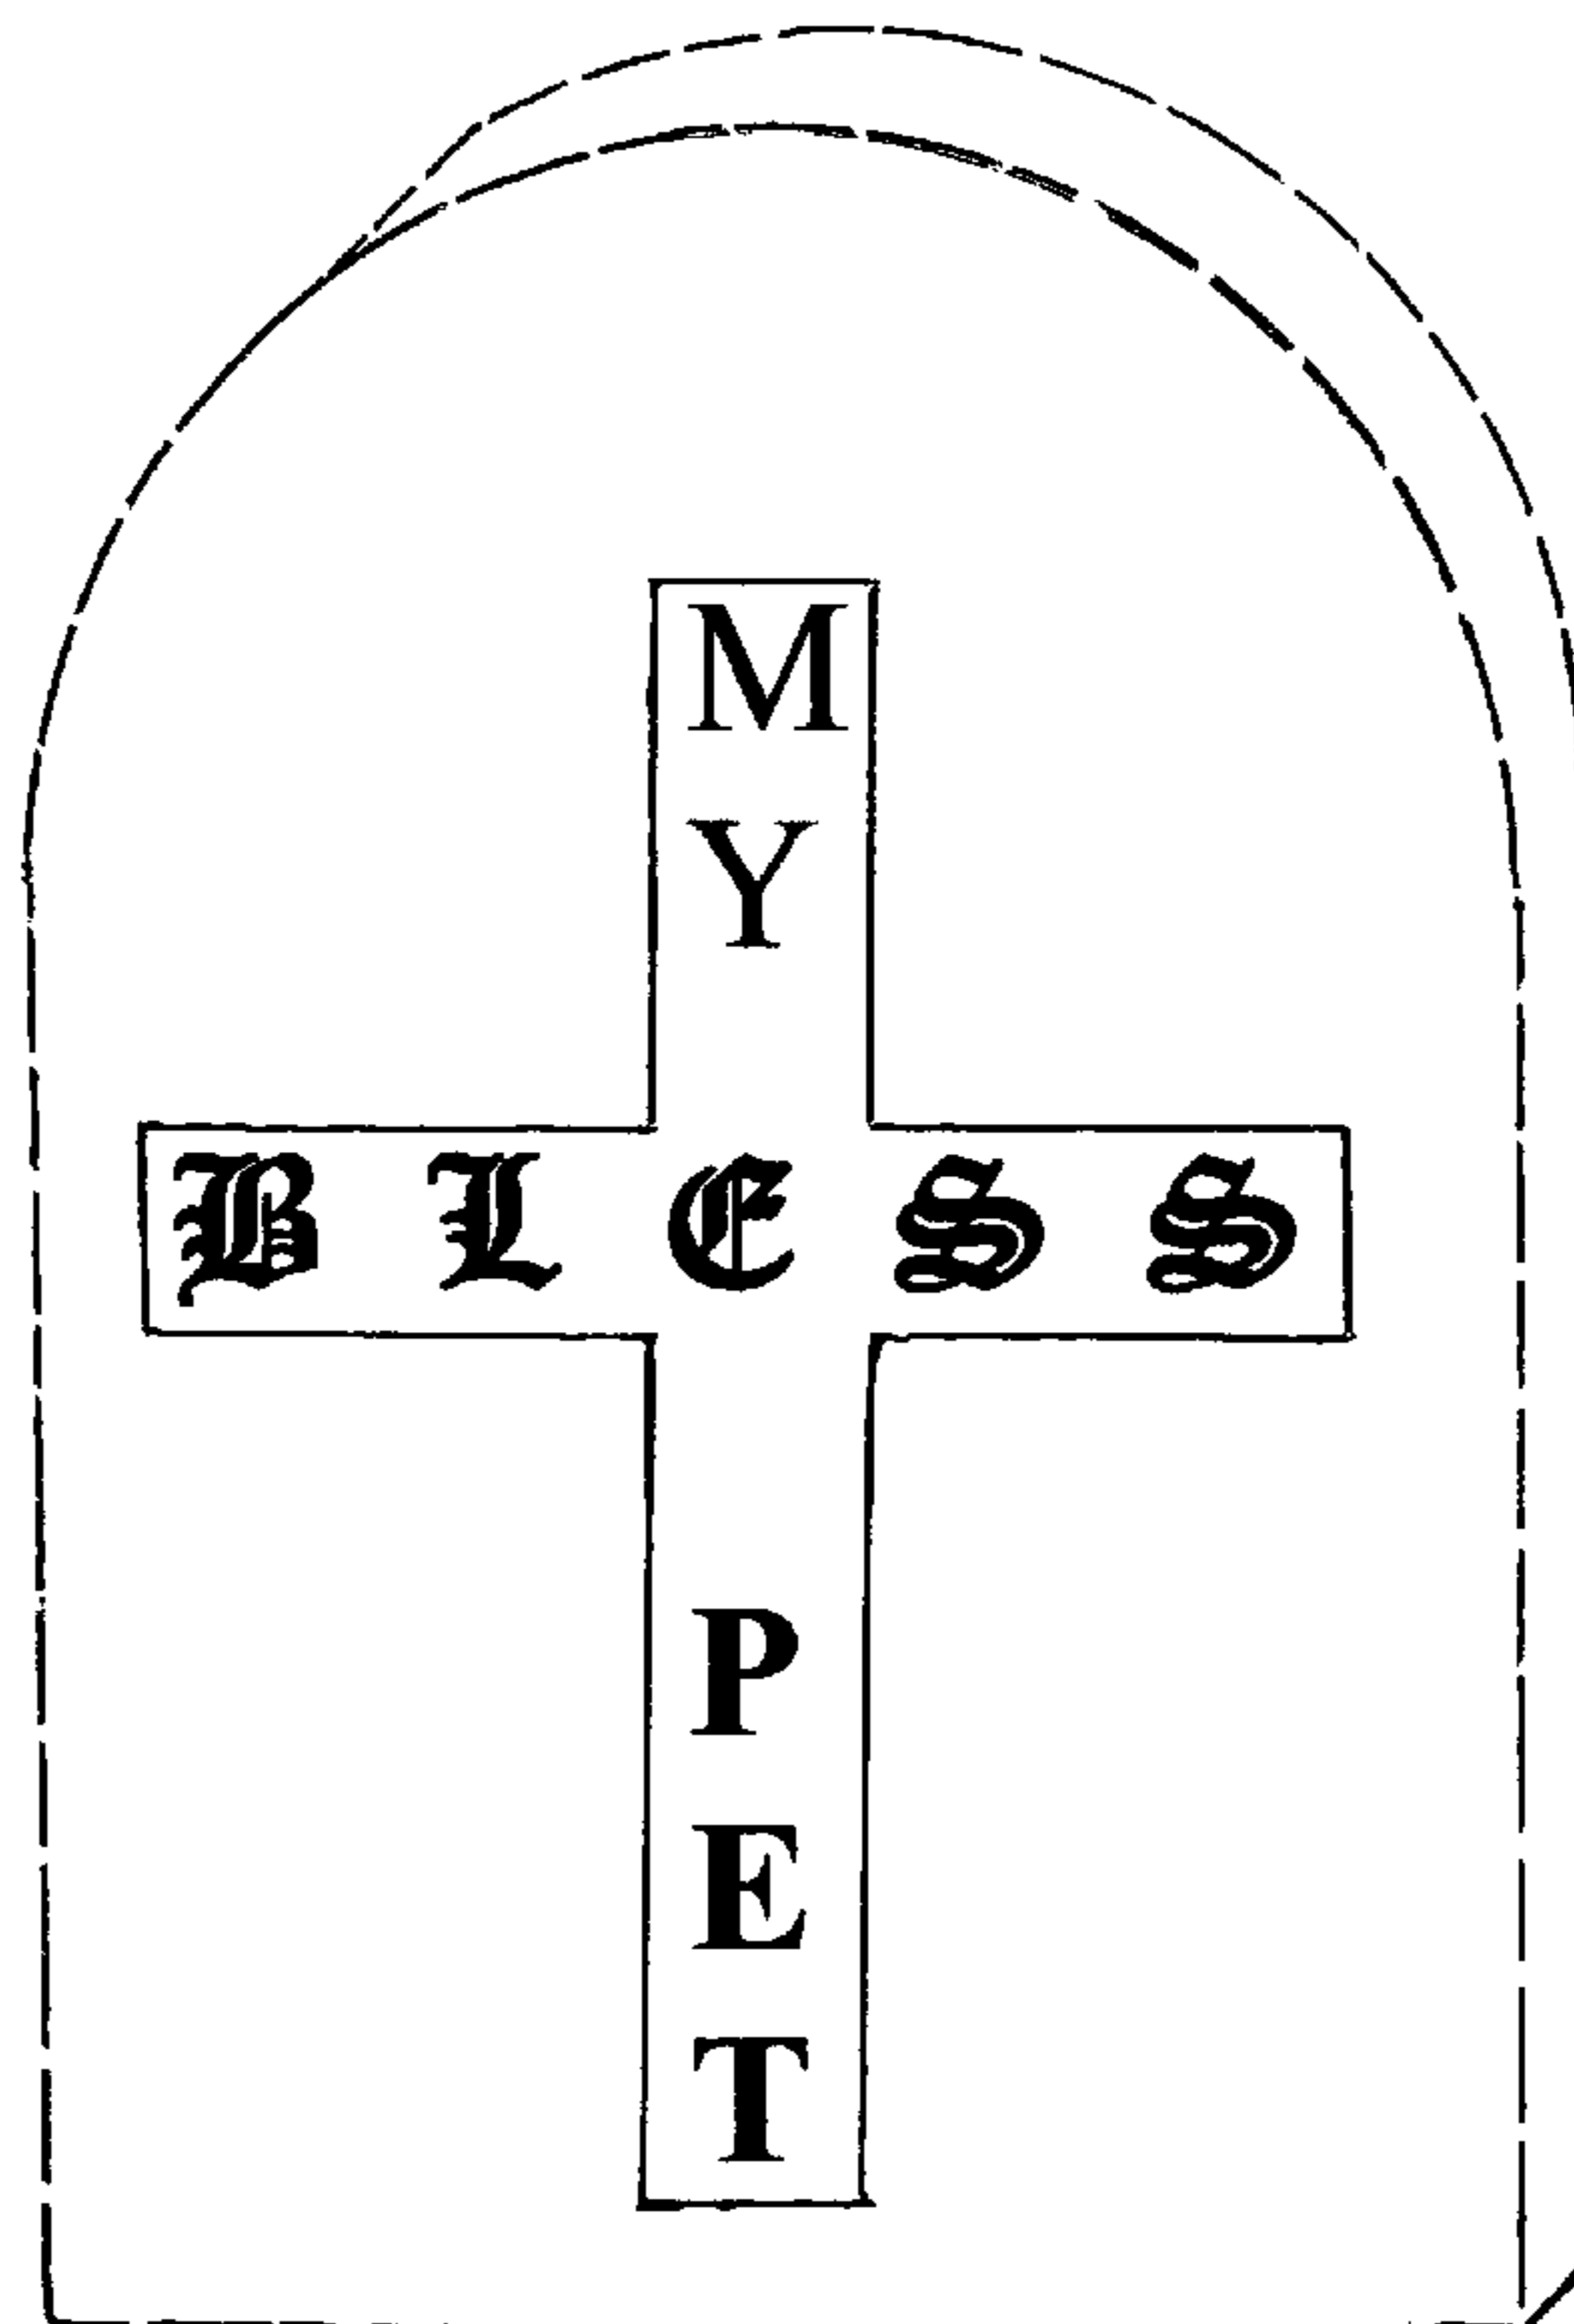

This invention is for the ornamentation on a face of a memorial to honor a pet.

FIG. 1 is a perspective view of a first embodiment of the pet memorial with the broken line showing of a free standing memorial that may contain remains of a pet;

FIG. 2 is a frontal elevation view of a second embodiment of the pet memorial with the broken line showing of a memorial that may be hung on a wall, and may contain remains of a pet; and,

FIG. 3 is a front perspective view of FIG. 2, with the broken line showing of a free-standing pet memorial that may contain the remains of a pet.
