(57) **CLAIM**

The ornamental design for a trowel blade, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a trowel blade according to the present design;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a left side elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a front elevational view thereof; and,

FIG. 7 is a rear elevational view thereof.

The broken lines showing environment in the drawings are for illustrative purposes only and form no part of the claimed design.
