(57) **CLAIM**

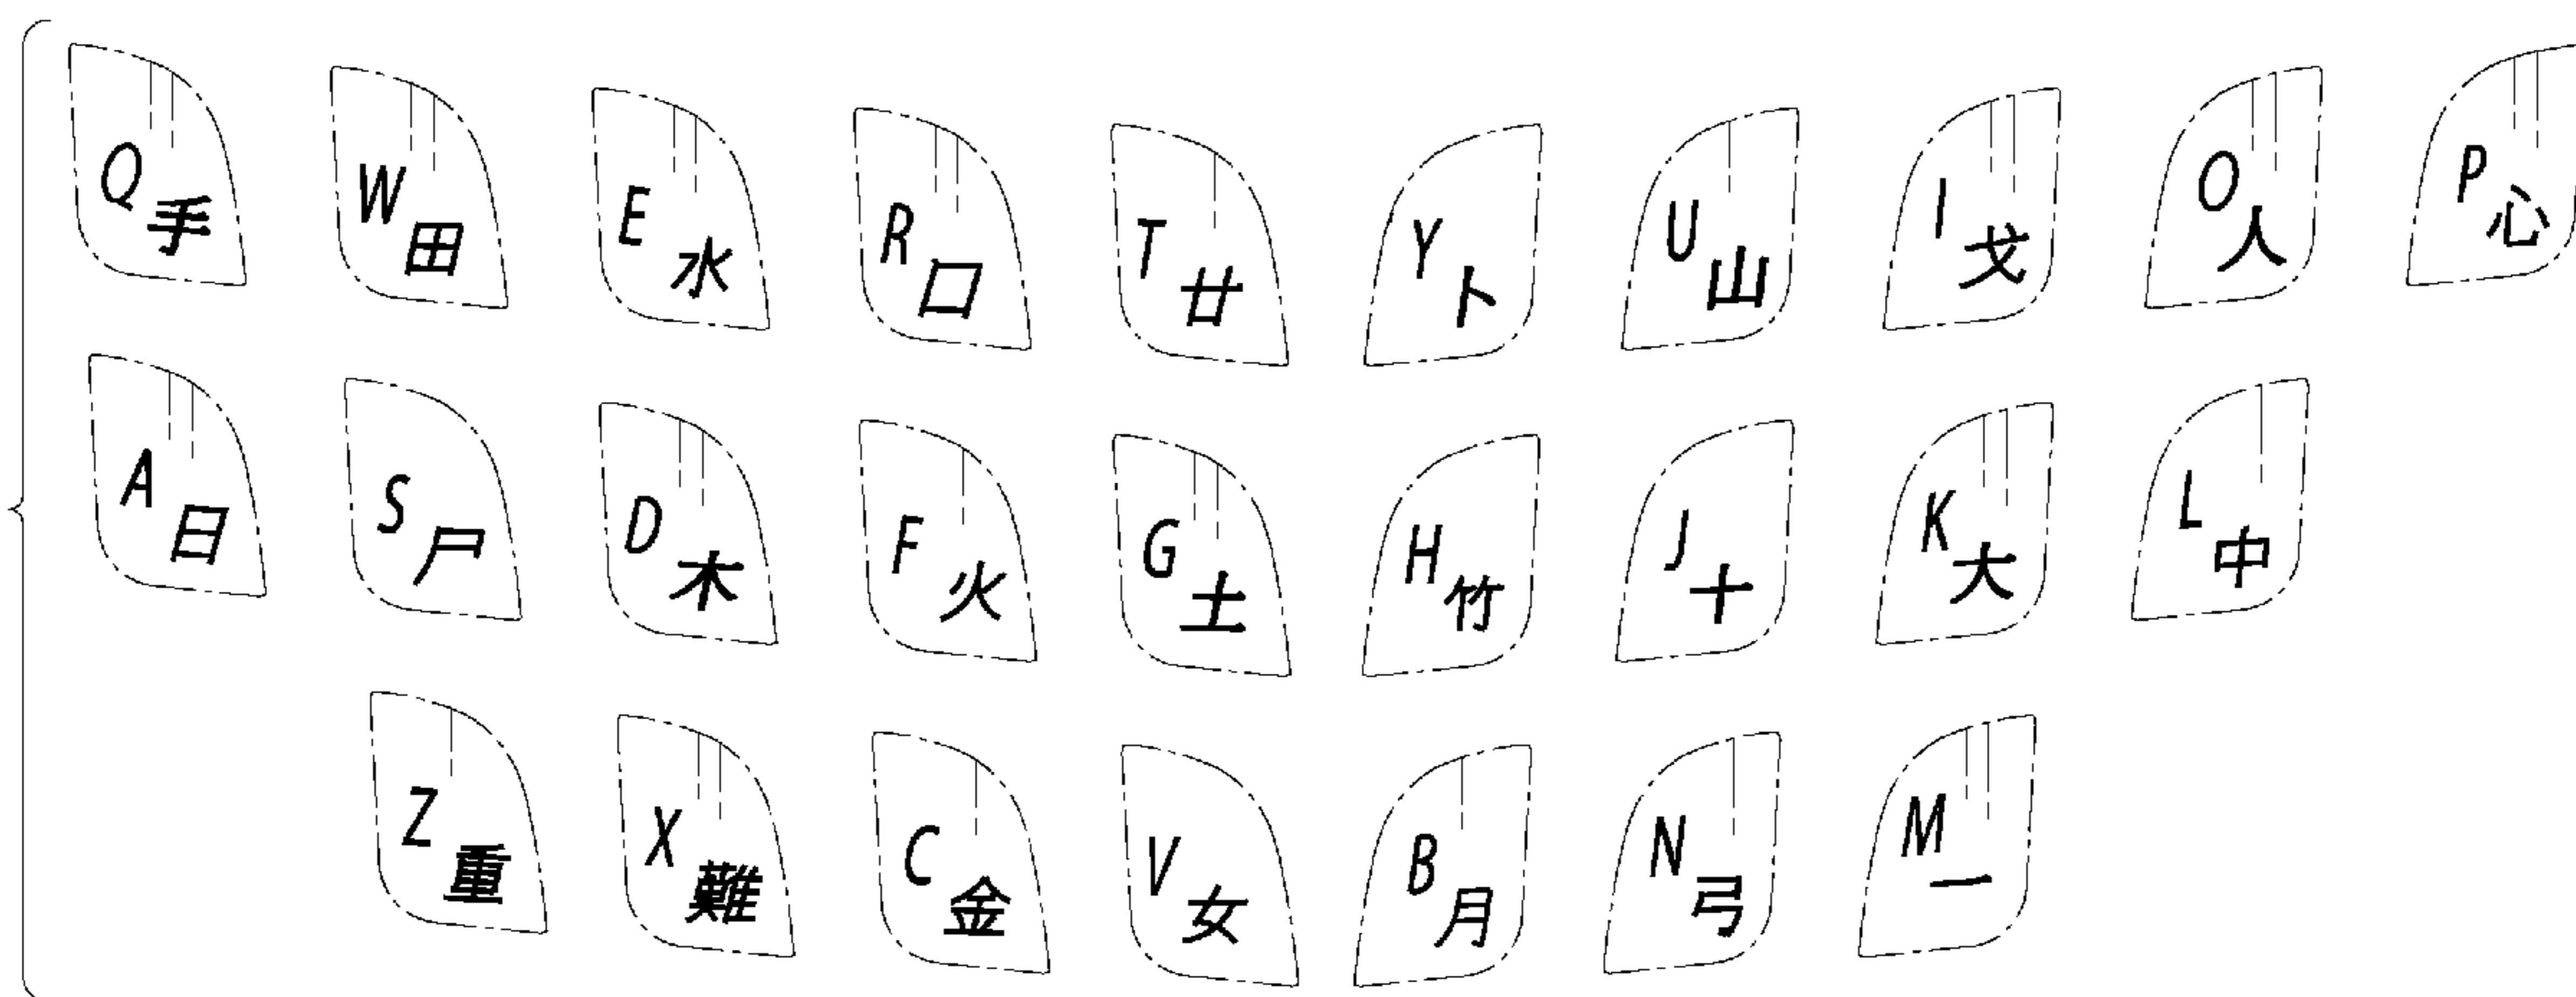

The ornamental design for a set of keys, as shown and
described.

