DESCRIPTION

FIG. 1 is a front elevational view of the container for solid glue;

FIG. 2 is a left side elevational view thereof;

FIG. 3 is a right side elevational view thereof;

FIG. 4 is a rear elevational view thereof;

FIG. 5 is a top plan view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a front elevational view showing the container main body, shown separately for completeness of illustration;

FIG. 8 is a right side elevational view showing the container main body, shown separately for completeness of illustration;

FIG. 9 is a rear elevational view showing the container main body, shown separately for completeness of illustration;

FIG. 10 is a front elevational view of the refill container, shown separately for completeness of illustration;

FIG. 11 is a right side elevational view of the refill container, shown separately for completeness of illustration;

FIG. 12 is a rear elevational view of the refill container, shown separately for completeness of illustration;

FIG. 13 is a front elevational view of the design of FIGS. 1–9, shown without the cap for completeness of illustration;

FIG. 14 is a right side elevational view of the design of FIGS. 1–9, shown without the cap for completeness of illustration;

FIG. 15 is a perspective view of the design of FIGS. 1–9;

FIG. 16 is an exploded perspective view of the design of FIGS. 1–9; and,

FIG. 17 is a left side elevational view of the design of FIGS. 1–9, showing the cap in an unlocked position of use.
