(57) **CLAIM**

The ornamental design for a handheld scale with removable cover, as shown and described.

**DESCRIPTION**

This application claims the benefit of U.S. design Pat. No. D488,732 filed on Apr. 1, 2003, U.S. design Pat. No. D521,889 filed on Feb. 1, 2005, U.S. design Pat. No. D448,316 filed on Feb. 9, 2001 and U.S. design Pat. No. D486,088 filed on Jun. 2, 2003.

FIG. 1 is a perspective view of my new handheld scale with removable cover design

FIG. 2 is a top view of my new handheld scale with removable cover design

FIG. 3. is a bottom view of my new handheld scale with removable cover design

FIG. 4 is a left side view of my new handheld scale with removable cover design

FIG. 5 is a right side, upside-down view of my new handheld scale with removable cover design

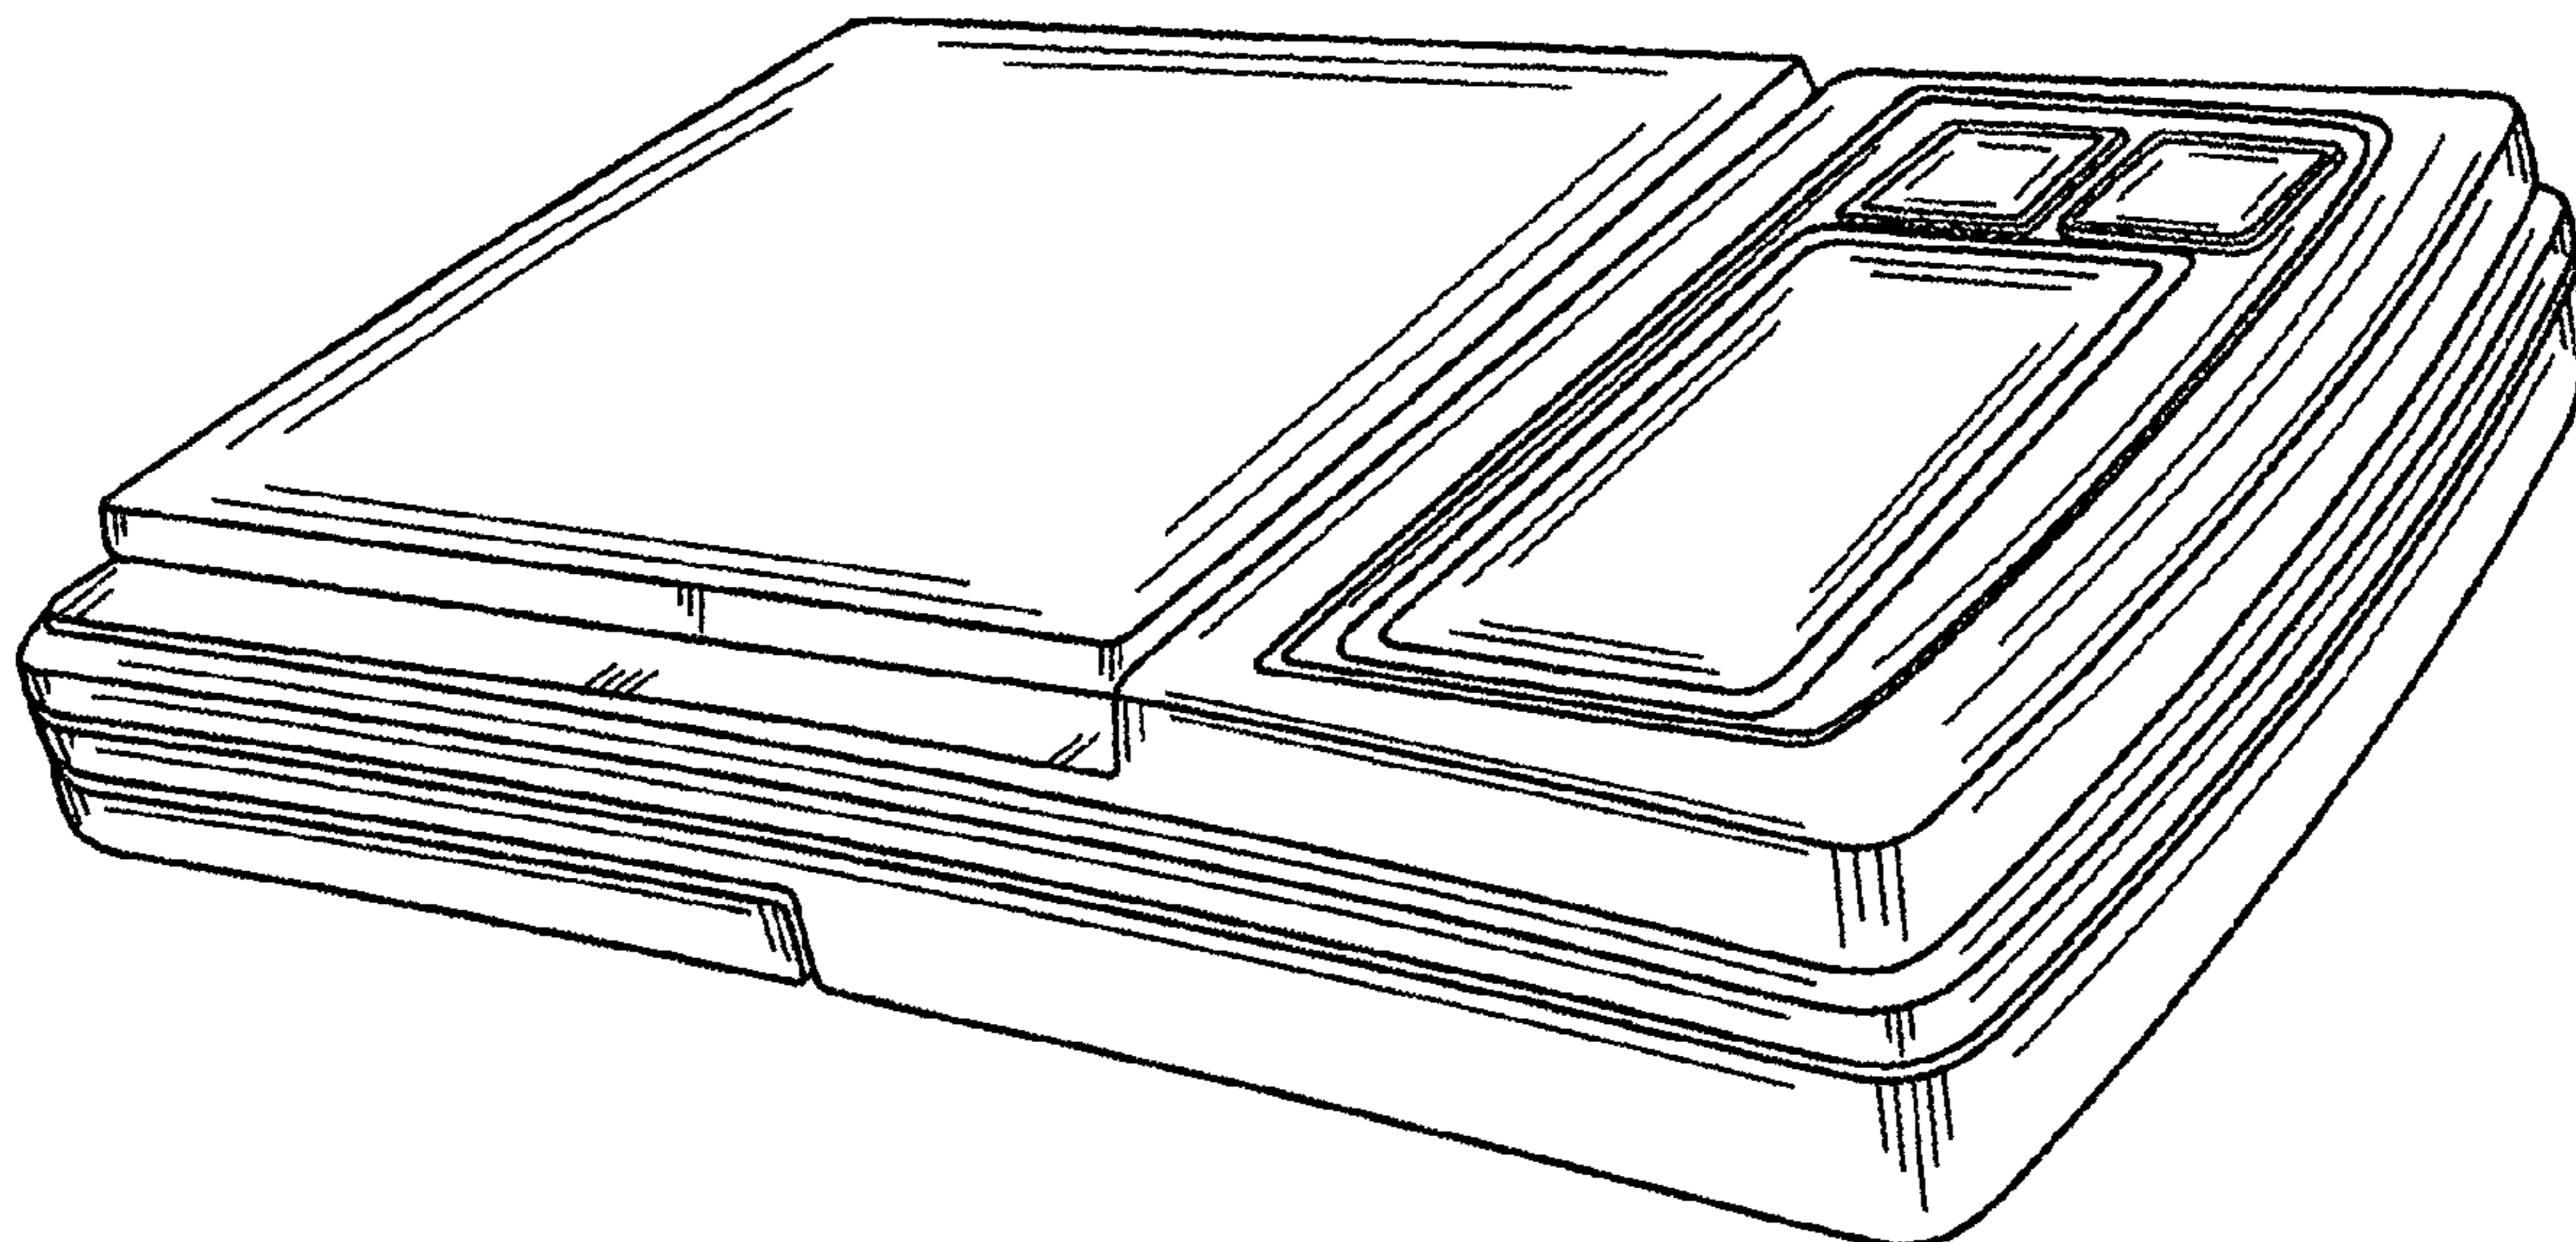

FIG. 6 is a back side view of my new handheld scale with removable cover design

FIG. 7 is a front side view of my new handheld scale with removable cover design; and,

FIG. 8 is a closed-cover perspective view of my new handheld scale with removable cover design.

My handheld scale with removable cover design is characterized by a case with a removable cover that functions as a weighing tray with a weighing table in a square shape with a rectangular-shaped LCD display that is adjacent to functional buttons in a square display.
