CLAIM

What is claimed is the ornamental design for a disposable cervical tenaculum, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the disposable cervical tenaculum of Applicant's present invention.

FIG. 2 is a front elevation of the disposable cervical tenaculum of Applicant's present invention.

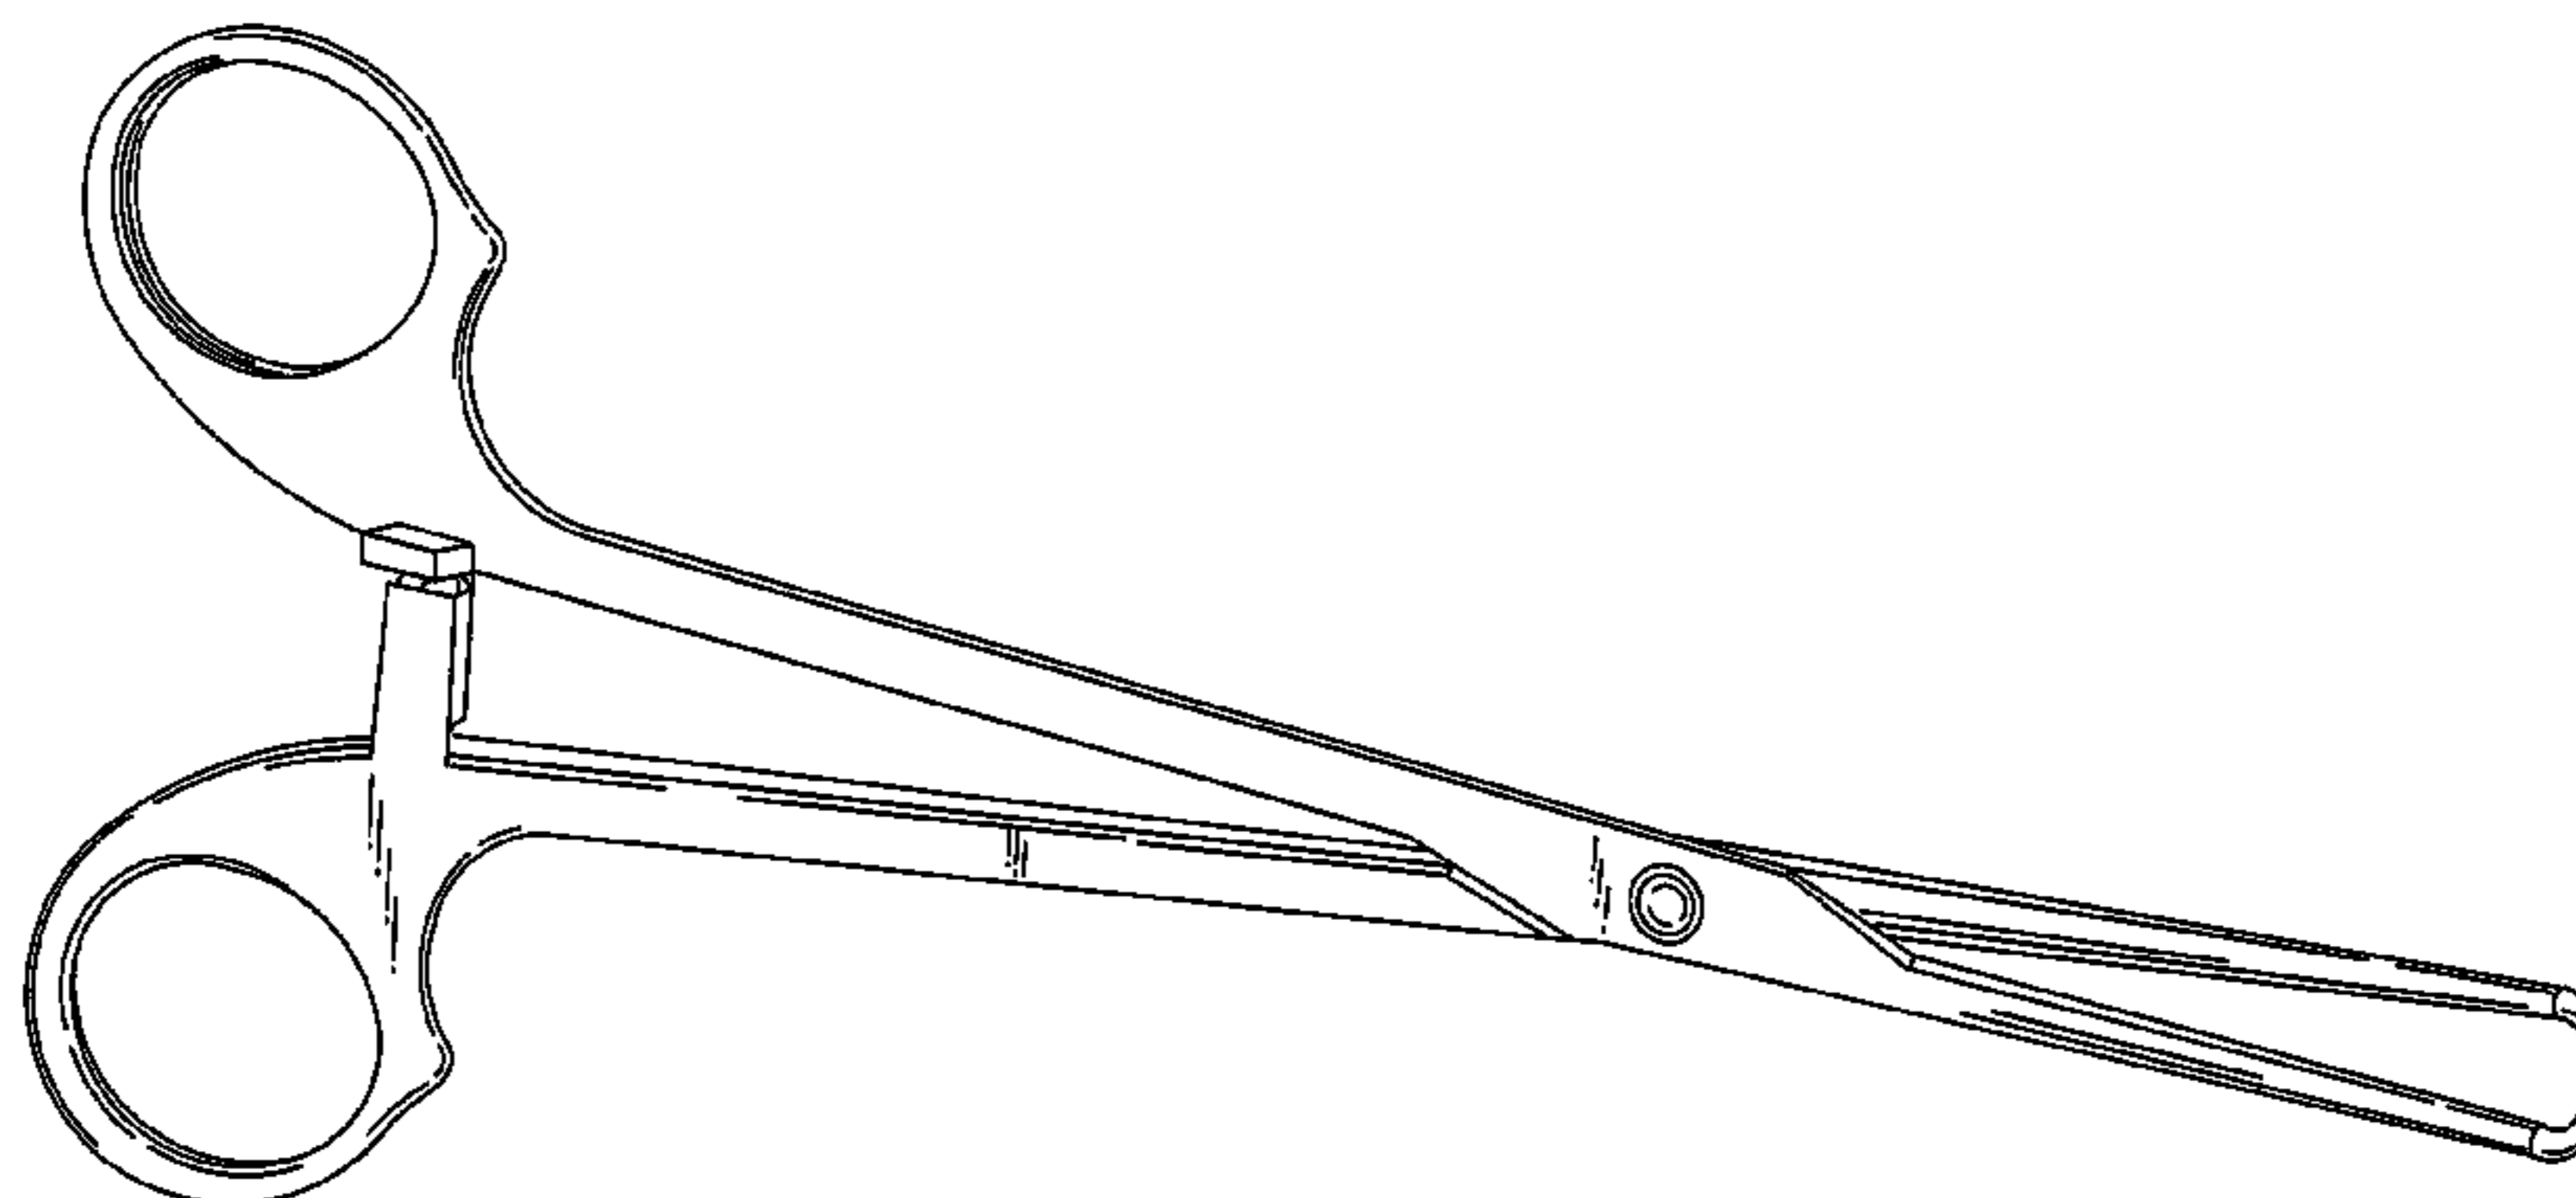

FIG. 3 is a top elevation and a bottom elevation of the disposable cervical tenaculum of Applicant's present invention, both sides being identical.

FIG. 4 is a back elevation of the disposable cervical tenaculum of Applicant's present invention.

FIG. 5 is a left elevation of the disposable cervical tenaculum of Applicant's present invention; and,

FIG. 6 is a right elevation of the disposable cervical tenaculum of Applicant's present invention.

1 Claim, 3 Drawing Sheets