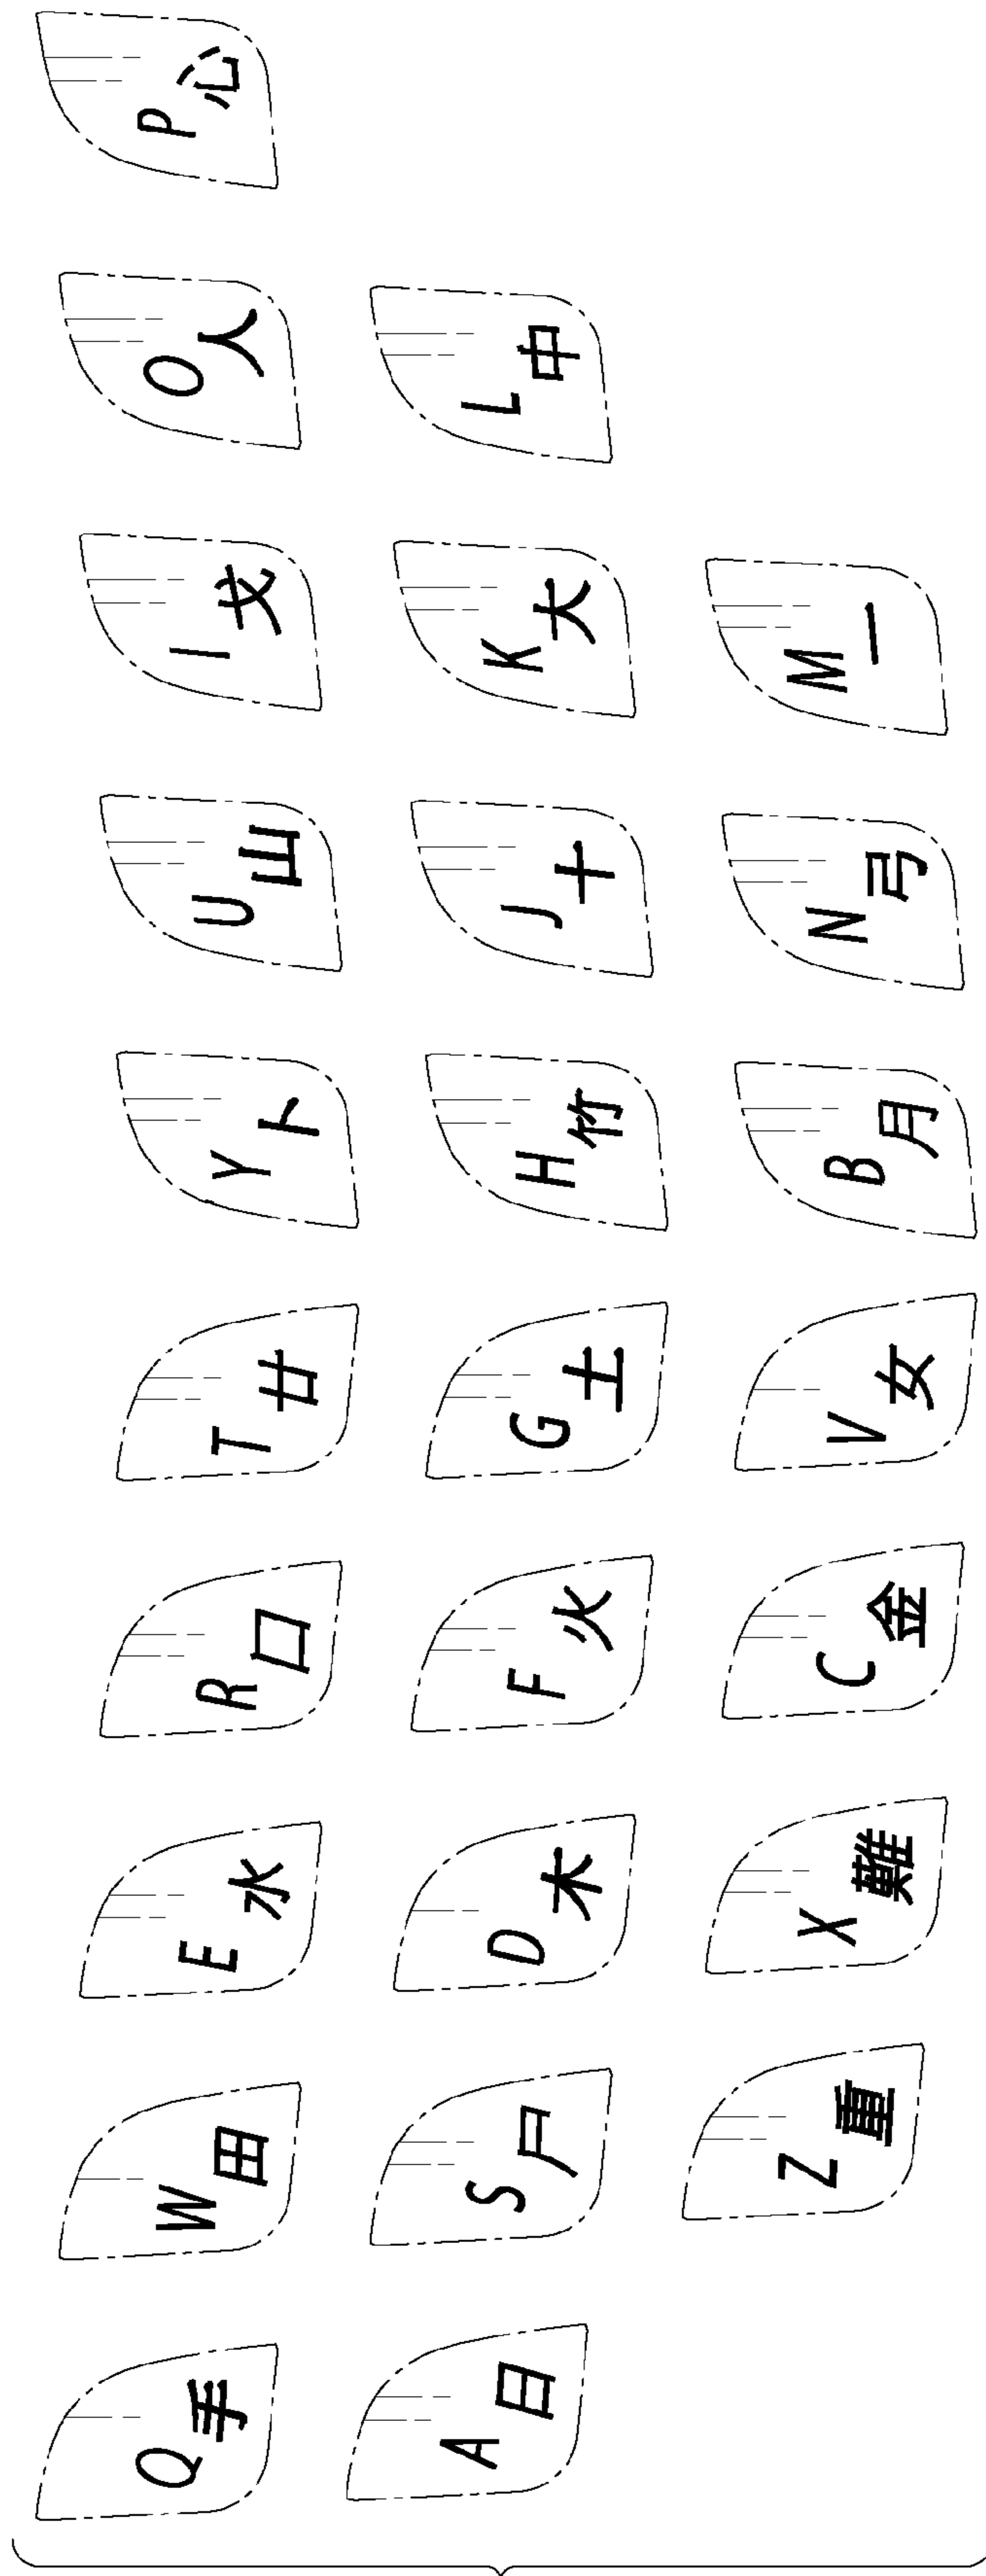

DESCRIPTION

The FIGURE is a front elevational view of a set of keys
depicting our new design.

The claimed design is directed to the surface of each key up to
the broken line boundary which forms no part thereof. The
claimed design also includes the specific configuration of the
keys. The broken lines shown within the outer broken line
boundaries indicate surface shading and not ornamentation.
The bracket shown in the drawing is included for the purpose
of showing the keys as a set in a specific configuration and
forms no part thereof.
