(57) **CLAIM**

The ornamental design for a vehicle interior, as shown and described.

DESCRIPTION

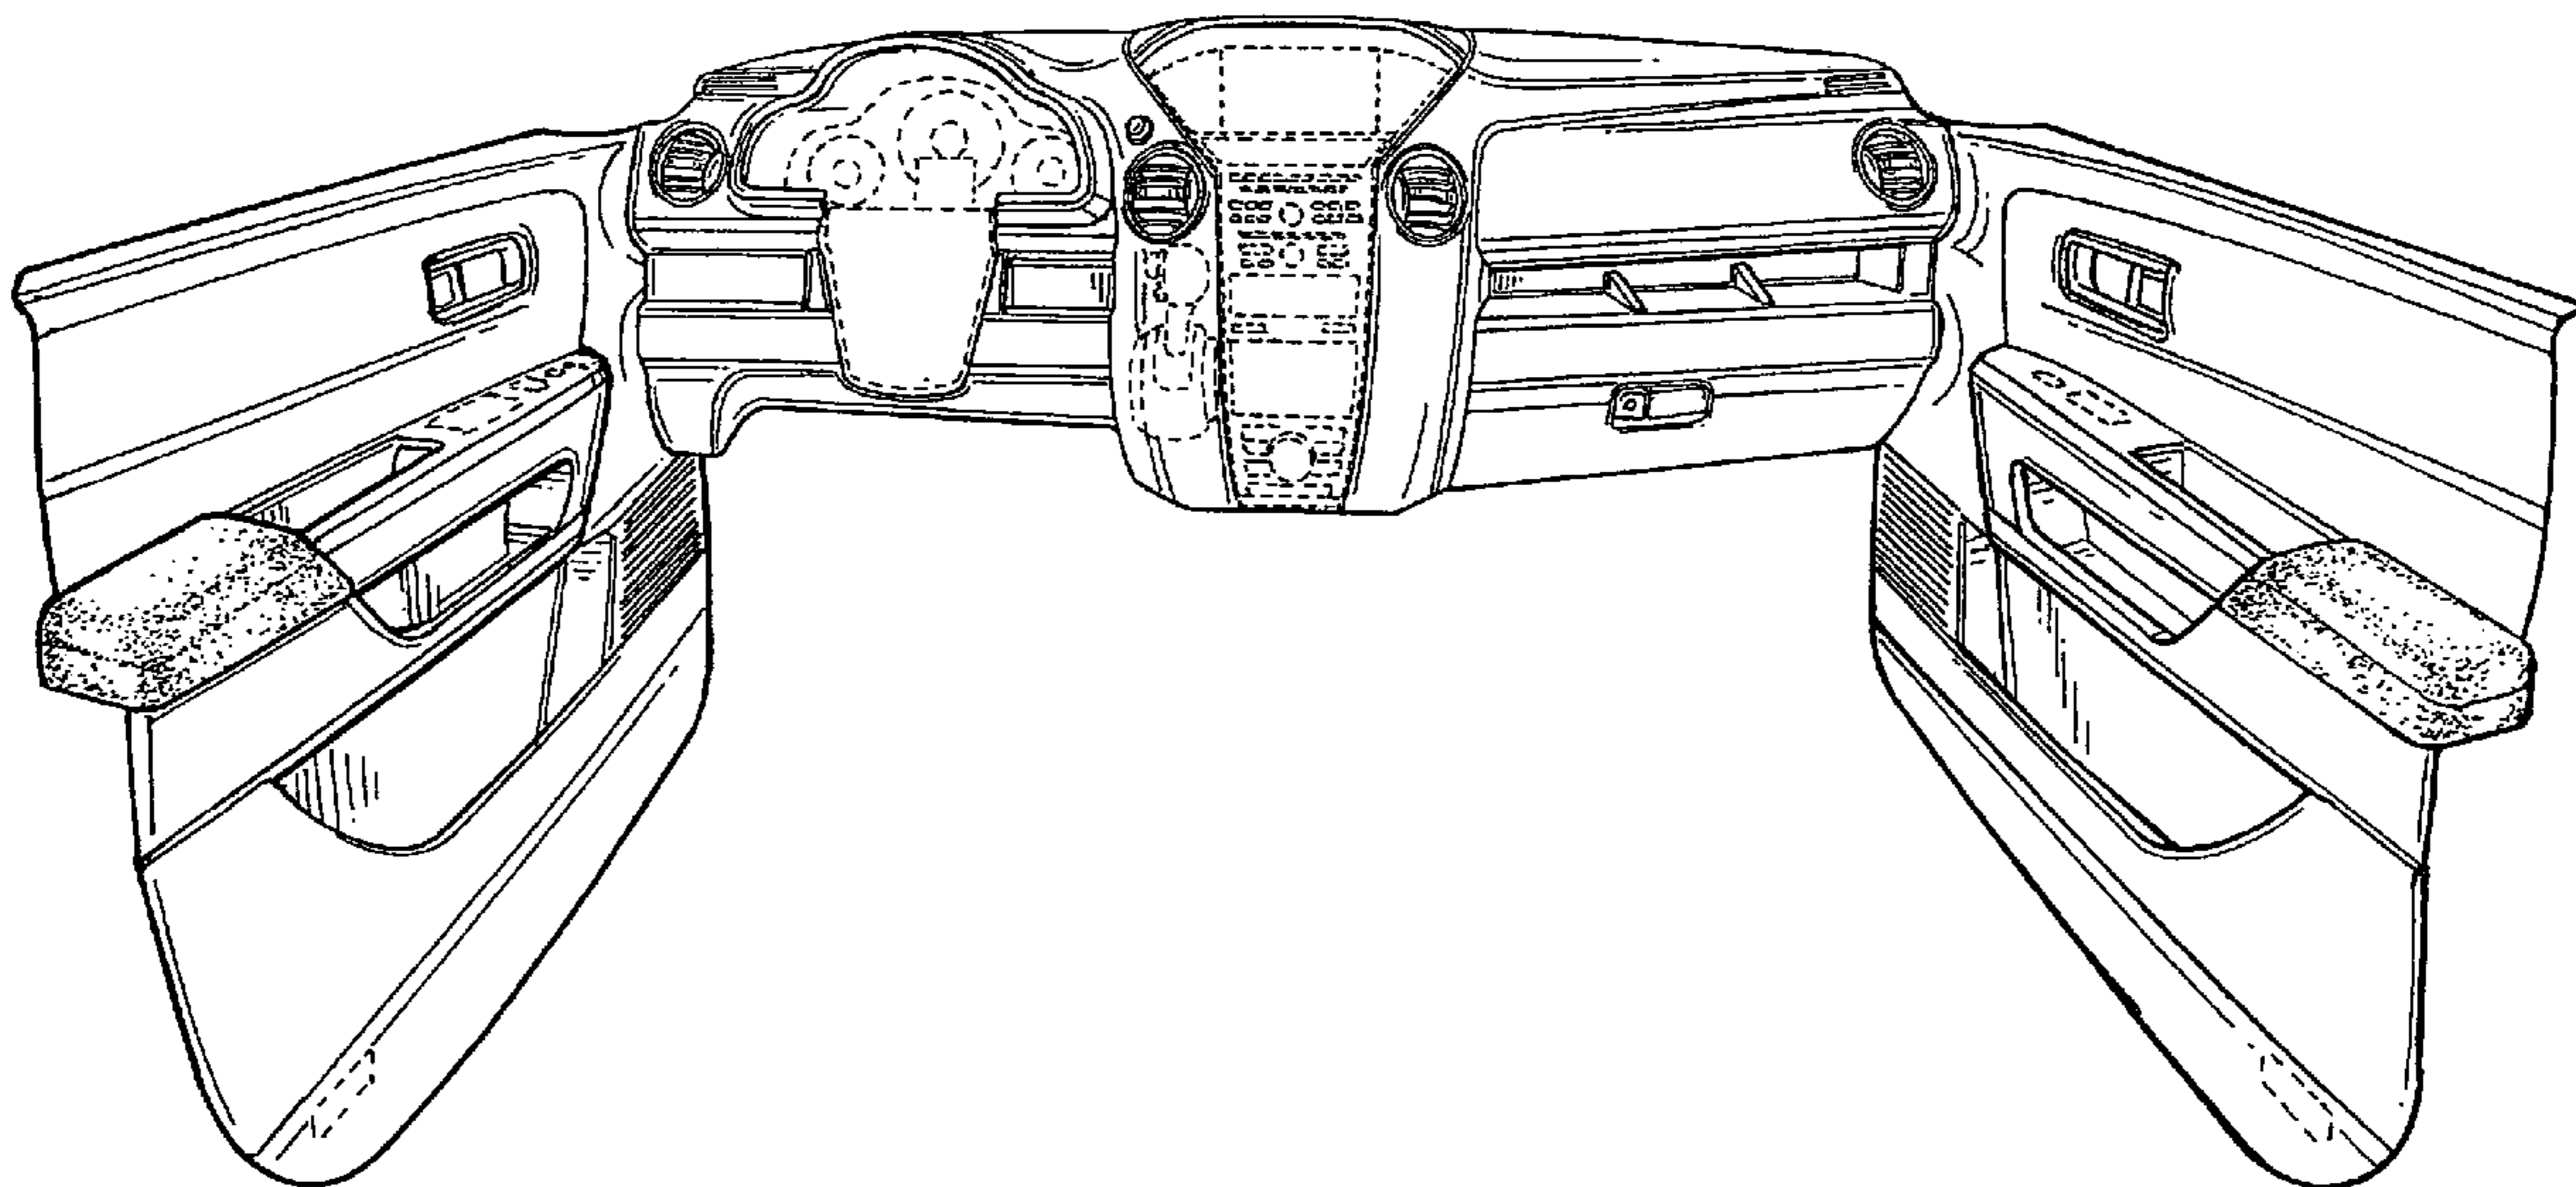

FIG. 1 is a perspective view of a vehicle interior showing my new design with the right side door removed for ease of illustration;

FIG. 2 is a perspective view thereof viewed from the opposite side shown with the left side door removed for ease of illustration; and,

FIG. 3 is a front elevational view of the vehicle interior.

The broken line showings of the rectangles on the doors and door handles; the instrument cluster, steering wheel mount area, central display area, central control panel and the gear shifter are for illustrative purposes only and form no part of the claimed design.
