(57) **CLAIM**

The ornamental design for a combination ceiling fan and light fixture, as shown and described.

DESCRIPTION

FIG. 1 is a bottom perspective view of a combination ceiling fan and light fixture in accordance with my design;

FIG. 2 is a reduced top plan view of the combination ceiling fan and light fixture in accordance with my design;

FIG. 3 is a reduced bottom plan view of the combination ceiling fan and light fixture in accordance with my design;

FIG. 4 is a front elevation view of the combination ceiling fan and light fixture in accordance with my design;

FIG. 5 is a back elevation view of the combination ceiling fan and light fixture in accordance with my design; and

FIG. 6 is a side elevation view of the combination ceiling fan and light fixture in accordance with my design, the opposite view being a mirror image of that shown except for the position of the fan blades.

The broken line showing of the ceiling fan canopy, top apertures and finial is included for the purpose of illustrating environmental structure and forms no part of the claimed design.
