See application file for complete search history.

DESCRIPTION

FIG. 1 is a front perspective view of a substation automation device showing my new design.

FIG. 2 is a front elevational view thereof.

FIG. 3 is a left side elevational view thereof.

FIG. 4 is a right side elevational view thereof.

FIG. 5 is a bottom plan view thereof; and,

FIG. 6 is a top plan view thereof.

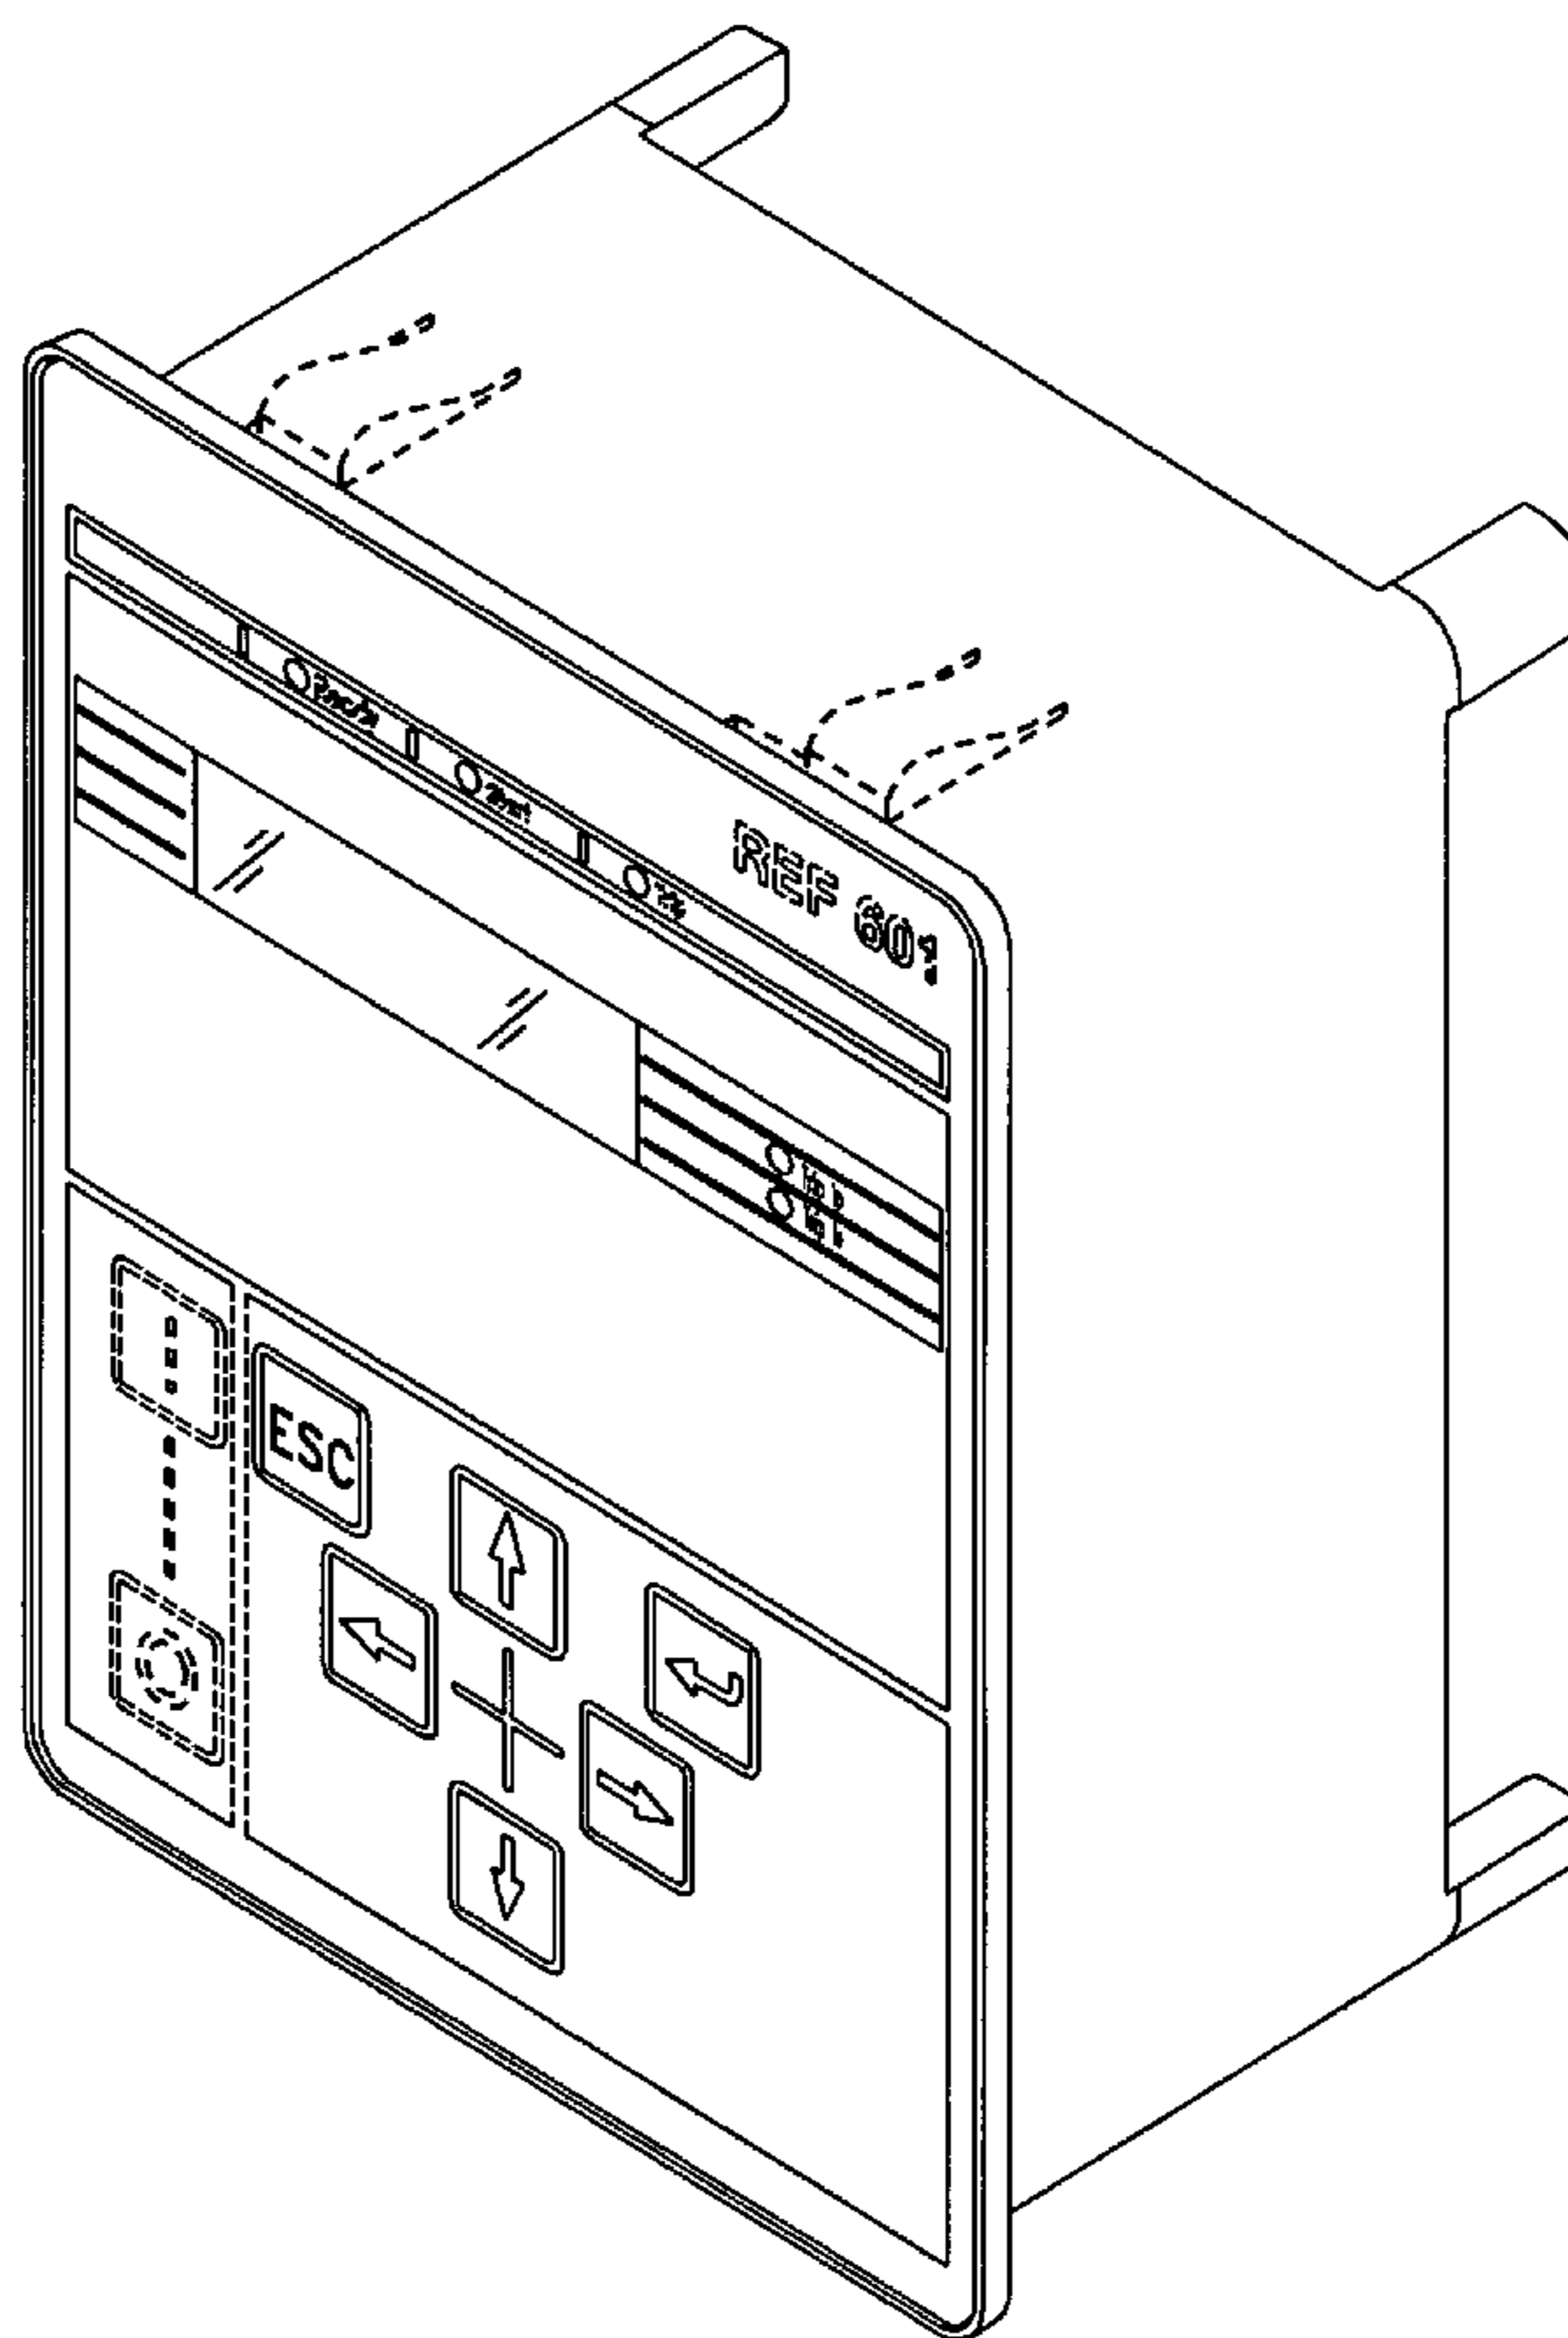

The broken line showing of various portions of the substation automation device is for illustrative purposes only and forms no part of the claimed design.
